NEW YORK

NEW YORK (AP)—The stock market experienced what the experts call a correction Friday. However, the price decline, as the public calls it, failed to amount to much.

Most losses of key issues were fractional and volume, although below the speedy pace of the last week, was still ahead of the average for the year to date. Numerous stocks were up a point or two.

The Dow Jones industrial average, which on Wednesday crossed the 650 line for the first time in six months, dipped a shade below. The closing was 649.30, off 3.31.

Volume was 4,570,000 shares compared with 5,810,000 Thursday.

Motors, metals and oils finished mixed.

The Associated Press average of 60 stocks declined .7 at 240.4.

Among Canadian issues, Walker Gooderham was up ½ and Distillers Seagrams ¼. International Nickel gained ⅜, Hudson Bay Mining ½ and Dome Mines ⅛. Aluminium Ltd. was off ½, McIntyre Porcupine ½ and Canadian Pacific ¼.

American Stock Exchange prices were mixed on volume of 1,440,000 shares. Jupiter Corp. was off ¼. Brazilian Traction gained a fraction.

HEY FELLOWS - - -

I've Got A Job!

I HAVE MY OWN NEWSPAPER BUSINESS

HERE'S HOW I GOT IT - - -

Dad was always telling me about when he was a boy and had a newspaper route.

How he learned - - - -

To make and save money,

To sell and keep records,

To work with people and fellow carriers

So - - - - -

I dropped in to see the Carrier Supervisor at the Guardian and Evening Patriot office and found I had the same opportunity as Dad. Now I have a route near home and find the Carriers are a swell bunch of fellows, all anxious to succeed in their first business venture.

The Carrier Supervisor has some new routes opening up and needs more boys. Come on in and see him. Join the team and enjoy the fun of having your own business.
