IN ITS TRUE COLORS.

NORTH SYDNEY, October 3.—In to-day's issue, the North Sydney Herald, announces itselt as an independent journal. Through the contest just closed it supported the Murray government and to-day rejoices, in common with other liberal journals, over the victory achieved by that party.

THE HACKING COUGH.

One of the meanest things to get rid of is a hacking cough. There is apparently no cause for it. No soreness, no irritation at first, but the involuntary effort of the muscles of the throat to get rid of some thing is almost constant. Of couse, with many cough is a habit, but it is a bad habit, and should be stopped. When you realize this and try to stop it, you find you cannot, for by this time there is an actual irritation, which will never get better without treatment.

It is a curious thing that nearly all treatment for cough actually makes the cough worse. Then, too, most medicines for cough have a bad affect in the stomach This is especially true of so-called cough remedies that contain narcotic, The true treatment for cough is one that heals the irritated surface. This is what Adamson's Botanic Cough Balsam does It protects the throat also while the healing process is going on. When this remedy was first compounded our old men were young boys, and all this time it has been doing a steady work of healing throats, The most obstinate hacking cough will quickly show the effect of the balsam. People who have been trying for years to break up the mean little cough, will find asure friend in this old time soothing compound made from the barks and gums of trees. All druggists sell Adamson's Botanic Balsam. 25 cents.
