More Warlike Rumors.

THE EVERLASTING EASTERN QUESTION CAUSING FURTHER COMPLICATIONS BETWEEN AUSTRIA AND RUSSIA.

The *Novoe Vremyaux*, of St. Petersburg, whose utterances are regarded as authorized official expressions as applied to political affairs, is responsible for the statement that a secret treaty of alliance has been concluded between Austria and Bulgaria, by the terms of which the latter country is made practically an Austrian camp. Such a compact means nothing at all if it don't mean that Austria is getting ready to attack Russia or defend herself against Russian attack, and in the circumstances under which Prince Ferdinand retains his equilibrium upon the frail Bulgarian throne, it also means that Austria has promised assistance to fortify Ferdinand in his position. However, to make contracts is one thing and to carry them out is quite another, as doubtless both Francis Joseph and Ferdinand will realize upon the first attempt of the former to avail himself of the provisions of the compact which contemplates a virtual invasion of Bulgaria, the Czar having long ago reached the decision that if Bulgaria is to be invaded he will do the invading himself. The Russian press are also alarmed at the now very strong probability that Germany will accomplish her desire and establish a fortification on the Danish Island of Bornholm, in the Baltic Sea, and the grounds of their fears will, no doubt, be made the subject of diplomatic correspondence and protest.

Cape Breton Coal Trade.

A North Sydney despatch reports :—"During the present year, 745,000 tons of coal have been mined in Cape Breton, against 240,000 in 1879! North Sydney and Sydney shipped 460,000 tons in 1889 (as compared with 140,000 tons in 1879). The Cape Breton coal trade has been marked by a steady increase since 1879. The growth of this important industry, feeding all other branches of commerce, illustrates the great benefit of the national policy, which has made a home market for such a large output of coal, giving employment to our people and making our coal owners virtually independent of the New England market and the adverse American tariff which crippled our coal industry so long. Comparing the yearly coal exports since 1878, the result of the present tariff is most satisfactory. In 1879 the whole shipments from all the Cape Breton mines only aggregated 243,200 tons ; in 1884, 598,156 tons ; and in 1889 they increased to 749,357 tons. The shipments from Sydney and North Sydney were 140,000 tons in 1870, 299,000 tons in 1884, and 460,148 ...ns to Dec. 15th, 1889. The shipping ... is not yet over, and your correspon... ...nly give you the shipments from ...es to date, which are as fol... ...126,000; Victoria, 87,000; ...000; Bridgeport, 25,000; ...le Glace Bay, 73,000; ...; Gowrie Mines, ... time there are ...ation in Cape ...ing. EPPS'S COCOA

BREAKFAST.

"By a thorough knowledge of the natural laws which govern the operations of digestion and nutrition, and by a careful application of the fine properties of well-selected Cocoa, Mr. Epps has provided our breakfast tables with a delicately flavored beverage which may save us many heavy doctors' bills. It is by the judicious use of such articles of diet that a constitution may be gradually built up until strong enough to resist every tendency to disease. Hundreds of subtle maladies are floating around us ready to attack wherever there is a weak point. We may escape many a fatal shaft by keeping ourselves well fortified with pure blood and a properly nourished frame."—*Civil Service Gazette.*

On the Use of Campbell's Wine of Beech-Tree Creosote, in Diseases of the Lungs and Throat.

IN the South of France, where all persons threatened by Phthisis go to be treated; where Doctors Bouchard and Gimbert, the two specialists so highly recommended by public opinion, have experimented with all the proposed medicines against Pulmonary Tubercolosis, it is the one prepared to-day, and that which for ten years past they have finally adopted, after many comparative experiences, based upon the antiseptic method, having specially in view the *destruction of the Bacilli.*

After a few days' use of the remedy, the expectoration diminishes, and very soon one is pleased to witness the gradual disappearance of the Baccilli, the breaking off of the fever and the rapid recovery of appetite and strength.

When instead of confirmed Phthisis, Catarrh or Chronic Bronchitis have to be dealt with, the different forms of which may sometimes give rise to an uncertain diagnosis, they have always been cured. Those excellent results need not astonish us, if we consider the lucky natural associations of complete antiseptic and Balsamic principles in the compound we now describe. When our Wine shall have restored health, it will be well not to discontinue its use at once, and at all events to use it again about a fortnight before winter sets in, and at every change of season followed by damp weather.

DIRECTIONS.—A small dessert spoonful three times a day, after each meal, gradually increased to a large dessert spoonful.

N. B.—The use of Cod Liver Oil, as a powerful resistant to the remedial properties of the Wine, is recommended. Campbell's "Skrei" Oil being the best, is the kind which should be taken.

MODESTY forbids us (to use a slang phrase) to blow our own horn, and as it is contrary to our opinion (according to the old proverb) when in Rome to do as Rome does, we shall endeavor, as heretofore, to present facts so undeniable as to be beyond the reach of dispute. True, people have gained for themselves a name (not an enviable one) which, to all appearances, served the purpose they had in view. But wisdom dictates, before posing as leaders in the great race for supremacy, that we should look well to the foundation upon which those assertions are based. To throw the mantle of charity over such people is our motto ; and instead of revealing to the public gaze, through your columns, the errors into which they have fallen, we will endeavor to lead them gently into the light. That you will acquiesce in what wt sav, is a foregone conclusion, namely, as Fathers of the trade in this Province we treat the several branches of the trade in this city with the same consideration as a loving parent would his innocent offspring ; and to this end we invite such traders to aim high and co-operate in elevating this, the first profession, to the high status to which it is entitled. In the meantime, call and see our handsome goods, in NAPS, MELTONS, SCOTCH TWEEDS, WORSTEDS, etc., made up in the latest styles and cheap.

AT LAST!

A Wonderful Vegetable Discovery That Removes the Terrible Results of Overwork.

A True Invigorator.

Weakness and prostration of the nervous system surely follow that overwork and worry which brings sorrow and suffering to so many Canadian homes. The terrible results of nervous weakness, are seen on every hand. Pains in the back, poor and unrefreshing sleep, lack of appetite dyspepsia, and lost energy and strength, are the first symptoms of more serious and dangerous trouble. This is the way that Paralysis, Paresis and Insanity begin. Do not delay a moment longer, for some time it will be too late to regain your lost health and vitality. Use Paine's Celery Compound now, and the dull eyes will regain their brilliancy, the cheeks will grow rosy, the brain become clear, the nerves strong and steady, your sleep restful and refreshing, appetite good, and health and happiness will take the place of misery and suffering.

A. Sabiston, the well known lithographer of Montreal, writes: "In the summer of 1888 I had to work very hard, and was troubled considerably with insomnia (sleeplessness). I resolved to try your Paine's Celery Compound, and after taking the contents of two bottles, felt like a new man. A good night's rest gave me strength for the duties of the day, and instead of starting out to business in the morning feeling as if I had completed a day's work instead of being about to commence one I started out in good spirits, feeling fresh and strong. My wife and various friends, to whom I recommended the medicine, have been benefited greatly, and in fact 'Paine's Celery Compound is a household word in our family."

WHAT AILS YOU?

Do you feel dull, languid, low-spirited, lifeless, and indescribably miserable, both physically and mentally; experience a sense of fullness or bloating after eating, or of "goneness," or emptiness of stomach in the morning, tongue coated, bitter or bad taste in mouth, irregular appetite, dizziness, frequent headaches, blurred eyesight, "floating specks" before the eyes, nervous prostration or exhaustion, irritability of temper, hot flushes, alternating with chilly sensations, sharp, biting, transient pains here and there, cold feet, drowsiness after meals, wakefulness, or disturbed and unrefreshing sleep, constant, indescribable feeling of dread, or of impending calamity?

If you have all, or any considerable number of these symptoms, you are suffering from that most common of American maladies—Bilious Dyspepsia, or Torpid Liver, associated with Dyspepsia, or Indigestion. The more complicated your disease has become, the greater the number and diversity of symptoms. No matter what stage it has reached, **Dr. Pierce's Golden Medical Discovery** will subdue it, if taken according to directions for a reasonable length of time. If not cured, complications multiply and Consumption of the Lungs, Skin Diseases, Heart Disease, Rheumatism, Kidney Disease, or other grave maladies are quite liable to set in and, sooner or later, induce a fatal termination.

Dr. Pierce's Golden Medical Discovery acts powerfully upon the Liver, and through that great blood-purifying organ, cleanses the system of all blood-taints and impurities, from whatever cause arising. It is equally efficacious in acting upon the Kidneys, and other excretory organs, cleansing, strengthening, and healing their diseases. As an appetizing, restorative tonic, it promotes digestion and nutrition, thereby building up both flesh and strength. In malarial districts, this wonderful medicine has gained great celebrity in curing Fever and Ague, Chills and Fever, Dumb Ague, and kindred diseases.

Dr. Pierce's Golden Medical Discovery

CURES ALL HUMORS,

from a common Blotch, or Eruption, to the worst Scrofula. Salt-rheum, "Fever-sores," Scaly or Rough Skin, in short, all diseases caused by bad blood are conquered by this powerful, purifying, and invigorating medicine. Great Eating Ulcers rapidly heal under its benign influence. Especially has it manifested its potency in curing Tetter, Eczema, Erysipelas, Boils, Carbuncles, Sore Eyes, Scrofulous Sores and Swellings, Hip-joint Disease, "White Swellings," Goitre, or Thick Neck, and Enlarged Glands. Send ten cents in stamps for a large Treatise, with colored plates, on Skin Diseases, or the same amount for a Treatise on Scrofulous Affections.

"FOR THE BLOOD IS THE LIFE."

Thoroughly cleanse it by using **Dr. Pierce's Golden Medical Discovery,** and good digestion, a fair skin, buoyant spirits, vital strength and bodily health will be established.

CONSUMPTION,

which is **Scrofula of the Lungs,** is arrested and cured by this remedy, if taken in the earlier stages of the disease. From its marvelous power over this terribly fatal disease, when first offering this now world-famed remedy to the public, Dr. Pierce thought seriously of calling it his "CONSUMPTION CURE," but abandoned that name as too restrictive for a medicine which, from its wonderful combination of tonic, or strengthening, alterative, or blood-cleansing, anti-bilious, pectoral, and nutritive properties, is unequaled, not only as a remedy for Consumption, but for **all Chronic Diseases** of the

Liver, Blood, and Lungs.

For Weak Lungs, Spitting of Blood, Shortness of Breath, Chronic Nasal Catarrh, Bronchitis, Asthma, Severe Coughs, and kindred affections, it is an efficient remedy.

Sold by Druggists, at $1.00, or Six Bottles for $5.00.

Send ten cents in stamps for Dr. Pierce's book on Consumption. Address,

World's Dispensary Medical Association,
