THE AMERICAN AT THE LEVEE.—The great American unknown has rushed into print. He turns out to be a Mr. D. H. Mahan, and styles himself—"Professor, &c., in the United States Military Academy." He does not describe his costume at her Majesty's levee, but asserts, on his word as a gentleman, that he "had taken every precaution, which forethought and presence of mind could devise, both before, and at the time of the occurrence," to prevent any unpleasantness Mr Mahan tells the public, that he has placed "a particular statement of the facts" in the possession of one of her Majesty's ministers of State. Not satisfied with this, he has sent a copy of his explanation to "a commercial house of the highest standing in London;" another copy to the Athenæum Club; and a fourth to the Secretary of War of the United States, to whom, Mr. Mahan says, 'I am officially amenable for my conduct as a gentleman and an officer of the military service." It will possibly occur to the British public, that this gentleman might have procured a dress coat and a white neckcloth for the levee at a hundredth part of the trouble which he has imposed upon himself in giving these explanations.

MAJOR GENERAL SIR W. F. WILLIAMS AT WOOLWICH.—On Thursday afternoon the newly appointed commandant of the garrison at Woolwich, Sir W. F. Williams, entered the town for the purpose of commencing the duties of his office. We need scarcely say, that an enthusiastic greeting was given to the gallant officer and his brave companions. Early in the morning, handbills were issued to the effect that the gallant commandant would arrive at four o'clock, and that an address would be presented to him by the Local Board of Health. The line of road between Woolwich and Charlton was decorated with numerous banners and devices, bearing the inscriptions of "Williams, a Nation's Pride," "Welcome to the Hero of Kars," "Honour to the Brave," &c.; and at the entrance to the garrison, immediately opposite the King's Arms Hotel, a stage was erected for the accommodation of ladies. During the afternoon the whole population of Woolwich appeared to have turned out for the purpose of giving a hearty English welcome to the gallant officer, and countless thousands were eagerly awaiting his appearance. The members of the Woolwich Local Board of Health, preceded by the Royal Arsenal band, and wearing rosettes of red, white, and blue, marched in procession from the Town-hall to Artillery-place, where it had been previously arranged to present the address. At four o'clock, Major-General Williams arrived in a covered carriage, followed by a carriage containing his gallant companions, Colonel Lake and Major Teesdale. The Rev. Henry Brown, rector of Woolwich, read the address, to which General Williams made a suitable reply. The gallant general then proceeded to the Royal Artillery Barracks, and was received by a brilliant staff of officers at the mess-room, where a banquet had been prepared. The most extensive preparations were made during the day for an illumination, and many of the devices exhibited at the public establishments and by tradesmen were of the most superb description.

military authorities were present. Later in the day, the Emperor of Austria and the Grand Dukes paid his Majesty a visit. It is affirmed, that the opportunity offered by the presence of the King of Greece will be taken advantage of, and that the question of succession to the throne of Greece will be fully discussed at Vienna.

The Engravings being on Steel and in Line, no inferior impressions will be issued.

The Committee most respectfully yet earnestly solicit those Gentlemen who are already Members of the Society to do what they can to increase the number of the Subscribers, and thus put the Society in a situation to advance still more than they have yet been able to do the cause of Art in the United Kingdom.

SUBSCRIPTIONS will be received at the OFFICE OF THE SOCIETY, 29, ST. VINCENT PLACE, GLASGOW; by any of the MEMBERS OF COMMITTEE OF MANAGEMENT; and by the HONORARY SECRETARIES appointed throughout the Country.

ROBERT A. KIDSTON.
Acting Secretary,

MR. G. T. HASZARD, Honorary Secretary for CHARLOTTETOWN, PRINCE EDWARD ISLAND.

THE COMMITTEE OF THE ART UNION OF GLASGOW have to have state to the Members of the Society and to the friends and lovers of Art, that to obviate the complaints of the Members of the Society for the year to the members, they have this year determined to issue in place of one Large Print which would take above two years to print, Two Prints of a smaller size, but which can be printed in such time, as will enable each Subscriber to receive them during the currency of the year, *each being of greater value than the amount of Subscription.* These Plates are specimens of the very highest class of Art both in their subjects and in their execution; and may indeed be designated Gems of Art; they have also by allowing two plates for the present year, been able to make such arrangements as enable will them in all future years, to continue the giving the Engravings on payment of subscription, and at the same time secure to the Members works of the highest class.

The delay in issuing the plate for last year, (COMING OF AGE,) was impossible to avoid, so long time being required to print the large quantity that was wanted, and at the same time keep up the quality of the impressions, the latest of which they are happy to say, will be found to be most excellent in every respect, the Committee were determined that no inferior impressions should be issued, and in this they have been completely successful. For above a year, this plate has been printing night and day, and will still continue to be so, till every member has received his copy.

Having explained as to the delay that has taken place in delivering the prints of the year, the Committee hope, that the Members will be satisfied with the explanation, and having *two such fine Engravings this year*, that they will continue their support to the Society, and that this year there will again be a large increase to the list of subscribers.

Having said so much regarding the Engravings they will only shortly draw attention to the Prizes to be distributed among the Members at the annual meeting;—every care will be taken to secure Paintings of high merit, and arrangements are making to have a large number of a first rate work of Art in Chromo-Lithography; they are encouraged to spare no labour in attaining this, by the great popularity of the Fac-simile of Mr. GILBERT'S Painting of "SPANISH PEASANTS GOING TO MARKET," which was issued last year, and they have no doubt but they will be able to bring forward a work of Art in this department which will not fail to be as popular as the last, and as high in character as a work of Art. Arrangements are also making to have fine specimens in BRONZE, PARIAN, &C. As these arrangements are completed, the various Honorary Secretaries and Agents will be duly advised.

In conclusion, the Committee trust that as THE SOCIETY IS NOW HIGHEST ON THE LIST OF SUCH INSTITUTIONS IN THE WORLD, by the exertions of their friends they will still be enabled to keep this position, and the Committee are determined that no effort on their part will be wanting to insure this being attained.

ROBERT A. KIDSTON,
Acting Secretary.

Subscriptions will be received, and specimens can be seen at HASZARD & OWEN'S Bookstore.
