GOOD ADVICE.—Enjoy the moonlight on the water this evening.

MOONLIGHT EXCURSION.—This evening. Good evening, isn't it?

SENIOR MAGISTRATE'S COURT.—This forenoon Peter Brogan, drunk, was fined \$2 or 8 days.

ALBERTITE.—It is stated and believed that an albertite mine has been discovered at Parrsboro, N. S.

A SECRET.—The secrets of much success in this world are cash, confidence, cheerfulness and constancy.

FOOTBALL.—There will be a practice game at Victoria Park to-morrow afternoon, at 4 o'clock. All football players are invited to come out and take part.

EXHIBITION NOTES.—Yesterday, (market day) quite a number of entries were received in the Live Stock Class, which indicates that exhibitors are alive to the advantages which follow being on time.

TO THE DEAF.—A person cured of Deafness and noises in the head of 23 years' standing by a simple remedy will send a description of it free to any person who applies to NICHOLS, 30 St. John Street, Montreal. 4m—114

DEATH BY LIGHTNING.—We regret to learn that a son of Mr. John Rodd, of North Wiltshire, was, a few days ago, instantly killed by lightning in one of the Western States. We sympathise with the bereaved parents.

BOSTON STEAMER.—The steamer Worcester arrived last evening. The following is a list of the passengers: Miss Ford, Miss Todd, Mr. W. T. Farrell, Miss Farrar, Mrs. Livingstone, Mrs. McIntosh, Mr. C. A. Burke, Mr. J. Cunningham and wife, Messrs Carver (2).

EXHIBITION NOTES.—Exhibitors of home manufactured articles, not included in prize list, are requested to apply for space on or before Saturday next, the 22nd inst., in order, if possible, that room may be provided for their exhibits.—A. McNeill, Secretary. sept19 3i

BOLD HIGHWAY ROBBERY.—A horse and carriage standing at the Union House corner, last evening, was taken and driven away by some impudent scoundrel. The horse was found this morning near the residence of Edward Dayfield, Esq., having evidently been driven hard during the night. The police are now on the track of the thief.

TARGET PRACTICE.—The annual prize target practice of No. 2 Battery, under command of Capt. J. Longworth, takes place to-morrow afternoon at 1 o'clock, at Kensington Rifle Range. Through the kindness of some of our leading merchants, quite a number of handsome prizes have been contributed. The Battery Challenge Cup will be carried off by the best shot.

AN ACKNOWLEDGMENT.—Mr. R. Harris' picture, "The Fathers of Confederation," is on exhibition at Toronto. The Mayor of Toronto says that "this city owes a great deal to Sir John Macdonald and Sir Hector Langevin for their allowing that fine picture, "The Fathers of Confederation," to be at our Exhibition. It is a most unusual privilege and we should appreciate it. This picture is carefully guarded night and day."

PRINCE COUNTY EXHIBITION.—Owing to the harvest being so late the Commissioners for the Prince County Exhibition have extended the time for holding their show until Tuesday, the 16th October. This will give the farmers ample time to complete their harvest and prepare well matured exhibits. The exhibition will be followed by five races on the Summerside driving park on Wednesday, the 18th. The Summerside race course is one of the best in the Lower Provinces. Summer-side may, by this arrangement, safely count upon two good days sport on the 16th and 17th October.

TARGET.—The annual matches of the Queen's County Rifle Association will be held on Wednesday, 20th Sept., inst., on Kensington range, commencing at 8 o'clock a. m. sharp. The first match will be 200 and 400 yards, five shots at each range, with sighting shot. A new feature has been introduced in the matches by way of team prizes. Before the commencement of firing, any company may enter one or more teams of three; entrance fee, 50 cents per man. Prize to be decided by highest aggregate through all the matches. It will not be necessary to wear uniform during these matches.

THE REGATTA.—We are requested to state that the Regatta Committee have had the matter of "the day" under consideration; and while they regret that the regatta is set down for the same day as the Exhibition in Georgetown, they cannot see their way clear to make the change proposed by our correspondent. It is important that the regatta should be held on a day on which competitors and others from the neighboring Provinces can come on the day previous and go on the day after; and market day would not suit the merchants who have contracted largely to the Regatta fund; the races in Halifax take place on the Thursday previous; and to postpone it a week would seriously endanger the success of the regatta on account of the lateness of the season.

LECTURE.—The Secretary of the Y. M. C. A. has received a communication stating that John R. Clarke has completely recovered from his late illness, and will be in Charlotte town on Friday next. Rev. Dr. Cushing, of New York, while in conversation with John R. Clarke, said: "I want to say to you, unsolicited, that your 'To and Fro in London,' so full of wit, humor and instruction, ought to introduce you to the best audiences all over the country. I have travelled all over the ground you so vividly describe, and I see no reason why it should not be beside Mr. Cushing's best efforts in our best lecture course. Remember that John R. Clarke gives the above lecture in the Y. M. C. A. Hall on Friday evening, also, 'Gough in Humor and Eloquence,' on Saturday evening. Admission 25 cents. Be sure and hear him.

SAD DEATH OF AN ISLANDER.—A despatch from Malden, Mass., dated Sept. 14, is as follows: "J. Andrew Cobb, a hostler, employed at Hoggan's stable, was killed at the Malden depot at 1.30 this afternoon by being run over by a freight train. Several of the hackmen at the depot were among themselves throwing tom-toms at each other, and Cobb made a jump backward to avoid being struck, and stepped right in front of the engine, which knocked him down. Then the wheels of the train passed over him, mangling his head and body in a fearful manner. He was 23 years old and unmarried." Mr. Cobb was the eldest son of Mr. Samuel Cobb, of this city, and has been working in the United States for five years. He was buried on Sunday last at Waltham, Mass., and his funeral was attended by a large number of friends who were very much thought of. We extend our sympathy to his sorrowing parents, to whom the sad particulars came only last night.

SPECIAL DESPATCHES TO THE EXAMINER.

THE MONROE DOCTRINE.

SENATOR SHERMAN

Wants to See Political Union with Canada.

He Thinks the Olive Branch Should be Offered.

WASHINGTON, Sept. 18.

Senator Sherman delivered a speech in the Senate to-day and opposed granting the President the retaliatory power asked by the latter. He said the time had come when the people of the United States and Canada should take a broader view of their relations to each other than had been hitherto practicable. The whole history of the two countries had been a continuous warning that they could not remain at peace with each other except by political as well as by commercial union. It would be better for all, if the whole continent north of Mexico shared in the prosperity and blessings of the American Union. But the way to union with Canada was not by unfriendly legislation; but by friendly overtures. The true policy of the United States was to render Canada freedom of trade and intercourse, and make that tender in such a fraternal way that it should be an overture to the Canadian people to become a part of the American Government. He saw in the success of that policy much that was good and nothing harmful to any part of the country; nor would there be any difficulties in the way which should deter the Senate for a moment. The institutions of Canada were substantially the same as those of the United States, the people of these countries were, in the main, of the same stock, the proximity of the two countries was such, that while separated they might be enemies, if united they would be friends. The debt of Canada could be assumed without being a burden. Union could only be accomplished with the free and hearty assent of both people, and could not be promoted by controversies on Retaliation. No greater good could be accomplished than by a wise policy to unite Canada and United States under one common government, carefully preserving to each its own local autonomy. With the firm conviction that the consummation most devoutly to be wished for was within the womb of destiny, he was not willing to vote for any measure that was not demanded by national honor, and that would have a tendency to postpone the good time coming, when the union of all the English-speaking people of the continent, from the Rio Grande to the Arctic, should be a fact.

OTTAWA NEWS.

Prospective Starvation at Labrador.

REGISTRATION OF LETTERS.

OTTAWA, Sept. 18.

Several Labrador coast families came up on the steamer Otter from Escuminac Point to escape starvation. Much destitution is in prospect there for the coming winter.

It is understood the Postmaster-General has decided not to enforce in future the regulation under which it has been required that the registration charge made in case of registered letters should be prepaid by special registration stamps. Hereafter, therefore, any letters posted for registration, bearing upon it the ordinary postage stamps of sufficient amount to cover the charge for registration in addition to the postage charged, will be registered and sent forward to its destination.

It is rumored that Lieut.-Colonel Kirkpatrick, M. P., will be asked to assume command of the Governor-General's Foot Guards.

Maritime Press Association.

MONCTON, Sept. 18. The Maritime Press Association met this afternoon, in the city hall, A. C. Bertram, of the North Sydney Herald, in the chair. The three provinces were well represented, Prince Edward Island especially. The Secretary-Treasurer read the names of the old members, numbering between 50 and 60. The probabilities are that this number will be largely increased within the next few days. Committees were appointed to draw up by-laws and report on advertising rates, and also on the best means of dealing with delinquent subscribers. A committee was also appointed to nominate officers. The meeting then adjourned, to meet at Fredericton on Wednesday afternoon, when the different committees will report, and the officers for the current year will be elected.

Welcome Home.

FREDERICTON, Sept. 18.

The Church of England Hall was completely filled this evening to welcome His Lordship the Metropolitan. The proceedings were opened with the Doxology, the audience standing, and then the Chief Justice stepped to the front and read an address. His Lordship was very warmly received on rising to reply. He thanked his people very cordially for their warm words of welcome and they sank deeply into his heart. He was glad to be back among them again, and hoped to live and die in New Brunswick. He referred to the many marks of progress everywhere visible in the Church in England, and he failed to observe any works of disestablishment. In concluding, His Lordship said he had freshly enjoyed his trip, and came back refreshed and invigorated.
