## DOMINION DAY.

The Celebration in Town and Country.

Parade at Victoria Park—Races at Summerside—Excursions, Picnics, etc.

The twenty-second anniversary of the confederation of the British North American Provinces was quietly observed in this city yesterday. The weather throughout the day was fine, and most of the stores and places of business were closed. The display of bunting was somewhat meagre, but the dust nuisance was to the front—as usual.

Shortly before twelve o'clock the militia in camp at Brighton marched to Victoria Park, where the review was to be held. As the clock struck twelve the guns on the battery began the salute, firing seven rounds, after which the militia fired a *feu de joie*. The battery then fired another seven rounds, after which the militia fired a second *feu de joie*. The third seven rounds from the battery was also followed by a *feu de joie*. The militia then formed up in close order, and at the word of command gave the general salute, the band playing "God Save the Queen." The men then gave three rousing cheers for the Queen, and after marching past in quarter column proceeded back to camp. The marching and general appearance of the men, is in the opinion of many, even better this year than ever before, and speaks highly for their officers and the instructors from Halifax.

About 250 excursionists, Oddfellows and their lady friends, arrived from Pugwash, N. S., about 11.30. At 2 o'clock the visitors attended a meeting in Oddfellows Hall, where a very pleasant time was spent. The party left on return at 3.15 well pleased with their trip.

The outgoing trains carried large numbers of excursionists; and many went over to Picton and Point du Chene. The ferry steamers were also well patronized. The tea party at Vernon River attracted a goodly number of persons to that beautiful section of country; and many passed the day fishing at the different resorts.

THE RACES AT SUMMERSIDE.

The races on Summerside Driving Park yesterday passed off very pleasantly. The weather was fine, the track in good condition, and the attendance of spectators amongst whom were a large number of the gentleman sex, very large. The officers of the track were:

Judges—A. C. Rogers and J. D. Ennan, Summerside; A. N. Large, Charlottetown. Starter—A. C. Rogers. Distance Judge—Willard Green. Timers—George Godkin and James McLeod, Summerside.

Shortly before two o'clock the three-minute race was called. There were four starters, viz: Maud M., owned by L. B. Miller, of Charlottetown, and driven by P. S. Brown; Maud E., owned by P. O'Connor, Tignish, and driven by W. A. Noonan; Mount Albion Boy, owned by S. Stewart, Lot 48, and driven by John Stewart; and Nellie S., owned by S. W. Brown, Stanley Bridge, and driven by Found. Four heats were trotted, the two Mauds doing splendid work throughout. In the third heat, Nellie S. and Mount Albion Boy were distanced. Below is the Summary:

Summerside Driving Park, July 1st 1889. Three-minute class. Purse of \$40, divided. Mile heats, best three in five.  
L. B. Miller's b m Maud M. (Brown) 2 1 1 1  
P. O'Connor's b m Maud E. (Noonan) 1 3 2 2  
S. W. Brown's b m Nellie S. (Found) 4 2 dis.  
S. Stewart's b g Mt. Al. Boy (Steele) 3 4 dis.  
Time—2:47; 2:49; 2:46; 2:51.

In the green race there were started Somerville Boy, owned by A. M. Tuffis, Boston, and driven by P. S. Brown; Mid, night, owned by Wm. McKay, Summerside, driven by Waite; Olive Wilkes, owned and driven by H. Craswell, St. Eleanor's; and Black Maud, owned by James Taylor, Wilmot Creek, and driven by Durant. In this race the struggle for supremacy was largely between Somerville Boy and Mid-night. Black Maud was distanced in the first heat. Following is the Summary:

Same day and track. Green race. Purse of \$50 divided. Mile heats—best three in five.  
Wm. McKay's br. s. Midnight, 1 2 1 1  
A. M. Tuffis' bl. s. Somerville Boy, 3 1 2 2  
H. Craswell's ch. m. Olive Wilkes, 2 3 3 3  
James Taylor's bl. m. Black Maud, (Durant) distanced.  
Time—2:54; 2:52; 2:53; 2:55.

There were but two starters in the four-year-old race, the bl. g. Home Rule, owned by John McGuigan, Hope River, and driven by P. Reid; and the br. g. Dan R., entered by George Essory, Charlottetown, an driven by P. S. Brown. Home Rule won the two heats trotted, distancing Dan R. in the second. Time, 3:05; 2:55.

TEA AT VERNON RIVER.

The Tea given yesterday in aid of the new hall at Vernon River Bridge was a grand success. The day, though dusty, was all that could be desired for a public holiday. At an early hour in the forenoon the visitors began to arrive; and at 3 p. m., it is said there were upwards of 3,000 people on the grounds. There were many present from Charlottetown. On a fine day, at this season of the year, the drive from this city to Vernon River Bridge is a luxury. The arrangements were good, the tea well served, and all departments affording plenty and pleasure were numerously patronized and

were peaceably and agreeably managed. We have pleasure in stating that so large an assembly dispersed without any disturbance, after enabling its promoters to realize the handsome sum of \$600. The directors of this beautiful hall will now be able to finish it in a first class manner and the community are to be congratulated on having in its midst such a fine public convenience. Nor must we forget that the beauty and kindness of the ladies aided in no small degree in attracting one of the largest gatherings that ever took place at Vernon River, and their devotion to the school was the chief factor in the great success of yesterday's tea.

AT EMERALD.

The tea at Emerald was largely attended and thoroughly enjoyed. The great attraction was the match game of baseball between the "Diamond" and "Star" clubs, of Charlottetown, which was won by the latter. The play throughout was very good, not more than five runs being made in one innings. Mr. W. Reid, of Chicago, played first base for the "Diamonds," and gave "our boys" some valuable pointers which they will likely make the most of. There is good material in both clubs, all they lack is more careful practice. Appended is the score:

Address and Presentation.

Last evening some of the friends of Rev. William Harrison waited upon him and presented him with the following address and a purse containing \$100:  
To Rev. William Harrison:  
DEAR SIR,—Before severing your connection with our church, we desire to express to you our high appreciation of your services during the three years of your pastorate with us. Your services in the pulpit, in the social means of grace, and in private visitation have been to us sources of much blessing. The continued prosperity of the church under your ministry here has been to us cause of sincere gratitude, and we feel that in parting with you we part with an earnest Christian, a faithful pastor, and a true friend.  
We trust that your contemplated trip may prove very beneficial to you; and that in your new field of labor God's blessing may attend your efforts, and much good be accomplished. Please accept this small gift as a slight mark of the esteem in which you are held by those to whom you have "ministered in holy things" during the past three years. We wish yourself and Mrs. Harrison and family the choicest of Heaven's blessings.  
Signed on behalf of the congregation of the Upper Prince Street Methodist Church,  
GEORGE BIRCH, Recording Steward.  
Charlottetown, July 1st, 1889.

Personal.

Prof. Caven, of Prince of Wales College, returned from Montreal on Friday evening.  
Prof. Schurman, of Cornell University, and Mrs. Schurman are visiting their relatives and friends on the Island.  
His Lordship Bishop McIntyre took passage at New York on the 29th ult. in the steamer Fulda for Southampton.  
Mrs. J. M. McLeod was amongst the passengers in the steamer to Point du Chene yesterday en route to Vancouver whither her husband preceded her some time ago.  
Messrs. Benj. Rogers, Geo. A. Sharpe, J. J. Davies and J. L. Thompson left yesterday for a week's fishing in New Brunswick. We wish them a pleasant time and lots of luck.  
Mrs. Conroy and Jenkins, Conductor Kelly and D. O'M. Reddie, jr., returned to town last evening after a few days' fishing at Tignish. They report having a very pleasant time, and tell some "big" fish stories.  
CANKER in the mouth can be cured only by expelling the poisonous humor from the system. To do this effectually requires the persistent use of Ayer's Sarsaparilla, together with a good generous diet. One dollar a bottle. Six bottles for \$5. Begin at once.

FROM BOSTON.—The steamer Carroll, Capt. Brown, arrived at five o'clock Sunday morning. She had the usual general cargo and the following passengers:—Miss McNair, Hon C H Rockwood, Col. W R Taylor, Grace Full, Arthur Beer, Lewis Beer, Ellen Barr, Mrs. Charles E White and child, Mrs. Munroe, Mrs. Benner, Mrs. Murchison, Mrs. Barry, Mr. Barry, Lee Barry, Miss Lannan, Mrs. Seaman, Mrs. Hawkes, Mrs. Daylamon, Mrs. Barneet and child, Miss Kirwin, Mr. Gittings, P E Halloran, W E Mahon, Mrs M A Hunter, Miss M Saunders, Miss L Webster, Miss K Murphy, Annie McKenzie, Miss Hughes, Miss Currie, Ida Currie, Emma McLean, Miss Darrach, Miss E McCormack, Mr Forsyth, Mr White, John Garrett, J McKinon, A McKenzie, J A Kennedy, George McDonald, J Goodwin, Jessie McDonald, Bertha Robinson, Miss Ross, Miss Mooney—49.

BE WISE IN TIME. You have too many gray hairs for one so young looking. Use Hall's Hair Renewer, the best preparation out, to cure them. Try it.

## Conemaugh.

BY ELIZABETH STUART PHELPS.

"Fly to the mountain! Fly!"  
Terribly rang the cry.  
The electric soul of the wire  
Quivered like sentient fire.  
The soul of the woman who stood  
Face to face with the flood  
Answered to the shock  
Like the eternal rock.  
For she stayed  
With her hand on the wire,  
Unafraid,  
Flashing the wild word down  
Into the lower town.  
Is there a lower yet and another?  
Into the valley she and none other  
Can hurl the warning cry:  
"Fly to the mountain! Fly!"  
The water from Conemaugh  
Has opened its awful jaw.  
The dam is wide  
On the mountain side!

"Fly for your life, oh, fly!"  
They said.  
She lifted her noble head,  
"I can stay at my post, and die."

Face to face with duty and death,  
Behold the drawing of human breath.  
"Steady, my hand! Hold fast  
To the trust upon these cast.  
Steady, my wife! Go, say  
That death is on the way.  
Steady, strong wire! Go save!  
Grand is the power you have!"

Grand the soul that can stand  
Behind the trembling hand.  
Grand the woman who dares.  
Glory her high name wears.  
"This message is my last!"  
Shot over the wire and passed  
To the listening ear of the land.  
The mountain and the strand  
Reverberate the cry:  
"Fly for your lives, oh, fly!  
I stay at my post and die!"

The torrent took her. God knows all.  
Fiercely the savage currents fall  
To muttering calm. Men count their dead.  
The June sky smileth overhead.  
God's will we neither read, nor guess.  
Poorer by one more hero less,  
We bow the head, and clasp the hand:—  
"Teach us, altho' we die, to stand."

Your Life in Danger.

Take time by the forelock ere that rasping, hacky cough of yours carries you where so many consumptives have preceded you; lose no time, but procure a bottle of the rational remedy for Lung and Bronchial Diseases, Scott's Emulsion of Cod Liver Oil, with Hypophosphites. It will cure you. Sold by all Druggists at 50c. and \$1.00.

ADVICE TO MOTHERS.—Mrs. Winslow's Soothing Syrup should always be used when children are cutting teeth. It relieves the little sufferer at once; it produces natural quiet sleep by relieving the child from pain; and the little cherub awakes as "bright as a button." It is very pleasant to taste. It soothes the child, softens the gums, allays all pain, relieves wind, regulates the bowels, and is the best known remedy for diarrhoea, whether arising from teething or other causes. Twenty-five cents a bottle. Be sure and ask for Mrs. Winslow's Soothing Syrup, and take no other kind. [April '88]
