

# Water, Sewer Line Project For Spring Park Approved

At a special meeting attended by a large number of ratepayers of Spring Park Village held on Saturday evening, a resolution authorizing the Commissioners of the Village to spend the sum of \$3,000 for the purpose of laying water and sewer lines across the Malpeque Road was carried by a unanimous vote.

The chairman of Commissioners, J. Edmund Arsenault, presided. The five other members of the Commission were present in the persons of Commissioners Howard Douglas, Willard Burke, Arthur Grant, Eldon MacLean and Lloyd McNevin.

On opening the meeting, the chairman explained that its purpose was to ask the ratepayers to appropriate a sum of money sufficient to finance the laying of water and sewer lines across the Malpeque Road this coming Spring.

He stated that the Commissioners had spent considerable time in consultation with a provincial authority and a consulting engineer, in connection with this project. It has now been definitely established that the Malpeque Road, as part of the Trans Canada Highway is to be built and permanently paved this coming summer. It also understood that this permanent pavement is to be cement.

**WOULD BE PROHIBITIVE**

It has therefore become advisable to lay sewer and water con-

nections across this highway before building operations get under way as the cost of laying these lines after the highway is completed would be prohibitive. The Commissioners had the approval of the Department of Highways in this matter and were assured of the full co-operation of the officials.

The chairman explained that the financing of this project is given in detail in the resolution to be presented to the ratepayers during the meeting but stated that this project could be paid for without raising the tax rate provided the required reallocated monies earmarked for other projects which are not as urgently needed as sewers and water. He also stated that this was an emergency and that it was hoped the ratepayers would co-operate so that there would not be any delay in obtaining the required materials for laying and backfilling.

**TEXT OF RESOLUTION**

The Village Clerk, Mr. J. N. Roach read the resolution as prepared by the Commissioner. Its adoption was moved by Mr. A. Lewis and seconded by Mr. J. MacAdam. The resolution read as follows:

"Resolved that we, the ratepayers of the Village of Spring Park, assembled at a duly called special meeting, this 23rd day of March 1957, do hereby grant authority to

the Commissioners to spend the sum of \$3,000.00 for the purpose of laying water and sewer lines across the Malpeque Road at points to be specified by a consulting engineer and according to detailed plans to be submitted by said engineer.

"Further resolved that the monies to finance this project be appropriated from the following: \$800 voted to Parklands Fund at last annual meeting, \$700 voted for new sidewalks at last annual meeting, \$500 surplus on the 1956 account, \$300 Federal Grant for 1956 not included in budget, \$700 to be added to 1957 estimates.

**QUESTIONS ASKED**

While none of the ratepayers voiced opposition to the resolution, many pertinent questions were asked concerning details of the work to be undertaken. Queried as to how \$700.00 could be added to the 1957 estimates without increasing the tax rate, the Chairman replied that the 1957 estimates were short of the 1956 estimates by a similar amount. As a result of crossings on the Malpeque Road it was explained that it is the intention to place the sewer main on the West side of the Malpeque Road and that lines would be laid across the highway at St. Dunstons College, Bellevue Avenue, R.C.M.P. Barracks, Dwelling on Experimental Farm, Science Service Laboratory, Allan Street, Young Street, Eden Street and Summer Street. Provisions for water lines were not quite so definite but regardless of the source of water supply, provisions must be made to supply water on both sides of the road.

In answer to a question as to whether a sewer crossing was to be laid on the northern boundary of the Village 500 feet north of Bellevue Avenue or at the Dunstons, the Chairman replied that St. Dunstons University was definitely interested in obtaining sewer service and that the Village Act empowered the Commissioners to supply water and sewer service within and without the bounds of the Village.

In the course of the discussion it was made clear that this project had no bearing on possible future amalgamation with the City of Charlottetown. The plans are so devised that these connections may form part of a separate integrated system and that in any case there is urgency in having them laid before the highway is permanently paved.

Commissioners Howard Douglas and Willard Burke of Water and Sewer Committee also took part in answering the question of the ratepayers.

On a standing vote the resolution was adopted unanimously.

**BIRTHDAY**  
Dr. W.J.P. MacMillan, O.B.E., who was the recipient of many good wishes yesterday on the occasion of his seventy-sixth birthday.

## Sacred Concert Last Evening

A very pleasing Sacred Concert was presented in Holy Name Hall last night by a group of talented Charlottetown artists. Featured on the program was the Basilia Mixed Choir under the direction of Frank MacIntyre, who also acted as Master of Ceremonies.

The concert which was sponsored by the ladies of the Basilia Altar Society was very well attended. Accompanists were Mrs. Joseph Douglas, Mr. Al Blanchard and Sister St. Elizabeth.

The following program was presented: "Jesus, My Savior," Choir; "Bless This House," Reggie Pennington; "All Through The Night," and "O God of Loveliness," The Misses Gertrude, Bernadette and Pauline Doyle; "The Constant Lamp," Patricia Leighton; "Violin Solos," "The Old Re-frain," and "Mighty Oak a Rose," Alf MacKearney; "The Holy City," and "Pannis Angelicus," Frank MacIntyre; Reading, "Trimnings on the Rosary," Joan Callaghan and Ardella Leeger; "The Sanctus" from Leonard's Mass in E. flat, by the Choir; "In a Monastery Garden," and "Knocking," Elaine MacDonald; Schubert's "Ave Maria," Virginia MacDougall; "The Rosary," Margaret MacIntyre; "Good Night Sweet Jesus," Amy Doyle.

## Registration Of Fishermen Proceeding Under U.I. Act

On the first of April commercial fishermen all over Canada, will come under the provisions of the Unemployment Insurance Act. The Unemployment Insurance Offices in Prince Edward Island in Summerside and Charlottetown, are busily engaged in registering fishermen, and those who will be regarded as the employers of fishermen.

When a fisherman registers with the Unemployment Insurance Office, he is assigned an insurance number and an insurance book. The insurance number is one means of identifying his contributions when he files a claim for benefit. Other important details for purposes of identification, are his date of birth and his full name. Those people who in future will be regarded as employers—and this in the main will be composed of the companies or individuals who buy fish—are being provided with a license to purchase Unemployment Insurance stamps. Henceforth, when a buyer purchases fish he must stamp the books of the fishermen from whom he makes purchases, according to a system laid down by the Unemployment Insurance Commission.

**WITHOUT DELAY**

Advertisements which have been appearing in the newspapers, have been urging both fishermen and the buyers of fish, to register without delay. The local fishing season starts for an intense period on May 1st. A special fishing stamp will be affixed to fishermen's insurance books every time fish are turned over to buyers.

All types of fish are covered by the new amendments to the Unemployment Insurance Act. The people who dig clams, fish oysters, mussels and quahaugs, those who land ground fish and fish smelts, all are insurable if they sell their product to a buyer. However, fish sold direct to a consumer are not insurable.

Fishermen are calling at the Charlottetown office regularly to obtain their insurance books, and it is estimated that the number of men affected in Kings and Queens Counties will total upwards of 1500.

There are 34 buyers of fish in the two counties, who for the purposes of the Act will be regarded as employers.

The Hong Kong News Agency quoted Health Minister Madame Lee Teh Chuan as making a strong plea for birth control and planned families to improve welfare and the health of the people.

She was speaking to a Chinese people's political consultative conference.

The news agency said Mme. Lee "announced with the greatest reluctance that health authorities were going to change the strict rules governing induced abortion and sterilization."

From now on these operations will be performed upon request without restriction, it said.

"She said this did not in the least imply that the government favored either of these things and she stressed the voluntary nature of all birth control," the agency said.

Mme. Lee said China's population is growing by about 15,000,000 each year.

## Red China Urges Birth Control

**HONG KONG (Reuters)**—Communist China will legalize abortion and sterilization to keep her population of more than 600,000,000 within bounds, it was announced in Peking Thursday.

The Hong Kong News Agency quoted Health Minister Madame Lee Teh Chuan as making a strong plea for birth control and planned families to improve welfare and the health of the people.

She was speaking to a Chinese people's political consultative conference.

The news agency said Mme. Lee "announced with the greatest reluctance that health authorities were going to change the strict rules governing induced abortion and sterilization."

From now on these operations will be performed upon request without restriction, it said.

"She said this did not in the least imply that the government favored either of these things and she stressed the voluntary nature of all birth control," the agency said.

Mme. Lee said China's population is growing by about 15,000,000 each year.

## Should Stand Behind APEC

**HALIFAX (CP)**—W. A. MacLeod, (PC—Pictou East) said Thursday everyone in the Maritime should stand behind the Atlantic Provinces Economic Council.

"Too long have we lacked faith in the area," he said during the throne speech debate. "Too long have our goods been processed in Central Canada; too long we have been thinking of imported goods were better than our own, and too long have local wholesalers been giving lip service to our producers while supporting outside producers."

It's up to everyone to do his part, and "if we insist on buying Maritime-made products there will be an economic upsurge here."

The development of the area in local hands, he said, and if existing industries are fully supported new industries will want to move in.

## WEATHER

TORONTO (CP)—Temperatures issued by the Toronto weather office:

|                   | (Min.) | (Max.) |

**REPRESENTATIVES** of organizations on "Life Saver Committee" reminded of meeting at Red Cross Hdqrs. tonight at 7:30.

**FORUM CONTRIBUTION**—A signed letter from a Charlottetown correspondent will be received for publication. Will the writer kindly forward his street address.

**DR. O.M.S. OLANDT**, eminent Canadian scientist, will deliver the Robertson Memorial Lecture at Prince of Wales College, Thursday March 28 at 8:30. Public cordially invited.

**FIRST COMMUNION**—The class of young folk who were confirmed by the Bishop of Nova Scotia, Rt. Rev. R.H. Waterman, B.A., D.D., at St. Paul's Anglican Church last week, received their first Corporate Communion at 8:30 a.m. service on Sunday. Later they were the guests of St. Paul's Laymen's Association at breakfast in the Parish Hall, following corporate communion for the Association members. The breakfast was arranged and served by members of the A.Y.P.A.

**PROGRESSING WELL**—Friends and relatives of Mr. and Mrs. S.C. Bryanton, of Alexander Drive, Charlottetown, will learn with pleasure that their nine-year-old daughter Marilyn, who underwent a major operation in the Victoria General Hospital at Halifax last week-end, the surgery took more than four and a half hours and was of a delicate nature. It became necessary because of a skull fracture suffered by the young girl several years ago when she was struck by a car. She never fully recovered from the injury and in the past few years, has been hospitalized repeatedly.

**YOUR DOLLAR** buys more at the Hughes Drug Store.

**DIES IN B.C.**—Word was received on Saturday by Mrs. Ernest W. Bulman of the death of her brother, David W. Coles in Vancouver, B.C. as the result of a car accident. Mrs. John Chandler, of Wheatley River, P.E.I. is also a sister.

**BURIAL IN DARTMOUTH** The funeral services for the late Edmund D. Holt were held at the MacLean Funeral Home yesterday afternoon and were conducted by Rev. A.F. MacLean. Remains are being forwarded this morning to Dartmouth N.S. for interment.

**S.O.E. Card** game results were as follows: Ladies first Mrs. J.E. Kelly; ladies second Mrs. MacAlear; ladies consolation Miss Ellie Mills; Men's first, H. Cudmore; Men's second Clement Wynne; consolation James Atkins; door prize Mrs. M. G. Doyle; freeze-out Henry MacLeod and Clement Wynne.

**FUNERAL OF MRS. MACKAY**—The funeral of the late Mrs. C. Leonard Mackay was held from The MacLean Funeral Home on Saturday afternoon. Service was conducted by Rev. H.L. Milton and Rev. M.D. Dunbar. Interment was in the People's Cemetery. The pall bearers were Hon. A.W. Matheson, Hon. B. Earle MacDonald, E.D. Nicholson, J.A. MacNair, Ross Bethune, Robert Palmer.

**FUNERAL SUNDAY**—The funeral of the late Mrs. E. M. Weeks formerly of Fredericton was held yesterday afternoon from the Cutcliffe Funeral Home to Pleasant Valley United Church. Service was conducted by Rev. H.S. Rayner. A solo, "Going Down The Valley" was sung by Mrs. Hedley Lowther. The pall bearers were Messrs. Bayliss, Stephen Bertram, William Weeks, Harold Dickson. The funeral was largely attended. Interment was in Fredericton Cemetery.

**FUNERAL AT SOUTHPORT**—The funeral of the late Mrs. J. Ernest MacInnis of Southport was held yesterday afternoon from the Cutcliffe Funeral Home and was very largely attended. The service at the home and grave was conducted by Rev. W.H. Brown. The pall bearers were Messrs. Wendell J. Mutch, Harry S. Mutch, Roland Wood, Roland MacDonald, Fred Taylor, James Burden, Russell Farquharson, D.H. Saunders. Interment was in the People's Cemetery.

## Report Red Cross Financial Campaign Reaches 25 Per cent

According to a statement made Saturday morning by Mr. Walter R. Shaw, president of the P.E.I. Red Cross, as well as Provincial Campaign Chairman, the returns for the 1957 appeal had reached 25 per cent of the \$31,000. Objective. This compares favorably with the reports received from the other Provinces of Canada where the same difficulties with roads and weather are being encountered.

Mr. Shaw said that the campaign under Mr. G.G.K. Peake was well underway although very few collectors, apart from the special names committee members, had as yet reported. A check on the receipts revealed \$4,257.50 received to date from rural districts, some of which were double those of last year, and \$2,500 as partial returns in Summerside where Mr. Keith Lapp is the chairman.

Mr. Henry Wedge, chairman for Prince County reported that there are still 11 districts in which canvassers have been appointed. These are: Campbellton, Coleman, De R by, Woodbrook, Conway, MacNeill's Mills, Mt. Pleasant and Borden.

A check on Queen's County where Mr. Philip Matheson of Wheatley River is the chairman, showed that 20 districts still have not appointed canvassers. They are as follows: Brookvale, Inkerman, Kelly's Cross, Pleasant Valley, Rose Valley, Sea View, Westmoreland, St. Ignatius, Bedford, Blooming Point, Donaldson, Fort Augustus, Point de Roche, Water-

Mr. Shaw again emphasized the necessity of complete coverage in every district in the Province, as well as increased contributions in order to meet the rising costs of the Provincial objective of \$31,000. He pointed out that in Prince Edward Island it costs twice as much as the campaign objective to keep Red Cross Services in operation, and explained that the additional amount required has to come from contributions across Canada. Since Prince Edward Islanders have always held a record carrying their share of the load, Mr. Shaw said he felt confident they would be as generous as possible in their Red Cross subscriptions.

This coming week-end about 70 ladies, representing some 20 women's organizations in the city, are doing a house-to-house canvass in Charlottetown to be sure that everyone is given an opportunity to share in promoting Red Cross Services which are for the benefit of all.

**Hi-Y Boys Hold A "Novel Tea"**

The Gamma-Phi Hi-Y Boy's second annual "Novel Tea" held Saturday March 23rd was attended by around 300 guests headed by Lieut. Gov. T.W.L. Prowse and Mrs. Prowse. The Governor was accompanied by his aide, Lt. Col. A.W. Rogers.

The boys were advised and supported by Club Mentor—Professor Bruce Hodgins of Prince of Wales College. Pouring were Brigadier G.G.K. Peake, Rev. Mr. Dunbar, Mr. Earle MacDonald, Deputy Mayor Walthen Gaudet, Y.C.A. President Art Duvar, and Mr. Bennett Carr. Receptionists were Club President, Ron Storey and Tea Convener Ken MacKenzie. Bill Henry was in charge of tickets.

Waiting on table were Roger Craig, Head Waiter, John Fielding, Alan MacKenzie, Bob Lea, Mike Gaudet, Wallace Platts, Jim White. Busboys for center table were Ivan Duvar and Mike Gaudet.

Music for the occasion was supplied by Alan Dunbar and Norman Stewart. Funds realized from the Tea will be devoted to Hi-Y and Y.M.C.A. World Service. All members of the Club are students at Prince of Wales College.

Other projects and achievements of this organization include visits to the P.E.I. Protestant Orphanage; representation at the National Hi-Y Council at L.L.K. Conchiching (Rt. Storey); friendship visits with Delta boys, Moncton Hi-Y Club; canvassed for Y.M.C.A. Lifesaver for World Service and the Y.M.C.A. campaign.

**Little Wonder Canadians Are "Disturbed"**

CHICAGO (CP)—The United States' boundary commission said Thursday it is "little wonder" that many Canadians are disturbed by the lopsided balance of trade between the U.S. and Canada.

Samuel L. Golan, U.S. commissioner, international boundary commission, noted that the balance, computed with huge U.S. investment in Canada's "more dynamic" industries, have been the subject of critical comment during the last two years.

In an address to the Chicago Association of Commerce and Industry, Golan said American industrialists are being encouraged to increase Canadian participation.

At the end of 1955 total foreign investment in Canada was \$13,500,000,000, of which the U.S. "was credited with \$10,349,000,000 and the United Kingdom with \$2,143,000,000, which was less than its prewar level."

The U.S. investment was concentrated in the more dynamic industries, he said, such as petroleum, mining, chemicals, electrical apparatus and autos, said Golan.

"Little wonder that these factors are disturbing to many Canadians," he said. "In the last two years many important speeches have been made by Canadians in the U.S. and at home. Canadian news papers and magazines have devoted considerable space to this subject, some of it sharply critical."

Golan said "it is conceivable that American industrialists now will have to take a new look-see at the entire matter."

## Strong Winds Drive Ice Out Of St. John's Harbor Saturday

ST. JOHN'S, Nfld. (CP)—The drafted pans of northern ice that choked St. John's harbor last week were driven through the Narrows and out to sea like a herd of sheep Saturday night by strong winds from the north.

By Sunday the icefield that had held close to land for three days was eight miles from shore, a narrow band of glittering white between the gray sea and the gray-blue sky.

Small coastal ships sailed past the towering rocks guarding the harbor narrows all day Sunday. Three arrivals and seven departures were noted by mid-afternoon.

But the winds that blow down St. John's blow ill to Bell Island in nearby Conception Bay. The southeasterly winds that brought ice to St. John's swept clear the three mile Fickle between Bell Island and Portugal Cove in time for ferry service to resume Friday and continue uninterrupted Saturday.

By Sunday however, the north-westerly winds steered the ice-cakes into Conception Bay back into the Fickle, disrupting ferry service once again. The brief resumption of service was enough to ease shortages of fresh food reported on Bell Island.

Ice still clings to the rest of the northeast coast and the Labrador coast, and the end of the two-month-old blockade is not yet in sight.

On the west coast ice still clings close to shore and fills the inlets. But the main port—Corner Brook—was opened by the United States Navy icebreaker Edisto last week. The paper carrier Lady Bowater arrived to officiate open the port.

The seal hunt continues on the ice to the north of Newfoundland, and scattered reports reaching St. John's indicate the ships are reaping good harvests of pelts. The Halifax-owned Arctic Premier was due in St. John's early this week and repairs to her rudder after limping back from the sealing ice with a jury rudder.

Fog formed by the ice disrupted air traffic out of nearby Torbay airport Thursday and Friday but was cleared Saturday.

Trans-Canada Airlines flights were back on schedule Saturday and Sunday and the passenger backlog was cleared up.

## Red China Urges Birth Control

**HONG KONG (Reuters)**—Communist China will legalize abortion and sterilization to keep her population of more than 600,000,000 within bounds, it was announced in Peking Thursday.

The Hong Kong News Agency quoted Health Minister Madame Lee Teh Chuan as making a strong plea for birth control and planned families to improve welfare and the health of the people.

She was speaking to a Chinese people's political consultative conference.

The news agency said Mme. Lee "announced with the greatest reluctance that health authorities were going to change the strict rules governing induced abortion and sterilization."

From now on these operations will be performed upon request without restriction, it said.

"She said this did not in the least imply that the government favored either of these things and she stressed the voluntary nature of all birth control," the agency said.

Mme. Lee said China's population is growing by about 15,000,000 each year.
