

Her Lover.

His footstep on the stair I hear,
He comes! Be still, my beating heart!

Josh Billing's Philosophy.

The following selections from the
dead humorist's writings will give a
fair idea of his style of thinking and
saying—

Tew make light bread—do as the
bakers do—call 9 ounces a pound.
Tew make a hoe kake, take a hoe
and bile it to a thin jell, and then—let
her kake.

Tew learn yure offspring to steal—
make them beg hard for all that you
give them.
Tew remove grease from a man's
karakter let him strike sum sudden il.

Angels handle the dice when doublets
are thrown into the cradle.
Flattery is like colone water, to be
smelt ov, not swallowed.

If a man hain't got a well-balanced
head, I like tew see him part his hair
in the middle.

There is only one good substitute for
the endearments of a sister, and that is
the endearments ov some other
phellow's sister.

Piety is like beans; it seems to do the
best on poor sile.

Going tew law iz like skinning a new
milk cow for her hide and giving the
huf to the lawyers.

About the hardest thing a fellow kan
do is tew spark tew girls at onst and
preserve a good average.

I had rather undertaik tew be tew
good dooves than one dewt serpent.

A good wife iz a sweet smile from
heaven.

A lie iz like a kat—it never cums tew
you in a straight line.

It is better tew kno less than tew kno
so much that ain't so.

A broken reputashun iz like a broken
vase; it may be mended, but always
shows where the krak was.

If you kan't trust a man for the full
amount let him skip. This trying to
get an average on honesty has always
been a failure.

There is no treachery in silence,
silence is a hard article to beat.

Don't mistake habits for karakter.
The men of the most karakter hav the
lowest habits.

Thate iz cheats in all things—even
pizon is adulterated.

The man who is thoroughly polite, is
tew thirds ov a Christian enny how.

Kindness is an instinkt, politeness
only an art.

Thare iz a great deal ov learning in
this world, which iz nothing more than
trying to prove what we don't understand.

My dear boy, there are but few who
kan commence at the middle of the
ladder and reach the top—and probably
you or I don't belong to that
numberr.

One ov the biggest mistakes made
yet is made by the man who thinks he
iz temperate, just because he puts more
water in his whiskey than his neighbor
does.

Choosing a New Denomination

Old lady (to street gamin)—Little
boy, don't you want to join the Sunday
school, and grow up to be a good man?

Little boy—What Sunday school is it?
Old lady—The Methodist! Little boy—
No! I tried the Methodiss las' year,
and didn't get nutting but a stick ov
broken candy an' a I'm goin' to try the
'Piscopal this year.

The Homeopathic Method.

"Good morning, Mrs. Gilligan. How
is Patrick this morning?"
"Sure he's no better sir."

"Why don't you send him to the
hospital to be treated?"
"Po be treated is it? Faith, an' it's
the delirium trimmins he has already."

In Disguise.

Who is she.—Visitor to the dime
museum (to the little girl who takes
the cash). "We have made a bet and
want you to settle it. Is the bearded
lady your mother or your aunt?" The
little girl—"You are all wrong. She's
my father."

Any miscarriage of justice is a great
public misfortune; but when it errs on
the side of harshness, the mischief is
far greater than when it fails to
punish.

NOTES.

Not the promissory, but facts about
WELCOME SOAP, an article that does not
contain one particle of the adulterations used
to reduce the cost of "Pure Goods," but does
possess the value of legitimate Washing
Qualities, the demand for which proves the
advantage gained by the use of the genuine
over Soap of doubtful character. None
should be deceived even by Red and Yellow
Wrappers, or any of the imitations of the
WELCOME, as a pair of clasped hands is
stamped on every bar. Made by CURTIS,

MANHOOD

How Lost, How Restored.

We have recently published a new
edition of DR. CULVERWELL'S
CELEBRATED ESSAY on the radical
and permanent cure (without medicine) of
Nervous Debility, Mental and Physical In-
capacity, Impediments to Marriage, etc., re-
sulting from excesses.

Price, in a sealed envelope, only 6 cts
or two postage stamps

The celebrated author, in this admirable
Essay, clearly demonstrates, from thirty
years' successful practice, that alarming con-
ditions may be radically cured without the
dangerous use of internal medicines or
the use of the knife; pointing out a mode
of cure at once simple, certain and ef-
fectual, by means of which every sufferer,
no matter what his condition may be, may
cure himself cheaply, privately, and radically.

This Lecture should be in the hands of
every youth and every man in the land.
