

# Year's Progress Is Reviewed At Society's Annual Meeting

Graced by the presence of the society's patron, His Honour, the Lieutenant Governor, F. Walter Hyndman, who was accompanied by his aide, Lt. Commander D. H. Saunders, the 122nd Annual Meeting of the Prince Edward Island Auxiliary of the British and Foreign Bible Society was held Tuesday afternoon following a luncheon in the Charlottetown Hotel.

worship conducted by Rev. Charles Townsley of Marshfield. A message of greeting was read from the general secretary in Toronto, Rev. K. G. McMillan, congratulating the P.E.I. Auxiliary on its continuing to have the highest rate of per capita giving to the Bible Society of any province in Canada.

revenue for 1958 in Canada amounted to \$1,078,964, of which \$14,500 was assigned for the society's work overseas, an increase of 25 percent over 1957. Marked increases were noted in the P.E.I. totals both for contributions and book room sales. \$14,500 was sent to the national office from this province, the highest amount on record.

It was announced that commencing in January, 1960, the Society's name would be changed to the "Canadian Bible Society, Auxiliary to the British and Foreign Bible Society, Prince Edward Island District".

Amendments to the Dominion Act of Incorporation are being made at the current session of Parliament. A total of 311,756 copies of the Bible were circulated by the society in Canada in 1958, and 68,000 free copies were given to new Canadians, Hungarian refugees, needy families, etc. The translating work of the society is the greatest in the 155 years of its history and the process cannot begin to meet the world-wide demand for the Scriptures.

The President also announced that the annual report of the P. E. I. auxiliary would be issued bound up with the Canadian report this year as is being done generally across Canada.

**COMPLETE PICTURE**  
Rev. E. M. B. Wheelock, district secretary for New Brunswick and Prince Edward Island, reviewed the year's work and gave a comprehensive picture of the place of the society's mission in the life and work of the church throughout the world. He told a fascinating story of the Tibetan Bible and how it came to be printed for the first time in history.

The treasurer, D. A. Wonnacott, presented a most satisfactory financial statement for 1958 showing marked increases in contributions and collections and the largest amount sent to Toronto offices on record.

As representative to the general board from this auxiliary, Rev. T. H. B. Somers reported on the meetings held in Toronto in March, reviewing in detail the procedure by which amendment will be made to the Act of Incorporation and the changes in the constitution of the national society.
