Hockey Meeting Monday

There will be another attempt made this Monday night at the Charlottetown Legion home to come up with some form of hockey entertainment for Island Hockey fans in the coming season. The Charlottetown Forum is expected to be in operation in the first week of November and Summerside rink activity will likely be getting underway at approximately the same time.

At a meeting which was held at the Charlottetown Legion home on Wednesday, September 23, the idea of an Island hockey league was tossed around, but those present at the last meeting felt that all Island centres should be given another chance to send a representative before an executive was selected.

The idea prevailing at the previous meeting was that teams from: Charlottetown, Summerside, Kings County and possibly a team from the RCAF station in Summerside, would form an Island league. We have heard it mentioned that this is not such a good plan due to the fact that Charlottetown would have the pick of the crop and thus spoil the balance of the league.

We think that the proposed executive committee should be invested with the power to deal with a situation such as this. The committee should have the power to change players from one team to another if they feel one team is out to dominate the league and thus destroy the fans interest.

It has been mentioned elsewhere where Summerside doesn't have the potential to compete in a league with Charlottetown, as they were just able to defeat Johnny's Flying Hawks in last year's campaign.

We agree that if a Charlottetown team were allowed to pick the best talent available including the best from St. Dunstan's University and put them on one team they would probably be capable of dominating the league, this could be guarded against by an executive; and we don't think that Summerside had anything to be ashamed of by being just able to shade the Flying Hawks.

The Hawks had Ralph 'BOO' Shepherd and Darrell Pollock patrolling the blue line in their playoff with Summerside and think this is about as rugged a defence corps as you will come up against in the Maritimes.

Shepherd was a big gun on defence with the Amherst Ramblers when they were lording it over the NSSHL and Pollock was a top performer with the Moncton Beavers at the same time. Since then Darrell has starred in the Maritime Intercollegiate hockey league.

Up front the Hawks had Don 'Gunner' McCormack who was a regular with Sandy's Royals; Joe Arsenault and Lloyd Blanchard who performed with Myron Bell's Old Spain Penguins in previous years.

Besides the players mentioned who were campaigning for the Flying Hawks they had a group of not so well known players who never the less were hungry to play hockey. John Reid told us that on several occasions his players had arranged to get off work to attend practice, and this is the type of spirit that goes to make a team tough to beat.

Summerside should have a considerable amount of young talent to sprinkle among their veterans considering that their Canadian Legion junior team captured the Maritime junior crown, last season.

We think that although a league like the Prince County league of last year will satisfy a small percentage of the Island's hockey fans, the majority would prefer to watch the best calibre of hockey available.

The meeting is scheduled to get underway at 8.30 p.m. on Monday night and anyone who is interested to aiding the Island hockey scene is invited to attend. Last year there was no registered league on the Island. Summerside RCAF station has been contacted by Charlottetown representatives and an official of the RCAF said they would try their utmost to have a representative attend Monday night's meeting, but that the arrival of the Queen might make it difficult.

Tid Bits From Here And There

The 1964 football season will swing into action this afternoon at the St. Dunstan's campus when Ed Hilton's Varsity Saints will come up against Stadacona Sailers in the Saints opening game of the year. The Saints will be the underdogs going into today's battle as the Sailors are fresh from two victories over Shearwater and are being touted as top contenders for the Atlantic Football Conference championship.

The Saints although a little short on weight and experience have been working hard for their opening tilt and are keyed up for the tilt. Kickoff time is set for 1.30 p.m. The Saints will have 28 men dressed for the battle and 17 of these will be Islanders, the largest number of locals on any team in the Atlantic Football Conference this season.

Following the Varsity game the St. Dunstan's High School team under the coaching of Ian MacDonald and Parker Lund will tangle with the Montague High School team in an Island Interscholastic Senior 'A' battle.

The New York Yankees are sporting a 2½ game lead over Chicago and Baltimore, at the time this column went to press, and they have three games left to play with the Cleveland Indians.

Chicago has four games left with the lowly Athletics and the Orioles have two tilts left to play with the Tigers.

On the National League scene Cards are ½ game out in front of the Cincinnati Reds who are in turn 2 games up on the third place Philadelphia Phillies. The Cards have three games left while the Reds and Phils each have two games remaining.

Our best wishes to Vern Handrahan and his bride, Anne Bradley, who will wed this morning at St. Dunstan's Basilica. The newlyweds will leave sometime next week for the Dominican Republic where Vern will take part in professional baseball's Winter League in that country. Vern saw action with the mound staff of the Kansas City Athletics earlier this year.

Quiet, old St. Louis has gone pennant crazy over the Cardinals. They look on it as a birthday present for the city's 200th anniversary.

So sure are the fans that the Cards will win the flag that hundreds lined up at the main post office shortly before midnight Wednesday to mail their ticket requests for the World Series. Thursday was the first day ticket applications were accepted. By Friday afternoon, the Cardinals had received more than 100,000 requests. Many will be disappointed. Busch Stadium holds only about 22,000.

Toronto Argonaut coach, Nobby Wirkowski is all smiles these days. He feels the win over Winnipeg and his club's performance against the Calgary enabled the Argos to regain their confidence.

Speedy Scott, expected to repeat this season as Harness Horse of The Year, will try next Friday to break the world's trotting record of 1:55 1-5 for the mile set 26 years ago by Greyhound. The race will be against time, said an announcement Friday from Castlton Farms, Lexington, owner of Speedy Scott. The four-year-old trotter will be paced by two thoroughbreds.

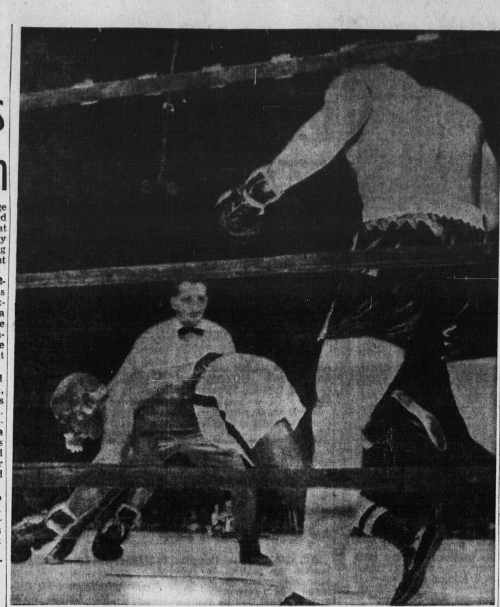
Chuvalo KO's Jones In The 11th

NEW YORK (AP) — George Chuvalo of Toronto stopped Doug Jones in the 11th round at Madison Square Garden Friday night and became the leading contender for the heavyweight boxing title.

The end to the scheduled 12-rounder ending the Garden's new series of non-televised boxing came suddenly. Jones, a 184-pound New Yorker and the favorite, was ahead by a comfortable 6-5-1 margin when the Canadian champion brought about the unexpected ending.

Standing head to head and fighting out of a crouch, the 211-pound Chuvalo hit Jones with a left to the stomach. Jones reeled backwards. Chuvalo followed up quickly with a solid right that drove Jones into the ropes. As he bounced off, Chuvalo landed another hard right and Jones sprawled to the canvas.

He was up at six, but had to take a mandatory eight count. When Chuvalo attacked savagely and again drove Jones into the ropes, referee Art Mercante stopped the action.



CHUVALO DOWNS JONES BOY

Doug Jones heads for the canvas as he is knocked down by George Chuvalo in 11th round of scheduled 12-round heavyweight elimination bout in New York's Madison Square Garden last night. Jones, of New York, got back up and referee Arthur Mercante later stopped fight at 1:23 of the 11th round. It was a technical knockout victory for Chuvalo, of Toronto, Canada.

Racing Card Goes Tonight

The Charlottetown Driving Park will present another of its fall racing programs tonight with an eight dash card set to leave the wire at 7.45 p.m.

The main attraction on the card will be the fourth and eighth dashes which will have eight entries leaving the wire in an attempt to capture top money. The field will include; Dennis Herbert, Miss Jo Jo, Countess Alice, Roger Parlay, Stalag Hanover, Helen's Dream, Port Hill Boy and Mr. McElwyn Key. Stalag Hanover looks like the best bet in this class.

Tonight will be ladies night at the local raceway and all ladies will be admitted free.

Sir Smart and Babe Clegg appear to be the top betting choices in dashes two and six. April Rolling going away on the rail looms up as the horse to beat in the third event and Billy G. Command will probably offer some stiff competition in the race to the wire in this class.

Entries in the first and second dashes will include: Brown Budlong, My Lady R, Toast Girl, Vernita's Pet, Eleanor Patch, Mighty Brenda and Coltnick. Vernita's Pet will likely be well liked by the patrons of the pari-mutual in the curtain raiser.

Bill Herman Gets Contract

BOSTON (AP) — Billy Herman, who has waited for a second chance as a major league baseball manager, was given a two-year contract Friday to improve the sagging fortunes of Boston Red Sox.

Mike Higgins, vice-president and general manager of the American League club, announced officially at a press conference Johnny Pesky had been fired and Herman would replace him.

It has been widely reported that Pesky was on his way out and that Herman would take over.

Herman's salary, not disclosed, is estimated at $25,000 a year.

Herman played a gilt-edged second base in the National League from 1931 to 1946.

Varsity Ball Club Meets Stadacona

It will be a case of youth with speed and desire against veterans with size and experience. This is the way the St. Dunstan's Saints - Stadacona Sailors encounter shapes up today in what will be a crucial game for both teams. In their two games played thus far, the Sailors have conquered twice, both games at the expense of the Shearwater Flyers. The Stadacona club is rated as a contender for first place in pre-season forecasts, mainly because of their weight along the line and their experience. Under their new Coach Ed MacLeod, the Sailors have shown a marked improvement in offence and defence.

Meanwhile, in the St. Dunstan's camp, Coach Ed Hilton is non-committal about today's game. "Sure the first game of the season is important," he said, "from the last couple of years, we have started the season on the road, and the results weren't always the best. Before our own fans, though, I think we'll do better."

Asked about his rookie filled lineup and the large number of Islanders on this year's team, he said, "This is a turning point for football here. These high schoolers will have a rough year, perhaps, in their first season of college ball, but they are showing plenty of enthusiasm and they want to play."

VINCE MULLIGAN

He said that the team had been handicapped by late arrivals, but that he was satisfied with the way things turned out. "We have a line that averages between 190 - and 195, which isn't too bad. Our backfield is lighter, of course, but they're all experienced."

Hilton announced his starting lieunp will be as follows: Dave Morton, 225, centre; at guard, Ronald Cote, 190, and Bob Hickey, 183; tackles Bruce Garrity, 205, and Vince Fisher, 190; and ends Ed Lawlor, 162, and Allan Connolly, 175. In the backfield, John Driscoll 202 will start at quarterback; Wes MacAleer, 175, at wingback; Jim Griffith, 180, and Dave O'Brien 170 at halfback; and Mike MacPhee, 190, at fullback.

His defensive club will include Vince Mulligan, Cyril MacDonald, Dave Phalen, Steve Clarkson, John Rodgers, Don Chandler, Ken Hubley, Harry Gaudet, and Bruce Kinsella.

Other games on tap today throughout the circuit have Acadia Axemen at Mount Allison; Dalhousie at Shearwater; and St. Mary's at St. Francis Xavier.

Housewife Cashes Big Win

DETROIT (AP)—A 23-year-old housewife from Windsor, Ont., who was at a thoroughbred track for the first time in her life, was reported Friday by the Detroit Race Course to have been the holder of Thursday's twin - double worth $48,555.40.

The track identified her as the mother of a two-year-old son and said she was paid by check, but it refused to disclose her name. The track's publicity department said the decision was made "higher up," after she requested her name not be divulged.

The track allowed the U.S. Internal Revenue Service to take $7,283 in income taxes, but quoted the woman as saying the remainder would not be taxable as a capital gain in Canada.

The woman's winning combination, made up of four long shots, was 3-3-6-3.

The track quoted her as saying "we paid our taxes last week and had just $5.50 left in our bank account. I've been doing work at home as a typist to earn a little extra money. I was tired of the routine and decided to give myself the day off."

Maritime Racing

SYDNEY (CP) — Three double winners and a healthy daily double featured Friday night's harness racing card at the sports Centre here.

Double winners, with their times, were Fancy Tag (2:18, 2:18 3-5), The Dairyman (2:14 4-5 and 2:14 2-5) and Uncle Mike (2:13 2-5 and 2:15 2-5).

Single winners were Stone Haven (2:14 4-5) and Sir Harlem (2:14).

The daily double combination of Fancy Tag and The Dairyman returned $364.80.

Smith Thinks Cardinals Will Give Yankees Battle

By JOE REICHLER

ST. LOUIS (AP) — The St. Louis Cardinals currently are the strongest team in the National League. They would give the New York Yankees a whale of a battle should they meet for the world championship.

This is the professional opinion of Mayo Smith, former National League manager and now a top sleuth for the American League defending champions.

Smith has been observing the Cardinals for the past two weeks and, except for pitching, regards the Redbirds as a stronger team than last year's Los Angeles Dodgers.

Any reminder of the Dodgers' four - game sweep of the Yankees in the 1963 World Series still brings a painful look into Smith's eyes but he sees no danger of such a repeat this year.

"Of course, I'm speaking a bit prematurely," Smith said. "After all, neither team has yet clinched the pennant."

HAVE STRONG PITCHING

"The Cardinals have strong pitching but it is not in the same class with that of the Dodgers of last year. It will be a long time before any club will come up, in any given year, with a big four such as Sandy Koufax, Don Drysdale, Johnny Podres and Ron Perranoski.

"Those four simply overpowered the Yankees in the last World Series. The kind of pitching these fellows produced against us occurs only once in a lifetime."

Smith rated the rest of the Cardinal team far superior to the Dodger champions of 1963.

"At the start of the season," said Smith, "the Cardinal outfield presented the biggest question mark. But the addition of Lou Brock and Mike Shannon shored up that weakness. The team didn't really move until Brock was acquired from the Chicago Cubs in mid-June.

WAS A BIG HELP

"Shannon, brought up from the minors, has been a big help too.

"So has relief pitcher Barney Shultz. That old guy (he's 38) has been a sensation during the last six weeks."

Smith rates the Cardinal infield of Bill White, Julian Javilier, Dick Groat and Ken Boyer as the best in the National League.

"I'd hate to have to pick the most valuable player in this league," he said. "I'd have trouble deciding among Boyer, White and Curt Flood.

"Flood has played centerfield as well as anybody in the league, and that includes Willie Mays of the Giants. That little fella has no fear of the fences. And there's no use talking about his hitting. Those two hundred and some odd hits of his speak for themselves."

SECRETARY DIES

CANBERRA (Reuters)—Ray C. Maley, 51, press secretary to Australian Prime Minister Sir Robert Menzies, collapsed and died Tuesday night at Parliament House. He was appointed press secretary to Menzies in 1961 after serving for five years as press secretary to the Australian Embassy in Washington.

SPORT IN KING'S

Eagles Win Championship; Football Season Underway

Georgetown Eagles are the Island Rural Intermediate champions. And if my memory isn't failing, it's the second year in a row that they have topped other teams. Their opponents from Tignish couldn't do a thing in the County capital, and the Eagles won a double-header on Sunday past by scores of nine to three, and fourteen to five. They won the series three games to one, having split a double-header the previous week in Tignish.

Buddy McCullogh, who's been unbeatable in King's County this year, had little trouble in the first game, allowing eight hits, did not issue a walk and struck out eight. And Allie MacPhee was quite capable in the second game, going all the way giving up only four hits, walking seven and striking out a total of eight. Both pitchers were also adept at the plate with McCullogh getting two hits in the first game, and in the second game, Allie aided his own cause, with four hits, including a home run in five trips.

The Eagles will now advance to the Maritime semi-finals. Who their opponents will be is not known, at least by me when I wrote this column. Naturally it will be against either the Nova Scotia or New Brunswick winner. It will be played on weekends and the games, or games will probably be played this week-end.

The King's County League semi-finals got underway last Sunday and the Bombers from Peakes upset the Mt. Stewart Huskies in the first game of a best of three series. It was a one run win and the second such victory in a row in this manner, by the Bombers over the Huskies. In their last meeting on the schedule the Bombers won 3-2 in eleven innings. Fred Handrahan, the old pro of the team went all the way, and although he got into a few jams, he proved equal to the occasion.

The series resumes this Sunday afternoon, and both teams will probably go again with their aces, Drake in an attempt to entey the finals, and Mt. Stewart in an effort to prolong the series. So, it's another duel on Sunday, Fred Handrahan versus Art "Big Scot" Coffin. Be there.

The football season opened in Souris on Wednesday with Souris Regional hosting Montague and good hosts they proved to be, with Montague edging out a 13-12 victory in an exciting game. Play was sloppy at times, on both sides, but, it was the first game for both teams, and both coaches used it for test purposes for the season ahead.

Souris opened the scoring when David Gallant passed to Peter Grant for an eight yard touchdown. Later in the quarter, Bob Herring kicked a thirty-five yard rouge and followed it a few minutes later with a short touchdown run to give Montague the lead. That ended the scoring in the first quarter, and, actually ended the scoring until the final quarter.

With about five minutes left in the game, Eugene MacDonald ran thirty-two yards for a Souris touchdown. Monta g ued could gain little yardage and were forced to punt to Souris, who recovered deep in their own territory. After getting out past the twenty, their attack bogged down, and a fumble, with Montague recovery gave Montague possession, and they used it to get a touchdown, and win the game by a score of 13-12.

Both teams have a lot of holes to plug before playoff time rolls around. Montague is entered in Senior "A" and will play their first league game on Saturday afternoon when they visit SDU. The other teams in this group are PWC and Summerside. Souris are the defending Senior "B" champions, and other entries are from O'Leary, Tignish, Alberton and Kinkora.
