Neutralize Acids In Your Stomach

GET RID OF INDIGESTION
 Few people realize the importance of keeping the stomach free from excessive hydrochloric acid. Yet Acid Stomach is the cause of nine-tenths of all stomach trouble. The food sours and ferments bringing on Gas, Heartburn, Bloating, Indigestion, and the stomach pains that every sufferer knows so well. Pepsin and artificial digestants are not needed. They give only temporary relief and often do great harm. Neutralize or sweeten the stomach acids after eating with a glass of warm or hot Magnesia water. A teaspoonful or four tablets of pure Bismarck Magnesia to a glass of water is all that is required. Get a few ounces of Bismarck Magnesia from any reliable druggist and try this for a few weeks. Eat what you want and enjoy your meals.

Do you know what a "renovated" mattress is

A WOMAN has a right to assume that a new mattress, just delivered, is as clean and wholesome and sanitary as fresh laundered bedding.
 But many of them are not. Scraps, odds and ends, "renovated" materials have been used by unscrupulous makers.
 Plainly—"renovated" mattresses are made out of second-hand materials. Discarded mattresses pulled apart—"cleaned"—remade. Many of them from sickrooms, hospitals and institutions.
 Simmons Limited has its own code of Pure Bedding Laws. Simmons Mattresses are Built for Sleep. Built of pure, clean, new cotton. Wholesome, sanitary.
 Delivered untouched to your home in a sealed carton roll, wrapped at the factory. Dependably clean throughout.
 Your choice of five styles—distinguished by Labels of different color—at a popular range of prices.

- Purple Label, \$40.00
- Blue Label, \$25.00 Green Label, \$16.50
- Red Label, \$21.00 White Label, \$10.50
