

"Once upon a time...

Many years Ago..."

One hundred years ago...to be exact, the firm of R. T. HOLMAN, LTD. was established in Summerside; and since that time has become synonymous with quality, dependability and fine service.

The fact that HOLMAN'S has always had its headquarters right here in Prince Edward Island, to serve both rural and urban areas makes us a uniquely "home-town" sort of organization...with a thorough knowledge of the individual needs of our customers...! right here, right now. No matter if you live in a town-house or a farm-house; no matter if you're looking for a cream separator or a can of imported snails you can be sure that HOLMAN'S has itand in a rare case if we don't, we'll get it for you!

HOLMAN'S is grateful for the wonderful loyalty and confidence the people of P. E. I. have given us over the years. We're ever seeking to give you finer service; and to keep pace with the times. In the future, we plan to be constantly on the alert, to bring you even better buys... to make shopping at HOLMAN'S even more fun!
