"FROM THE GROUND UP"

From the Story by Rupert Hughes

Terence Giluley, a bit of Ireland transplanted in America, sprang up like a mushroom, from a hole in the ground.

He first became valet to a steam shovel, then, concrete mixer, boss of the gang, Asst. Supt., and finally blossomed into a builder and contractor with an office of his own.

A delightful summer Comedy. Cool and refreshing.

Railroad Man Gives Details About Change

Moncton Citizen Says Taniae Made Her Wife Picture of Health and Fully Restored Her from Stubborn Stomach Trouble

"A month ago my wife was so weak she could hardly do the housework but Taniae made her well and strong again," said Maurice Como, 14 Summer St., Moncton, N. B., well known employee of the Canadian National Railroad. "For a long time she had been in a run down condition generally. She had no appetite and was all the time complaining of being weak and tired out. Then she caught a severe cold and it seemed to affect her whole system. Her stomach became so badly disordered she would bloat up awfully and have pains around the heart. At times she would break down while doing the housework, an had to give up and go to bed.

"Well, three bottles of Taniae made her just like a different woman. She can now eat anything she has gained weight, has a good color and never has a headache or dizzy spell. I want to join her in speaking in a good word for Taniae."

Taniae is sold by all good drug-gists.

All kinds of huffs will be placed in the "Barnet"—the door will be locked sealed, and after several days will be opened. The pub. invited to watch this demonstration and to see by practical how the "Barnet" preserves food.

A similar test made, the following foodstuffs, etc., being locked up for 48 hours, —from Saturday morning until Tuesday afternoon:

- 1/2 lb. Lymburger Cheese.
- 1/2 lb. Creamery Butter.
- 1/2 lb. Canadian Cheese.
- 1/2 Dozen Bananas.
- 1 tray Sliced Onions.
- 1 Boiled Lobster.
