Sr.), Stan Vass (SEV).

ISLAND NATURE TRUST MEMBERSHIP DRIVE

The Island Nature Trust was formed in the fall of 1979; a group of people who believe in the protection and management of natural areas on Prince Edward Island. The Trust's main project until now has been the purchasing of land around Deroche Point to ensure the protection of the sand dunes and wetlands in the area.

A major membership drive is being held the third week of February in hopes of involving more people in the Trust and its aims. Various events such as walks and displays will be held during the week with a Ceileidh Thursday, February 19 as a grand finale.

If the Trust has appeared unorganized in the past year it is because a lot of work is being done by only a few people. Let's get more people involved so that our goals may be realized. That's February 15-19: look for more details in the media.

Annual membership fees are \$5.00 and should be mailed to: The Island Nature Trust, P.O. Box 265, Charlottetown, P.E.I.
