## Wings Surprise

WITH AN INSPIRED Detroit Red Wings scoring a 5-4 win over the Black Hawks in Chicago Sunday night National League semi-finals game, both series are tied at a game apiece.

Wings' win Sunday, in-out-of-sideline coach Bob Champoux in nets for most of the game, came as quite a surprise to us. We had expected Chicago to win all their home legs in the series, this proving to be the main difference in the opening period, on the night Chicago would have made it two in the two to abs. Had it not been for the injury to Saucabuck in the opening period, we think Chicago would have made it two in the two to abs. The Hawks controlled the play in the opening minutes of the game, but as soon as the young, inexperienced Champoux went into the Detroit cage the Red Wings skated and checked like demons.

Norman Unwin was the star of the game, as two of his first period shots found their way past a poorly-defended Glen Hall. His "hat trick" goal in the third period was enough to down Chicago and give Detroit a slight advantage in the home-risk department as they move to Detroit for the next two games.

Chicago, who last year played in the same Montreal Junior league that the winner of the Maritime title will face this season, was at no time spectacular.

Chicago's opening win last Thursday night Glen Hall must be considered the big hero. Hall kicked out a total of 28 shots in the first two periods of the game before the Hawks caught fire for three goals in the third period and their 4-1 win.

## The 'Big M' Stars

IN THE "A" series, people have been talking about the great performance of Frank Bruni, which in Toronto's 2-1 win Thursday night after he was belted a severe check by Montreal defenseman Jacques Laperriere in the early going of the game.

The "Big M" incident became the team leader he would like to be, was definitely the Leafs as performer in that encounter. "Punch" had said the game was Mabocho's to lose. In two or three days.

The transformation in play of the two teams in the semi-final series has been surprising. The Hawks, who were the skate, skate for Montreal. Saturday night Toronto gave up their rough tactics and used their powerful skating to get a win. They proved they were not just a team of players at their own game.

Though Johnny Bower was nervous in the opening game of the set, while that never-ending shift. Hodge was very cool. Bower got pieces of both the shots that went for goals Thursday night. Had he been a little sharper it might have been a real goal tending dud.

Bobby Rousseau hasn't shown in the series yet, and the young star has been playing a bit. He has failed to take advantage of the chances he has had. As Ralph Cameron suggested in his column yesterday, Rousseau might be the key to come alive in the remainder of the series and lead Lee Hacks to another championship.

The skilled play of Harper and Laperriere kept Hacks' boys out of scoring range with spectacular play in the first game and were both standouts in the second game. As for the outcome of the series, we're betting Montreal. Those Toronto legs will give out one of these nights and we don't think this can stand up to the Canadians to death.

## Off The Cuff

AL MOORE, who played goal for Sydney Juniors in last night's Maritime championship contest, pulled most of the regular season with Cape Breton Senior League.

WINDSOR BANTAMS won the N.S. title over the weekend with a 2-1 tournament win over Antigonish. The San Francisco Giants are sure to get DICK SNIDER from New York Mets, the former Detroit player, who has been traded most of the winter.

Publiser of "The Sporting News," C. J. Bennett, has complained recently about the publication and outside Detroit tonight. He would avoid a healthy MOORE.

CHARLOTTE TOWN JUVENILES, who were expected to be the top team in the East. Pictet Regional High School lost the N.S.P.E.I. championship in a sudden-death game to the Hawks.

RILEY HOLT of Toronto and MIDGE FOX of Hamilton were the best players in the world. Since he was traded from Los Angeles during the winter, the Moose has been doing very well.

RILEY SKOVRONSK, who is a champion skater, seems to have done the best in the world of the world. Since he was traded from Los Angeles during the winter, the Moose has been doing very well.

## Detroit's Ace Hockey Star Harassed By Hawk's Fan Rifle Shoot

CHICAGO (AP) — A 20-year-old Chicago Black Hawk's hockey fan tried in vain Monday to obtain a warrant against Detroit Red Wings ace goalie

Robert Rosenblatt, the fan, appeared before Monroe Street Court Judge John Sullivan. After hearing Rosenblatt's story, the judge said:

"You will not perform a useless act on the basis of the evidence you've given me, any judge in my court will not do it. He's not guilty, since you admitted that you provoked him."

Rosenblatt's mother, Mrs. Veronice Rosenblatt, said they would consult a lawyer about further action.

Rosenblatt said he went to Court House hospital after the incident. He was taken in his room to close the wound.

He told Judge Sullivan that he and a friend, George Berg, were in the room to wait for the players to board a bus. He was in the room to wait for the players to board a bus.

## Windsor Captures Series

HALIFAX (CP) — Windsor Maple Leafs, the powerful hockey machine from a little Annapolis Valley town, Monday night won the Eastern Canada Allan Cup quarter finals with an 11-4 victory over Montreal Boitars.

A crowd of 2,500 saw the Leafs win their third straight game in the best-of-five series.

Windsor now moves against the Ottawa Valley representatives in the Eastern Canada semi-finals.

Coach Bert Marchand of the Montreal Boitars Club said "we were beaten by a very good club."

Two players picked up from other Nova Scotia Senior Hockey league teams by Windsor, produced the game's highlights.

Alfie Flanagan, picked up from Halifax Schooners, made a great rush while Windsor was short-handed to slam the puck behind Andre Payette.

Payette had 27 stops in the game. Serge Aubry of Windsor had 17.

Another set toward the bus and he hit me on the back of the head.

"So I put down both traveling bags, and let him have a good one."

Crystal's win over the Hawks 4-1 in the fourth game of a best-of-five series played at the North River rink last night.

The Crystals took the series 2-1 and captured the Lloyd MacNeil trophy emblematic of the same. Alf MacNeil was on hand to present the trophy.

Le Gros and B. Newson led the Kingston attackers as they banged home a brace of tallies.

MacCallum tied the score tall for the losing squad.

## Legionnaires Top Sydney In Junior Playoff Action

SUMMERIDE BUREAU OF THE GUARDIAN  
The local Junior Legionnaires displayed too much speed and scoring know-how in defeating Sydney Juniors 5-1 in the first game of a best-of-five series for the Maritime crown.

The second game in this series is slated for the Stadium tonight with the remaining game or games to be played in Sydney, Thursday night, and, if necessary, Friday and Saturday.

The locals, sparked by the fine goaltending of Joe Senior, piled up a 4-goal lead before getting an answer from the Cape Bretoners and the score could have gone higher except for some fine saves by Allister Moore in the opening cage.

The Summerside goals were evenly distributed between five players—Dave Gaudet, Dave Norton, Paul MacWilliams, John Purrier and George Dalton. Deane Purrier and George Dalton triggered the lone Sydney goal, a partially screened shot from the point while the Legionnaires were in a great strangle.

Slightly more than five minutes had elapsed in the game when Dave Gaudet put Grant Grady's Juniors on the scoreboard. Gaudet stole the puck from a Sydney player and triggered a low shot that went behind the net.

of his own rebound after his initial shot had caromed off a Sydney player some 15 feet in front of the opposing cage.

A penalty to Paul MacWilliams opened the door for Sydney's only goal at the 11:23 mark. MacNeill, a rugged forward, fired a teemurates pass from the left point which goalie Senior appeared not to have seen until it was deating the net.

George Dalton closed the scoring for the night at the 15:13 mark when he blazed a passout from John Purrier into the cage from approximately 100 feet out.

Officials Duncan Campbell and Gravelle handled out a total of fifteen penalties, all minors, with the Legionnaires being on the receiving end of eight.
