

Christmas is Right Around the Corner

So don't forget to use your student saver card!

STUDENTS AVER RESIDENCE

INTRODUCTION

Student Saver is your student discount program that offers a wide variety of cost cutters enabling you to save some money while you are in school.

The discounters listed realize how expensive getting an education can be and they want to help out this year with some of the costs.

Student Saver is only one of the services that your yearly CFS membership fee of \$4.00 brings you. Note that only using the card once during a purchase will likely mean getting your \$4.00 membership fee back.

To illustrate: If you buy your sweetheart a \$30 flower arrangement at The Flower Gallery, you will receive a 15% discount which means an automatic \$4.50 saving.

And you've only used the card once! A good return on your investment.

Please refer to this supplemental listing of PEI discounts as there are some errors in the Eastern Guide Book listing. Remember to keep this listing handy throughout the year for easy reference of savings and watch for ADDITIONAL discount promotions as well!

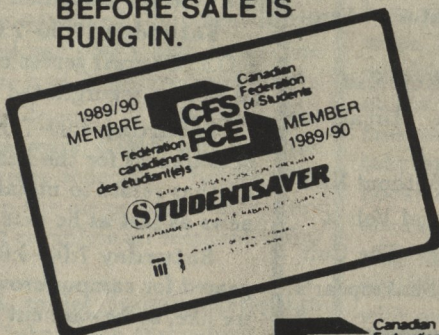

CONDITIONS

1) Discounts usually apply only to regular-priced items. They do not apply to sale items, unless otherwise stated.

2) Discounts at restaurants do not apply to alcoholic beverages.

3) Discounts at pharmacies do not apply to prescriptions.

PRESENT YOUR CARD BEFORE SALE IS RUNG IN.
