GRAIN

WINNIPEG, Feb. 18—(CP)—Flax again proved the weak spot on the Winnipeg Grain Exchange Saturday as oats, barley and rye generally moved up to new seasonal highs.

Aggressive demand sent all prices except flax up early in the trade, with shippers, exporters and American houses on the buying side. However, there were recessions from the highs in oats and barley in late trade as offerings increased at top levels. Rye closed at or near the highs of the day.

Flax fell off under small hedges. No export loadings were reported today.

Class two wheat and I.W.A. prices were unchanged from Friday.

Closing: Oats: May 1.08% B; July 99% A; Oct. 94% A. Barley: May 1.57%; July 1.52-1.52; Oct. 1.41 B. Rye: May 2.19%; July 2.17% A; Oct. 2.10% A. Flax: May 5.29; July 5.10% A; Oct. 4.70 A.

Two Brokerage Licenses Cancelled

TORONTO, Feb. 17—(CP)—The Ontario Securities Commission yesterday announced cancellation of the brokerage licences of Regional Securities and Norwhit Securities, both of Toronto.

O. E. Lennox, chairman of the Commission, said the cancellation arose out of a general survey of "objectionable sales campaigns" by both concerns. He added that the major complaint against them was that they had placed false advertisements concerning the market prevailing for certain stocks when, in fact, no market existed.

\$50,000 Fire At Hamilton, Ontario

HAMILTON, Feb. 18—(CP)—Fire in a downtown business block was brought under control Saturday after causing damage estimated at \$50,000.

Firemen said most of the loss was in the Louis Minden Ladies' Wear Store, where the blaze started in the basement.

Furs valued at \$70,000 were removed from an adjacent store when it was feared the flames would sweep the entire four-story block on King Street East.
