LONG SERVICE - The Gospel meeting in Prose's new block tomorrow afternoon at 3:45. Strangers always welcome.

GOSPEL MEETING. - Remember the Gospel meeting in Prose's new block, Sunday afternoon at 4 o'clock. Strangers always welcome. Lesson 2 Cor. 7-10. 'Repentance.'

The 24th of May - the Queen's birthday, and if we don't get a holiday we'll all run away. It doesn't make any difference whether we get a holiday or not, the Opera House will find us there at night. The Pride of Company G. will be worth seeing.

NEW CHEESE FACTORY. The enterprising farmers of St. Margaret's parish are erecting a cheese factory near the church at that place. The building, which is 60 x 26 feet, is intended for a hall and cheese factory. When completed it will be a credit to the North side.

MORE DOUKABERS. - It is said that two thousand and seventy-eight more Doukabers left Batoum on the steamer Lake Huron on May 11th, for Quebec, under arrangements made by the Canadian Pacific Railway. This makes over 7000 of these people settled in the Canadian North West in the past few months.

THE BEER WAS STOLEN. - Scott Act Inspector Menzies raided a certain store in Newcastle on Thursday, and carried off 39 bottles of beer. The beverage was to be analyzed, and it is said was placed in the cellar of the Magistrate's office until the chemist was ready for it. But lo! when the analysis was to be made, it was found that the whole lot had been stolen. - Chatham Commercial.

RUNWAY ACCIDENT. - We regret to learn that what might have been a serious accident occurred to Mr. Geo. B. McEachern lately. While driving from Souris to his lobster establishment at Black Bush, his horse - a spirited animal, the famous King of Turf - took fright and shied throwing Mr. McEachern out. Luckily he retained hold of the reins and was enabled to control the animal, receiving but slight injuries.

GOOD. - A good story is told about an American gentleman who arrived by the Boston boat on Tuesday last. He came from New York. He visited one of our leading barber shops. The barber took notice of the handkerchief scarf the gentleman wore, and asked him if that was the correct thing in the States. The answer was yes. These just came from England a week ago, and I guess it's the only thing of the kind on the Island, it cost me \$1.50. Why, man, says the barber, our Island stores were showing them 4 weeks ago, and have sold them all, and they expect another shipment in a day or two and they sell them at 75 cents.

COMPLAINT REGARDING SAWDUST. - A correspondent calls the attention of fish-warden McLean, of Naurage, to the fact that a large amount of saw dust is allowed to be dumped into the best trout streams. Several streams such as Hollow River, Fox River and Oar River have been completely depleted owing to the neglect of former officials, and a similar case may happen to other streams. The correspondent would also like to call the warden's attention to the system now in vogue of netting trout. He says he spent a night not far from the warden's home and was given for breakfast trout on which net marks were easily discernible.

PROVIDER

NO. 23968. RECORD, 2.21 3/4

By Preceptor, sire of Nutregor, 2.17 1/2 at 4 years, and five others in 2.30 list; dam Lill, dam of Dot, 2.18, and grandam of Kickapoo, 2.16, by Dean Swift, sire of 4 in 30 list.

PROVIDER is so well known to the public as a winter and race horse, that but little need be said of him. At the trotting meeting held at Charlottetown last September, he started the first day in the 2.20 class, and won in three straight heats, making the fast time of 2.22, 2.21, and 2.2. The next day he started in the free for all, and again won in straight heats, time 2.22, 2.22, and 2.21, trotting every heat in the two races but one, in 2.25, and better, without making a break or mistake, beating such fast ones as Archlight, 2.19, and Montrose, 2.20.

Persons who may not desire to breed trotters will please take notice that Provider has that comparatively good high knee action, so desired in roadsters, and carriage horses. These qualities combined with his fine breeding, large size, good color, and disposition, must be sufficient recommendation to insure patronage. Provider will make the season at John Connor's stables opposite the Opera House - Terms \$10.00 for the season, with usual return privilege if mare is not in foal. W. S.
