

A Little Discouraging

JOCK TALK

by Mickey Place

The weekend record is somewhat discouraging as we tied one and lost two games. With the Expo loss we should be discouraged but hope things will go well for us soon. By the way those American telecasters made Canada seem very unattractive as they gave the impression the games were coming from Nome. There is an old expression that the weather men give in the States that makes us

at the half and looked to be on the way to an easy victory. However, Scott Neill booted home two quick ones and a Panther, in the closing minute, was squarely in front of an open goal space from close in but the ball slithered off his foot and missed by inches! (Why are the slithers always anti-UPEI?) We are one point ahead of third place Mount A. We play two at Memorial this weekend while Mount A. also play

a 3-1 victory. Saint Mary's and St. F.X will open the league schedule on Friday and Saturday at the Forum. Let's hope an old expression "The Saints be praised" doesn't hold true!

Although we did ask questions we refrained from comment on a difficult situation in the athletic department believing that the concerned individual would straighten things out (as they seem to

beachball! They do not deserve cheap cracks like this. Neil MacKenzie, one of the most popular people on campus, has been backup goalkeeper for some years. Day in and day out he has attended practises and has been sitting on the bench during games. No glory, just a lot of hard work, but he was needed. Jamie Cudmore came out of JUVENILE hockey and when the recruited goalkeeper wasn't able to play Jamie took a big, big step into intercollegiate ranks. He wasn't the best goalkeeper in the league but he wasn't the worst. We lost games that were not Jamie's fault. He took criticism from fans and press but he stuck it out and played to the best of his ability throughout the season. BECAUSE he was needed. In our opinion Jamie displayed more intestinal fortitude (guts) than any athlete

sound bad, "Cold weather is coming down from Canada". What the Hell we like it here!

Our Lady Panthers lost their last chance for a playoff spot as they dropped a 3-0 decision to division leaders Dalhousie by a 3-0 score. Thus ends another season. Our girls played well all year but seemed to lack a scoring punch and that, my friends, is how games are won. It was the last appearance of Mary Morrison and Patti Bradley in a Panther uniform. They'll be missed. This creates something of a hiatus in women's athletics but, for those interested there is a tryout scheduled for the gym at 7:30 tonight (Thursday) for the Volleyball and you'd be most welcome.

In Soccer we were engaged in two very exciting games against league leading U.N.B.. We lost one and tied the other and were thereby relegated to second place, which position we must hold to make the playoffs. In the first game we trailed 4-1 at the half but made a great rally to tie it up at 4-4. Scott Neill, Allan Stewart, Tom Hogan, and Frank Strahmeier scored for us. Sunday's game was ALMOST a replica as the Red Raiders enjoyed a 3-0 lead

two. We need at least one win although two would be nice. We wonder what sort of discussion is transpiring between Soccer Coach Mulligan and Hockey Coach Hynes. There are no less than SIX players who are engaged in both sports... and play important roles.. Scott Neill, Trevor Crawford, Bob and Peter MacDonald, Mitch Murphy and Tom Hogan. Where will you be this weekend??? In hockey we enjoyed two periods of hockey from our perch as UPEI outplayed Saint Mary's in an exhibition game and, when we left we assumed a win as we led 2-0. However we later learned SMU got one midway in the final period and then with their goalie out in a desperate attempt for an equalizer one of our long shots slithered (once again!) past their goal post and, returning the puck they scored with seconds to go! Had fortune smiled on us it would have been

have done). We thought it most unfortunate that a letter about this was in the Guardian but we think it best to make no comment. We do however, wish to register a small protest against a slur which was put on the abilities of two of our players when the writer claimed that neither of last year's goalkeepers could stop a

in the green and white last year! Hockey seems to be a game in which the forwards get credit when you win and the goalkeeper the blame when you lose. Neil and Jamie: "If you can keep your head while all those about you are losing theirs, and blaming it on you... then you're a man my son." You are both MEN and we dislike adverse criticism of you.
