

Special Church Services To Begin Bible Week Sunday

Tomorrow is "Bible Sunday" throughout the Island, and special reference to the work of the British and Foreign Bible Society will be made in most of the churches.

For more than 150 years this great Society has been responsible for the translation of the Scriptures in hundreds of languages and dialects and has distributed many millions of copies of the Bible in whole or in part.

Next week in Prince Edward Island rural and urban sections alike, hundreds of men and women representing various denominations will call on the people for contributions for the

buft the canvassing material following the supper meeting. It is expected that Rev. E. M. B. Wheelock, the Society's District Secretary will be present and speak briefly.

Heating System At City Library Now Installed

A new heating system has been installed in the Public Library it has been announced by Library Trustees Chairman William E. Cotton.

The low pressure steam boiler system was installed by Douglas Bros. and Jones Ltd.

In making the announcement Mr. Cotton expressed his gratitude to R. T. Holman Ltd., who loaned a space heater to the library between the time heat from the old Market Building was no longer available, until the library's own system could be installed.

The city and province share heating costs of the library equally. No regular janitor service has yet been arranged.

Pleads Guilty Fined \$150

A resident of Cherry Valley was handed a stiff \$150 fine and costs or 30 days Friday morning at City Police Court when he pleaded guilty to driving while impaired.

The accused appeared before Magistrate K.M. Martin charged with drunken driving but a plea of guilty to the lesser charge was submitted by defence counsel Lester O'Donnell.

Four others appeared on charges of being drunk and incapable. Sentences of 20 days each were handed a Prince Street man and a city resident of no fixed address.

Two others, a New Glasgow youth and an Orlebar Street resident were fined \$5 each or two days in jail.

LOW'S DAUGHTER CHOSEN

EDMONTON (CP) — Sharon Low, 20-year-old junior high school teacher who came to Edmonton from Ottawa, was chosen Tuesday night as Miss Edmonton Eskimo.

The attractive dark-haired girl will represent the Edmonton Eskimo football club in the Miss Grey Cup contest in Vancouver in November. She is a daughter of Solon Low, national leader of the Social Credit party, who now is a school teacher in Raymond in southern Alberta.

Lost and Found

At one time in Old Testament days, the Scriptures were literally lost. Lost of all places — in the Temple, beneath the paraphernalia of pagan worship and the rubble of neglect.

In our modern age too, the Bible has been lost in many places. Sometimes under heaps of material possessions, gathered to prove success; sometimes in places where people go for amusement or to forget life; sometimes in the noise and excitement of a TV set or sometimes stored carefully with the antiques to be admired but never used.

For more than 150 years, the British and Foreign Bible Society has made it possible for millions of men and women to find the Bible for the first time and through it a new way of life. But today the enormous demand for the Book can only be partly met due to lack of funds.

In Prince Edward Island during the coming week, hundreds of devoted men and women of all denominations will be calling on Christians to help in the mission of giving the Word of God to men of all races, colors and creeds — in their own language. This will be our very special opportunity to help some man or woman find God through the Scriptures.

MOMMY, I COULDN'T SEE THE BLACKBOARD

"Has your child ever said to you, 'But Mommy, I couldn't see the blackboard.' Did you ignore his excuse for failing a test, or did you take action?" asked Mr. P. C. Bower, Field Secretary of The Canadian National Institute for the Blind for Prince Edward Island.

"2,000 persons last year in Canada became blind. More than half of these could have prevented their blindness by consulting an eye physician at the first sign of danger."

Mr. Bower recalled a few examples. A little boy threw sand at his sister at the beach — that night the child rubbed her eyes and no one noticed. Days later the little girl was blind. Parents should teach their children that their eyes cannot be replaced and that eye-care is essential.

"Freddy had a crossed eye, Strabismus is the professional term," said Mr. Bower. "His mother thought that crossed eyes straightened themselves in time. But Freddy's eye stayed crossed and because of his parent's neglect he lost the sight of the other eye."

Help The Canadian National Institute for the Blind prevent blindness by contributing to their annual drive for funds, which is now underway.

No Question Of Losing Citizenship In Canada

OTTAWA (CP)—Canada's two Roman Catholic cardinals are in no danger of losing their citizenship by voting in the election of a new pope, a government informant said Thursday.

The Citizenship Act does not provide for the loss of citizenship if a Canadian votes in a foreign state, the informant said.

He was commenting on a Washington story quoting the Protestants and other Americans United for Separation of Church and State, a predominantly Protestant organization, as saying that the three U.S. cardinals would violate American law by voting in the election of a successor to Pope Pius.

The organization contends that the successor to the late Pope will be not only a church leader but the head of a sovereign state, the Vatican. It said U.S. immigration and naturalization laws forbid U.S. citizens from voting in an election in a foreign state.

The two Canadians who will vote in the secret church conclave in the Vatican are James Cardinal McGuigan, Archbishop of Toronto, and Paul-Emile Cardinal Leger, archbishop of Montreal.

OUR BARN
I gave our barn a new white duster.
With black pockets and green cord trim.
No more dull hues just brilliant luster.
Now Sirius winks down at him.

I thought about his gable collar. Away back in the month of June White feather? I climbed, our new ladder.
While there, explored world's courted moon.

Rawhide told me via the wave lengths
That I'd receive the Nobel Prize I waved right back a humble—
No thanks
