

Red Sox Dump Independents 4-1 Behind 1-hit Pitching

Joe Bernard's Red Sox defeated Laysh Schurman's Independents at Queen Elizabeth Park last evening in a six-inning game by the score of 4-1.

Eddie Boates, young Red Sox pitcher, all wed only one scratch hit in the four and one-third innings he pitched. He was relieved by Ira Pidgeon after he was "two in the fifth, and the Kensington boy finished the game without allowing any runs, so the sum total of the Independents' stick work for the evening was the one infield hit by Mark Delaney.

The Red Sox cracked five hits off the veteran southpaw, Gil Williams, who went the route for the losers. Grant Grady, Syd Bernard, Ray Durant, Gord Grady and Don Gill collected a single each.

The Independents, who dropped two games in a row, booted the ball and considered again last night, being charged with six miscues as compared with a solitary boot by the Sox.

The best defensive play of the game was Pidgeon's throw in from right field in the second in-

ning after catching Clark's fly, to nip Delaney at the plate.

MANTLE FAILS TO BEAT SHIFT

Yanks Snap Slump; Bosox Nip Tigers; Pirates Win

The New York Yankees snapped a four-game losing streak Wednes- day with a 10-5 win over Kansas City at Yankee Stadium. Mickey Mantle couldn't crack the defensive shift put up against him by Lou Boudreau.

At Boston, the Red Sox com- bined Sammy White's second two- run single of the game and three runs off tiring Paul Foytack in the eighth for a 5-4 win over Detroit. It was the only other day game in the American League.

In the single National League day action, the first-place Pitts- burgh Pirates coasted to an 8-2 victory over Chicago Cubs on a three-home run attack, including a two-run hit by Dale Long and a three-run blast by Frank Thomas.

TRIM GETS VICTORY

The Yankees, powered by home runs off the bats of Micky Berra and Bill Skowron, mauled five Kansas City hurlers for 12 hits to give Bob Grim his third triumph without a defeat. Mantle got one hit—a first inning single off start- ing pitcher Harry Simpson at bat. Only twice, however, did manager Boudreau employ his new shift on the sixth and eighth innings when Mantle was the first hitter. In each instance, a righthander was on the mound for Kansas City and the switch-hitting Mantle bat- ted left-handed.

In the sixth, Mantle drove a long fly off Ed Burtchey that right fielder Harry Simpson caught in front of the centre field bleacher wall 42 feet away. In the eighth, Tom Gorman, the Athletics' fifth pitcher, threw a third strike past Mickey.

Red Sox right hander Tom Brewer was credited with his eighth victory against a lone set- back but needed help from Ike De- lock in the ninth.

Brewer held a 5-2 lead going into the ninth with a seventh. After fanning Frank House, Tom walked pinchhitter Wayne Belardi and gave a single to pinchhitter Char- ley Maxwell. After Harvey Kuenn singled home the third Tiger run Delock was waved in. Al Kaline singled off the left field fence to make it 5-4 as things got tense.

White pounced from behind the plate on Bill Tuttle's dribbler, and threw to first to end the game.

At Chicago, Roberto Clemente al- so slammed a bases-empty homer, his first of the season, as the am- azing Pirates won their 25th game against 7 defeats to stay ahead in the hot National League race.

Right hander Ron Kline took his fifth decision against three defeats as he scattered five Cub hits. The loser was starter Paul Minner, now 1-5, who was followed by three relievers—Vito Valentini, Sam Jones and Jim Davis.

WASHINGTON (AP)— Wash- ington mauled four Chicago White Sox pitchers for 15 hits, including three home runs by Whitey Herzog and Carlos Paula, en route to a 12-7 victory Wednesday night.

The White Sox shelled Bob Wier- ler for three runs in the first in- ning and chased him, but the Sen- ators picked up a run off Gerry Staley in the second inning and tied the score in the third on homers by Herzog and Paula.

Chicago rebounded with a run off Connie Grob, the winner, in the fourth inning. Senators splurged for three runs against Dixie Howell in the same inning and added six more off Sandy Con- suegra and Morrie Martin in the fifth.

Jim Rivera hit a two-run homer off Grob in the sixth.

BALTIMORE (AP)—The Cleve- land Indians bunched five of their seven hits to score all their runs in two innings Wednesday night and defeat the Baltimore Orioles 5-1. Art Houtteman, starting only the second time for Cleveland this season, got credit for his first vic- tory although Ray Narleski re- lieved him in the sixth inning.

The Orioles scratched only six hits off Houtteman up until two outs in the sixth inning, although he had pitched only 13 innings pre- viously this season.

Houtteman complained of a sore shoulder in the sixth with two men on base and two strikes on Gus Triandos. Narleski blazed the third strike passed Triandos and pro- ceeded to fan four more Orioles to finish the game with only one Oriole able to reach first base on him.

CINCINNATI (AP)—The Cincin- nati Redlegs remained only four percentage points out of first place in the National League Wednes- day night as Frank Robinson and G- Bell erupted with a seventh in- home run attack that led to a 7-1 victory over the Philadelphia Phil- ly.

The Redleg outburst in the seventh came with such a lack of warning that all four runs were in before the Phils could get relief for starter Stu Miller.

Brooks Lawrence got credit for his seventh victory of the season without a defeat although it was he who was taken out in the seventh to make way for Bob Thurman as a pinch hitter.

TIPS ON GOLFING

Try The Positive Approach

BY ALEX MORRISON
Central Press Canadian
Golf Columnist

"The greatest unexplored territory in this world is right under your hat!" 'tis said.

Well, here goes an effort to get under a few golf hats. This busi- ness of succeeding at falling in the job of striking a golf ball is truly a grim proposition; that is if you want to be perfectly hon- est with yourself or have the least bit of self respect. So it follows that you shouldn't ar- range to fail even before you start your performance.

Yes, I mean that you often deliberately plan your failures. In effect you do this whenever you don't arrange to be success- ful. By arranging I mean doing much more than holding a keen desire to be successful. You have to show a strong will and actions along the right lines.

The positiveness of negative- ness of your application is clearly shown in the alignment of your shoulders, arms and hands in your starting position. There is every tendency to favor your right side and slight the left side.

As shown in the photo marked wrong, your right shoulder will be as high or higher than your left. This goes with locked muscles in the right side. Your right arm tends to be stiff with elbow or wrist locked. This locking rep- resents a tension that will greatly increase as your effort to hit the ball progresses. It minimizes any efficiency in your over-all move- ments.

On the other hand favoring the left side affords an entirely dif- ferent picture. The muscles in your left back and arm are ex- tended and made firm without locking the shoulder, elbow or wrist.

The right shoulder, elbow and wrist remain easy and thereby are not so apt to oppose the left side leadership in the backswing and downswing.

Get this picture fixed clearly in your mind by practice in front of a mirror. Then enjoy much more distance and accuracy.

Tony Manero of New York won the United States open golf cham- pionship with a 72-hole total of 282 at Springfield, Mass., 20 years ago today. Fleck winning the playoff by three strokes.

2 Players Drafted By NHL Clubs

MONTREAL (CP)—Only two players were drafted Wednesday as the National Hockey League's annual summer meeting held its intra-league "grab."

Draft price was 15,000 in each case.

Detroit Red Wings drafted Tom McCarthy, leftwinger who played to Saskatoon and Vancouver in the Western Hockey League last season, from New York Rangers.

Rangers drafted Larry Cahen, defenceman who played 21 games for Toronto Maple Leafs last year and 39 with Pittsburgh of the Ameri- can Hockey League, from Tor- onto.

\$19,300 Winner To Buy New Home

ST. JOHN'S, Nfld. (CP)—"I don't look excited on the outside. But inside, oh brother!" George Phillips said Wednesday after learn- ing he won \$19,300 in the Quebec Army, Navy and Air Force Veter- ans Association sweepstake on the Derby at Epsom, England.

Phillips, a 24-year-old tin-smith working in his father's business and his wife will celebrate their first wedding anniversary next week. "Right now we are living with my parents," he said. "The money will provide a home for us."

Some of the money may go to false gold teeth. Phillips plays with the Feildians in the City Hockey League and says he may replace "two or three" teeth knocked out last winter. "I'll be playing again next winter, though," he said.

"There's a million things I could do with the money."

Annual Meeting Concluded Wed.

MONTREAL (CP)—The an- nual summer meeting of the National Hockey League concluded Wednesday with a two-session closed gathering keeping any ma- jor developments to itself.

There was no further word on the proposal that professional hock- ey as a whole take over sponsor- ship of minor clubs, providing a share-the-talent alternative to the present individual sponsorship sys- tem.

It was announced that the annual All-Star game will be played here Oct. 9 with Montreal Canadiens, the Stanley Cup and league champ- ions, meeting the All-Star aggre- gation coached by Jimmy Skinner of the runner-up Detroit club.

No Wins For U.S. In Distance Runs Says John Landy

MELBOURNE (AP)—No Ameri- can will win the Olympic 1,500 or 5,000-metre races at Melbourne, John Landy said in a special inter- view in Monday night's Melbourne Herald.

But at the same time, the Aus- tralian world beating miler said nearly every potential American team member was a potential medal winner.

Landy claimed American ath- letes do not train hard enough. "The basic requirement for dis- tance running is physical fitness obtained through a daily routine of running," he said. "Life in America is very complex. For the high school boys, there are so many things to do. So many of them have cars that a rigid routine would have little appeal."

Landy also said American stars pull out of athletics too soon at an average of 25 years of age, where many European stars carry on well after 30.

Right Team, Wrong Music

VANCOUVER (CP)—The Ever- ton soccer team arrived here Tues- day to the strains of the wrong kind of music.

The team from northern England was greeted by four bagpipers. Everton plays here Saturday against a team for which the music would have been more ap- propriate—Aberdeen, Scotland.
