## Use Of Nuclear Arms Near In Korean War

NEW YORK (AP)—Former president Dwight D. Eisenhower said Sunday night he was prepared to use nuclear weapons against China during the Korean War and that the Communists' knowledge of this "had a great effect" in ending the conflict.

The former general of the U.S. Army made the statements in a National Educational Television network interview broadcast.

However, Eisenhower said, "I don't mean to say that we'd have used those great big things and destroyed cities, but we would use them enough to win and we, of course, would have tried to keep them on military targets, not civil targets."

Asked about use of nuclear weapons today, Eisenhower said no one would say in a sane mo-

ment that the U.S. should ever make a massive nuclear attack on the Soviet Union—unless the Russians make such an attack on the U.S.

## Missionary Is Scheduled To Speak Here Wednesday

Lew Cass, missionary to Brazil, will bring the address at the seventh annual fall convocation of Maritime Christian College here in Charlottetown. Mr. Cass arrived in the city Monday with his wife and family after five years of missionary work in the central part of that great South American republic. Mrs. Cass is the former Vida Stewart, daughter of Mr. and Mrs. Jack Stewart of Upper Queen Street, Charlottetown. They have four children, three of them born in Brazil.

The convocation of the local Christian College will take place on Wednesday night of this week at 8 p.m. in the building of the Central Christian Church on Kent Street. The choir of the college, under the direction of Mrs. Helen MacRae, ARCM, will be singing special numbers in song. Prizes won by the students last year will also be presented.

Classes at the College began last week with a number of new students present. The opening chapel service was held at noon Sept. 14 with Kenneth T. Norris, president of the college, delivering the sermon, and G.B. Waterson presiding. The first of the weekly fellowship luncheons following the chapel service. Visitors from Lansing, Mich., and Winston-Salem, North Carolina, were present.

A number of new classes are being offered this year, including Greek, Christian psychology and a course in missions to be taught by Mr. and Mrs. Lew Cass.

New students this year come from Charlottetown, Nova Scotia, New Brunswick and Toronto, and a student-instructor from Tennessee. ARCM, Lealie Jones, new minister of the Church of Christ in Montague, is also conducting a class.

## Announce New Healing Substance... Shrinks Piles, Checks Itch

Exclusive healing substance proven to shrink hemorrhoids . . . and repair damaged tissue.

A renowned research institute has found a unique healing substance with the ability to shrink hemorrhoids painlessly. It relieves itching and discomfort in minutes and speeds up healing of the injured, inflamed tissues.

One hemorrhoidal case history after another reported "very striking improvement." Pain was promptly and gently relieved . . . actual reduction or retraction (shrinking) took place.

Among these case histories were a variety of hemorrhoidal conditions. Relief even occurred in cases of long standing, and most important of all, results were so thorough that this improvement was maintained over a period of

many months.

This was accomplished with a new healing substance (Bio-Dyne) which quickly helps heal injured cells and stimulates growth of new tissue. Bio-Dyne is offered in ointment and suppository form called Preparation H.

In addition to actually shrinking hemorrhoids, Preparation H lubricates and makes elimination less painful. It helps prevent infection which is a principal cause of hemorrhoids.

Just ask your druggist for Preparation H Suppositories or Preparation H Ointment (with a special applicator).

Satisfaction guaranteed or your money refunded.
