

Death of a Prominent Newfoundland.

A telegram from Newfoundland announces the death at St. John's, Dec. 5th, of the Hon Charles Fox Bennett, at one time Premier of Newfoundland.

A New Discovery.

One of the most valuable discoveries recently made by practical men of science is a means of lighting up the human body with electricity in such a manner that the physician or surgeon can clearly see the field in which he is to operate.

Serious Result from a Hen Peck.

About two months ago, Mrs. John Preston of Gwynedd, Pa., was pecked by a hen on the index finger of her right hand. The blow did not break the skin, but caused a very slight bruise.

There are some rich people in the world who have made their money so rapidly that their brains have not had a chance to grow in proportion. They live in magnificent houses, but the arrangement of the furniture is all left to the taste of a gentleman who makes such matters a study.

Rev. Father Wilds' EXPERIENCE.

The Rev. Z. P. Wilds, well-known city missionary in New York, and brother of the late eminent Judge Wilds, of the Massachusetts Supreme Court, writes as follows:

"I was, New York, May 16, 1882. Messrs. J. C. Ayer & Co., Gentlemen: Last winter I was troubled with a most uncomfortable itching humor affecting more especially my limbs, which faded so intolerably at night, and burned so intensely, that I could scarcely bear any clothing over them. I was also a sufferer from a severe catarrh and enteral cough; my appetite was poor, and my system a good deal run down. Knowing the value of AYER'S SARSAPARILLA, by observation of AYER'S SARSAPARILLA, by observation of my own case, and from personal use in former years, I began taking it for the above-mentioned disorders. My appetite improved almost from the first dose. After a short time the fever and itching were slayed, and all signs of irritation of the skin disappeared. My catarrh and cough were also cured by the same means, and my general health greatly improved, until it is now excellent. A few hundred per cent stronger, and I attribute these results to the use of the SARSAPARILLA, which I recommend with all confidence as the best blood medicine ever devised. I took it in small doses three times a day, and used, in all, less than two bottles. I place these facts at your service, hoping their publication may do good. Z. P. Wilds." Yours respectfully,

The above instance is but one of the many constantly coming to our notice, which prove the perfect adaptability of AYER'S SARSAPARILLA to the cure of all diseases arising from impure or impoverished blood, and a weakened vitality.

Ayer's Sarsaparilla

cleanses, enriches, and strengthens the blood, stimulates the action of the stomach and bowels, and thereby enables the system to resist and overcome the attacks of all Scrofulous Diseases, Eruptions of the Skin, Rheumatism, Catarrh, General Debility, and all Disorders resulting from poor or corrupted blood and a low state of the system.

MRS. SOPHIA POTTER'S Bone Rheumatic Liniment

IT is a fact worth knowing that Mrs. Sophia Potter's Bone Rheumatic Liniment cannot be excelled for removing pain and soreness. It is no worthless trash, as some may suppose, simply because they have been imposed upon by others, but is positively the "King of Pain." Sore throat cannot stand before its power.

All we ask is a trial that you may be convinced of the truth of our statement. Our experience is that one bottle tried also sells many more. See circular for particulars and testimonials, and try a bottle—it will not fail to do all that is promised.
