FOR DRILL.—No. 1 Battery, G. A., will meet for drill this (Thursday) night at 8 o'clock.

I. O. O. F.—The Initiatory Degree will be conferred at Willey Lodge to-morrow night.

SPECIAL MEETING.—There will be a special meeting of the Salvage Corps this (Thursday) evening, at 8 o'clock, sharp. By order of the Captain.

PERFECTLY DRY.—After all the rain that we have had the track at the Trotting Park is perfectly dry to-day.

TO CORRESPONDENTS.—The letter of "W. P." has been referred to the proper authority, the name of the writer being, of course, withheld.

MUSIC ON THE SQUARE.—The Citizens Band will play in the Gardens this evening at the usual time. This night week the band will give their last concert this season.

FOOTBALL.—There will be a meeting of the Abegweit Football Club at the office of Stewart & McNeill, on Friday evening, 19th inst., at 8.30 o'clock.

MASONIC.—The brethren of Victoria Lodge, A. F. & A. M., will remember the meeting this evening, at 8 o'clock, to confer the first degree. Please be punctual.

OYSTERS.—We learn from the Summerside Farmer that there were 647 barrels of oysters taken away by the St. Lawrence on Wednesday morning, and 239 by the M. A. Starr a little later in the day—836 in all. The M. A. Starr had also on board 765 bushels of oats.

REGATTA.—All members of the Regatta Committee are requested to meet at the S. E. B. C's. room this (Thursday) evening at 7 o'clock, for the purpose of handing in their reports and arranging the programme of races.

CURLING.—The Halifax Curling Club has decided to withdraw from the Maritime branch of the Royal Caledonia Curling Club, the organization under whose auspices the annual bonspiel has been held. There is some talk of forming a Provincial branch.

SHIP NEWS.—Brigt. Elrica, Brown, master, arrived at Boston, on Sept. 13th, from Humberston, P. R.

The barque Charbel arrived at Liverpool on the 15th inst., making the passage in 18 days. She is to go on the berth for Charlottetown.

MUSICAL.—A grand concert of choice vocal and instrumental solos, will be given by the Rev. Mr. Lloyd and H. L. Heartz on Thursday, Nov. 6th, in the Philharmonic Hall. A very fine programme has been selected, which will be sure to please all. A musical evening with such capable artists ought to attract an audience of large dimensions.

CELLARS FLOODED.—The heavy rainfall of the past three days flooded several cellars throughout the city. In some cases so great was the depth of water that it worked its way up through the floors, and in at least one case the earth surrounding the cellar caved in and some of the sills under the building were swept away.

HEAVY RAINFALL.—The almost continuous rainfall of the past three days was the greatest the Province has experienced for many years. Between 9 o'clock last night and 7 this morning over 5 1/2 inches fell on the level; and 6 inches fell between 9 yesterday morning and 9 this morning. The fall yesterday was one inch. The rain interfered greatly with harvesting operations.

KENSINGTON HALL.—To-night Mr. Sutcliffe will give another of his popular talks, subject: "Friendship." If this is equal to the one he gave on "Dress" it will well repay anyone to put himself to some inconvenience to hear it. The service commences at 8 o'clock. The contract is given for enlarging the hall which, when finished, will seat 450 people. The "Willing Worker Band," acting under Mr. Sutcliffe's directions, are delighted with their winter prospects. They intend holding "cottage meetings" in various parts of the town. "If people will not come to you, then you must go to them," seems to be their motto.

SCOTT ACT.—Henry Jordan, of St. Peter's Road, appeared before William Heard and William Brown, J. P.'s to-day charged with a first contravention of the Canada Temperance Act. Twenty-nine witnesses were summoned to appear against him, eleven of whom were females. After taking the evidence of eight witnesses, a fine of \$50 or two months imprisonment was imposed. The prosecution was brought by Marshal Cameron Mr. R. E. Fitzgerald, Q. C., conducted the case for the prosecutor, and Mr. Jas. H. Good appeared for the defendant. A new summons for a third offence was served on a Richmond Street man yesterday. It is returnable to-morrow.

AQUATIC.—We understand that the Regatta Committee are communicating with Ross, Dalton and McCormack, single-scuttlers of St. John, and Lovett, champion single-scuttler of Halifax, with the object of having the four best single scuttlers in the Maritime Provinces rowing at the 1st of October next. We hope that the Committee will be successful enough in their canvass for subscriptions to enable them to offer prizes large enough for those scuttlers to compete for.

A despatch to the Regatta Committee, from Elijah Ross, St. John, announces that the four-oared crew from that city will row in the Regatta to be held here on Wednesday forenoon, the 1st of October next. This may be looked to as one of the greatest races every held in Charlottetown.

RAILWAY CHANGES.—We understand that a number of changes have recently been made among the station masters of the Island Railway. Mr. H. C. Brownell, who for a number of years has been stationed at Souris, has resigned, and Mr. D. A. Lawson, of St. Peter's, has been transferred to that place. Mr. W. A. Chiverie, of the Summerside office, takes Mr. Lawson's place at St. Peter's. Mr. R. E. Bagnall, of Cape St. Peter, has also resigned to take a position on an American railway, and Mr. P. C. Murphy, of Bloomfield, has retired from Railway life to enter upon the study of medicine. Neither of the latter positions have yet been filled. The above are all well-known railway men, and while we regret to lose Messrs. Brownell, Bagnall and Murphy from their accustomed places on our railway, we wish them a full measure of success wherever they may locate, and we congratulate Messrs. Lawson and Chiverie on their promotion.

LETTERS TO THE EDITOR.

A Railway Matter.

SIR,—About fifty excursionists left Tignish and Alberton yesterday morning for the Futurity Race at Summerside. When they arrived at O'Leary it was currently reported by the crowd assembled there that the race was postponed. The station-master there and conductor refused to sell any more tickets at excursion rates. Fair enough. But what about those who had bought tickets and were that far on their way? They should have been notified by the conductor and given a chance to return by the express from O'Leary, or some understanding should have been made to carry out the provisions of the railway advertisement. Mr. Unsworth has always shown a disposition to deal fairly with the public, and we trust he will either refund the dollars to those who bought tickets or give them a free pass to Summerside the day the race takes place. The station-masters west of O'Leary will certainly remember the parties to whom they sold tickets on the morning of the 16th. Trusting that when the attention of the authorities is called to this matter that they will deal fairly with the public, I remain, yours, &c.

A TICKET BUYER. Alberton, Sept. 17th, 1890.
