### DAIRY PRODUCE

#### Liverpool Cheese Cable Advances Another Sixpence.

The Montreal Gazette reports: Business was reported over the wire to-day at better than 9½c, and it is claimed that 9 15 16 was actually realized for one large lot. Offers are being made today of 47 c. i. f. Bristol and London, on which basis the shipper could afford to pay 9½c, but no more. These offers are very likely part Ontario and part Quebec, for it is undoubted that the former cannot be bought separately for less than 9½c. The Liverpool cable advanced another 61 today to 45 6d for colored, and 45 for white.

As to butter the market rules very firm, and both exporters and domestic jobbers are still free buyers, as stocks are generally admitted to be very small. In an export way, creamery is selling at 18½ to 19c, and dairy at 14 to 14½c. The jobbing trade is good, and 19c to 19½c is paid for creamery, 15c for western dairy, 16c to 16½ for Townships dairy, and 12c to 12½ for old westerns. Naturally the payment of these full figures by jobbers, coupled with small stocks, tends to make factory-men ask more for exporters.

### SALE OF JULY CHEESE.

On Tuesday last, the Board of Trade of the P. E. Island Dairy Association met in the Legislative Council room, for the purpose of selling the cheese manufactured in the second half of July. There was a full attendance of the Board.

The quantity of cheese offered equalled the amount put up by any other Board in Canada, which shows the strides we are making in this industry.

Twenty factories offered their output, in all 4405 boxes.

It sold as follows, Mr. Biffin being the purchaser, in every case:—

Murray Harbor North, 120 boxes at 9 1-8 cts.  
Hamilton, 150 boxes at 9 1-8 cts.  
New Glasgow, 270 at 9 1-8 cts.  
New Dominion, 210 boxes at 9 1-8 cts.  
St. Peter's, 150 boxes at 9 1-8 cts.  
Stanley Bridge, 380 boxes at 9 1-8 cts.  
Dunk River, 300 boxes at 9 1-8 cts.  
St. George's, 140 boxes at 9 1-8 cts.  
Dunstable, 85 boxes at 9 1-8 cts.

The following factories would not sell at the price offered:—

New Perth, 200 boxes.  
Kensington, 482 boxes.  
Cornwall, 285 boxes.  
Hillsboro, 260 boxes.  
Morrell, 115 boxes.  
Wiltshire, 267 boxes.  
Lakeville, 196 boxes.  
Red House, 120 boxes.  
Hazlebrook, 225 boxes.  
Winloe, 200 boxes.  
Orwell, 250 boxes.

The next meeting will be on Friday, August 18th, at 11.30 a. m.

### A MEAN TRANSACTION.

SIR.—No music on the square Tuesday night! What is the matter with the city council? A large crowd of citizens who expected the usual enjoyment had to go home disappointed. I am told that it was because the city refused to pay the trifling cost of light. To those who can squander gallons in boodle to their friends such penny-hapenny measures where so many citizens are interested, is contemptible. Is this the act of the mayor in person, the council as a body, or of the ruling magician.

CITIZEN.

Nervine, the most marvelous pain remedy known to science. Nervine may be used efficaciously for all nerve pain.

—The Patriot announces that a commission to investigate the asylum charges, has been appointed. But the names of the commissioners are withheld; and, apparently, nothing has been done. The virtue of patience must be exercised by all who are interested in the movements of our Liberal governments. We hear that Messrs Farquharson & Co., have nominated gentlemen to the commission who can no more be expected to accept the position than Chief Justice Sullivan,—and are in this way "killing time."

### NEW DWELLING

—Among the new buildings being erected this summer, are dwelling houses for the following: Mr. W. N. Tanton, on Upper Great George St; Mr. G. F. Hutchison, Prince St; Mr. J. E. Matthews, Hillsboro St; Mr. T. F. Guard, two on Stewart St; Mr. Wm. Riggs, Fitzroy St; and Mr. Samuel Ingraham on Stewart St.

### THE RAINFALL

—The rainfall during the month of July was 5.05 inches, considerably the largest here for a number of years.
