

P. E. I. ROADBUILDERS ASSOCIATION

1966 SAFETY COMPETITION

August
8 to 19

Endorsement Message

MINISTER OF HIGHWAYS

As Minister of Highways, I heartily endorse the aim of the P.E.I. Road Builders in participating in this National Safety period, August 8 to 19th.

Highways are Happy Ways only when they are Safe Ways. Any effort put forth to eliminate hazards to workmen during construction of our highways, deserve the support of everyone. I would urge other phases of our Construction Industry to follow this example of setting aside a period during which Safe working methods and the use of Personal Protective Equipment receive top priority.

I wish you, the Road Builders Association of Prince Edward Island the best of luck in this competition and may the Safety habits now formed, remain with you.

GEORGE FERGUSON

Minister of Highways.
