The Guardian may be bought at any of the following stores in Summerside:

Bell Bookstore, Summer Street; Gourles Drugstore, 21 Central Street; Kelly's News-stand, Water Street; Mark Gaudet, 67 Grandville Street; Alyre Doucette's Grocery, Second Street; Island Motor Transport, Water Street; Alban's Grocery, 120 Russell Street.

WEST PRINCE OFFICE

Alberton: Frank Weeks, Representative.  
Phone: 68-3 Office and 68-3 House.

I WILL be absent from my radio repair shop until June 1st, Edison Baker.

RESERVE May 29th, for Kensington United Church Junior choir concert in the assembly hall.

TENDERS will be received for old Lower Freetown School; also outbuildings until May 31st. Scott Cairns, Secretary.

SEE NORTHAM PLAYERS present "Look Out, Lizzie" in Malpeque Hall, Friday, May 18th. Sponsored by Baltic W. I.

NEW LONDON PRESBYTERIAN CHURCHES - Services Sunday, May 20th. Long River 11:00 A.M. Clifton 2:30 P.M. Geddie Memorial 7:30 P.M. Rev. D. A. Campbell, Minister.

ENGAGEMENT - Mrs. Lucy McKay of Summerside wishes to announce the engagement of her daughter, Kathleen Joyce, to Allan Reesor Weber, son of Mr. and Mrs. Aaron Weber, Elmira, Ont., wedding to take place on June 6th at the Glad Tidings Chapel at 3:00 p.m.

RECEIVE DIPLOMAS - Among the students receiving their Grade XI Diplomas from Horton Academy on Monday were Garth Toombs, Clive Macdonald, Joan Morrison, Robert Lefurgue, Maynard Schurman of Summerside; Sara Jane Estey, formerly of Summerside and now of Moncton, N.B., and Betty Toombs of Kensington.

HONOR GRADUATE - Mr. Robert B. Holland is one of the honor students to graduate this year at Boston College, Boston, Massachusetts. He is a candidate for the degree of Bachelor of Science in Business Administration. Robert is a son of Mr. Blake Holland, formerly of Tryon, P. E. I.-S.

HOME AND SCHOOL MEETS - The May meeting of the Summerside Home and School Welfare Group was held in the High School Library on Wednesday evening with the president, Mr. A. H. Hubley, in the chair. Mrs. B. A. Elderkin was appointed as secretary. Miss Estelle Bowness was appointed convener of the Membership Committee, and it was decided to have notices of each meeting printed and sent home with the pupils. Mr. George T. Clarke was appointed convener of the Ways and Means Committee. New program arrangements were made, whereby the whole membership was divided into ten groups to arrange program and social for one month each.

The following are the names of the captains: Mr. Hubley, Mrs. Chester Robinson, Mrs. Franklin Cameron, Mrs. Elderkin, Mr. A. S. Hopkins, Mrs. Enly Campbell, Mr. James R. Murphy, Dr. H. E. Clark, Mrs. Creelman MacArthur and Mrs. Allison MacLean. It was decided to order 24 Home and School Magazines to be sold individually at the meetings. Following the business session an interesting film was shown. The next meeting will be held on Tuesday, June 12.-S.

TWO PLAYS PRESENTED - Kelvin Grove plays put on a fine performance of their two one-act plays and specialties in Irish-town Hall on Friday evening, before a large and attentive audience. The very young cast gave an excellent presentation of "The Three Bears' Christmas Eve" and the senior play "Remarkable Baby" was well cast and well acted by veteran performers, ably supported by one or two less well known actors. Other items on the program included "Springtime Lament," a gay skit by Phyllis Paynter, Marjorie MacMurdo, Georgie Yeo, Mary Webster, Ethel Callaghan; a charming pantomime by Ethel Callaghan, Edgar Miller, Phyllis Paynter and Arnold Walker and heartily endorsed solos by we and winsome Astrid Miller, Harold Laird and Frank Burgess; also well received instrumental selections by Burgess and Reeves. Following is the cast of characters - "The Three Bears' Christmas Eve" - Director - Elsie Laird. Big Bear - Duncan Picketta. Middle-sized Bear - Elsie Laird. Little Bear - Sheila Casely. Goldilocks - Joan Casely. Little Brother - Errol Casely. Riding Hood - Gwynnythe MacMurdo. "Remarkable Baby" - Director - Elsie Laird, Arnold Walker, Marie Parke Gilwilly - the baby's mother - Ethel Callaghan. Lola Bradford - the baby's godmother - Mary Webster. George Watterson Gilwilly - the baby's father - John Picketta. Nellie - the baby's nurse - Marjorie MacMurdo. Adelaide Parke - the baby's mother's aunt - Georgie Yeo. Mrs. Louisa Gilwilly - the baby's father's mother - Phyllis Paynter. Max Parke - the baby's uncle - Arnold Walker. A Stranger - (Leroy) Edgar Miller - and himself - The Baby - aged ten weeks. -Bur.

PANTRY SALE AND BAZAAR at the Presbyterian Church Hall, Kensington, Saturday afternoon, May 19th, at 3 P. M.

FUNDAMENTAL BAPTIST CHURCH, Central Bedeque, Rev. D. M. Fraser, Pastor, Services for Sunday, May 20th. Central Bedeque 10.45 A. M. Borden 3 P.M. Everyone welcome.

BEDEQUE UNITED CHURCH CHARGE - Services Sunday, May 20th. Bedeque 11 A. M. (Guest speaker at this service Rev. E. J. Fraser, of Korea.) Borden 3 P. M. Albany 7:30 P. M. Rev. W. Burton Crowe, B. A., Minister.

CENTRAL BEDEQUE BAPTIST CHURCH - Services Sunday, May 20th. 11 A. M. Sunday School 10.45 A. M. Evening 7.45 P. M. Religious play "Soul in the Desert". Special music. Rev. Charles A. Britten, Minister.

CABIN SUPERVISORS - Mr. and Mrs. Ralph Cain have been secured as supervisors of Harbor View Cabins, Summerside, for this season. Mr. and Mrs. Cain were previously on the housekeeping staff of Mount Allison University, Sackville, N. B.-S.

FUNERAL AT S'SIDE - Funeral services for the late Mrs. George Pope were conducted yesterday with service at St. Mary's Anglican Church at two o'clock. The pastor, Ven. Anderson G. R. Harrison carried out the service and also officiated at the grave in St. John's Cemetery, St. Eleanor's. The pall bearers were Messrs. George Hogg, Clarence Jones, R. E. Ellis, Ross MacKenzie, R. A. Horne and George T. Clarke.-S

COMMUNITY HONORS BRIDE AND GROOM - Members of the community of Sherbrooke gathered in the Hall on Wednesday evening to tender a miscellaneous shower to Mr. and Mrs. Prowse Chappell. To appropriate music, the bride and groom were escorted to seats of honor by Miss Marie Dekker and Mr. Adrian Dekker, after which many lovely gifts were presented. Delicious refreshments were served by the ladies and the remainder of the evening was spent in dancing.-S.

HOME SCHOOL MEETING - The annual meeting of the Tignish Home and School Association was held last evening in the convent with an attendance of twenty-five members. President Clarence Gavine was in the chair and after the singing of "O Canada," the yearly report was read by the recording secretary, Rev. Sister St. Hillary. Mrs. Walter Hogan, treasurer, gave the financial statement. Remarks were made by several members congratulating the executive on the great success of the past year's work and a hearty vote of thanks was extended to them by Mr. A. A. Bernard. Then followed election of officers for the coming year: president, Mr. Adrian Richard; vice president, Mrs. J. F. Gallant; treasurer, Mrs. Walter Hogan.

PERSONALS - The friends of Mr. W. L. Cotton, Kensington, will regret to learn he is in St. Mary's Hospital, Montreal, for treatment.-S.

S'Side Y's Men's Club Meeting

Mr. John Mungall was chairman and Claude Leckie, financier of the regular weekly meeting of the Summerside Y's Men's Club held last evening at Coyle's Restaurant. President Dr. H. E. Clark and secretary Ken Walker were appointed delegates to the Maritime convention to be held in Moncton, June 2, 3, and 4. It was decided to extend an invitation to have the 1952 convention held in Summerside. A motion was passed that the last meeting of the season would be on June 14th and would be ladies' night. A letter was read from regional director A. L. Reynolds to Mr. Bred, who has been a leader for some time. The guest speaker for the evening was Mr. Davis Lidstone, principal of the Summerside High School who spoke on juvenile delinquency, ages 10 to 13, which cause the most trouble. He said it is often caused by lack of affection at home. He said that Boys' Towns and Big Brother movements help in large cities and athletic community centers have been beneficial in other places. He hoped that new recreation areas in Summerside will have a good effect. Mr. Lidstone gave it as his opinion that the situation in Summerside is not too serious with the exception of a minor group now apprehended. He mentioned one particular local case in which the lad had found a new interest in technical classes originally started by the Y's Men. He commended the Boy Scout movement and also the Big Brother movement which gives a boy someone to turn to for advice and help which is not available at home.-S.

Let's Talk It Over

A Prince County Viewpoint by "A"

How About A "Water-Safety Week"?

Some weeks ago we remarked in this column that the rules of traffic safety should be drilled into school children's ears, stressing the importance of obeying such rules year by year as they advance through the grades until wisdom on the highways becomes second nature to them.

We are now on the verge of the swimming season, when hundreds of boys and girls will be hurrying to the beaches and wharves to indulge in delightful and exhilarating sport. What a wonderful store of pleasure is waiting for them! But there is a villain in the piece. Every year tragedy stalks among the water enthusiasts. Drowning accidents are all too common.

Would it not be a good idea for the schools to hold a "Water-Safety First" week before the swimming season starts? Every school might stress the "Water-Safety" rules to the children for one full week. Artificial respiration might be demonstrated to some of the older pupils, but prevention rather than cure should be the keynote of such a week.

Some of the accidents that befall swimmers and bathers may be due to hazards which no one could foresee, but there are certainly many mishaps which could be prevented if proper precautions were taken. The water-safety instruction which was given to classes on the Island last summer must have been beneficial, and the movement is a step in the right direction, but not all of the children are reached in this way.

Having the teachers give this instruction to every child in school would bring the lesson to practically all youngsters who play on and in the water. The teachers, although not able to teach water-safety as thoroughly as qualified instructors who have been trained for the purpose, could still give the children the important precautions to observe. If such a "water-safety" week resulted in the saving of one life, it would be well worth the effort put forth to organize it.

NEW ELECTRIC

Continued from page 5

et who represented Montague and Georgetown. Mr. Gaudet pointed out that Montague had been in a slightly preferred position as its citizens paid less than the usual rural fees under the present rates. Under the proposed rates Montague will have to pay the same as all rural areas so that the town will be taken out of its preferred category and then have their rates increased.

The Village of O'Leary is exempt from the change in rates as it does not come under the jurisdiction of the Maritime Electric Company. Charlottetown consumes about 13,000,000 kilowatt hours or 70.4 per cent of the total while rural areas consume 4,000,000 kilowatt hours or 28.8 per cent. 49.95 per cent of the customers are from Charlottetown while 50.06 per cent are from rural areas. About 11 per cent of the total gross revenue of the Maritime Electric Company is paid in Federal income tax and the Provincial tax of 5 per cent, it was stated Mr. V. A. Ainsworth, general superintendent.

In 1949 the income tax amounted to \$34,938.26. The property and other taxes amounted to \$30,510.10 and the Provincial taxes to \$7,052.31 for a total of \$72,490.67 or 10.9 per cent of the gross revenue of \$662,425.65. The income tax in 1950 was \$31,915.31. The income tax under the new rates proposed, would work out to \$11,703 for 1951 if the rates were in use for a full twelve months, he stated.

Heaviest Period - More electricity was carried during the week before Christmas than any other period of the year stated Mr. Ainsworth. During the winter period between October and March the peak is in the evening from four until eight and in the summer the peak is at noon. Asked by Mr. Martin if the plant were at its peak at this time, Mr. Kay stated that he would not like to make any predictions on the matter as the amount of electricity needed might increase in the future.

Short term services will be granted to summer homes, hotels, rinks and other amusement centres. The total bills paid for such services must equal six minimum bills. Mr. Austin Scales, Freetown, operator of a private electric plant, was questioning the Maritime Electric Company on the installation of the high tension line to St. E. but in 1954 Capt. Holland of His Majesty's Navy, who was also Surveyor General for new land, selected Charlottetown, Princeton and Georgetown as the County towns in Queens County, Prince County and Kings County. Charlottetown received its name in honor of George III's consort, Queen Charlotte, whose picture adorns the wall of my office in City Hall. The actual survey of Charlottetown was done by a surveyor by the name of Charles Morris.

AMATEUR ATHLETIC Association

A meeting of the Summerside Athletic Association will be held in the Town Hall at 7:30 p.m. tonight, Friday, May 18th. The general public is cordially invited to attend. Agenda: Executive elected (five or more); ways and means of financing the Association; reports from various sports chairman; general discussion on plans for summer months.

JAMES T. HOGAN, Secretary-Treasurer.

Mayor MacDonald

Continued from page 5

body acted in the best interests of the City they have had the honour to serve.

During my years at the Council Board, both as a Councillor and as Mayor, great changes have taken place. Charlottetown has grown in population and also from its built-up areas. Residential areas are gradually giving way to the inroads of business houses. Outlying sections that were vacant fields or pasture lands have been taken over and are now the sites of beautiful, well laid out homes, a credit to their owners and the City.

The City has expanded so much in recent years that many people in search of suitable sites for new homes have been compelled to build outside the City. This has created a problem that is receiving the attention of all concerned and will eventually be solved. I refer particularly to the matter of providing these people who live on the fringe of the City, with adequate modern and up-to-date services, including water and sewerage systems.

"Fire and police protection is of paramount importance to these home owners, in what might be called a "greater Charlottetown". Any agreement reached must be on a co-operative basis and agreeable to all concerned. The growth of Charlottetown and the Royalties has been such that this area now contains a population roughly equivalent to that of the whole of King's County.

"Most of us are in the habit of taking Victoria Park for granted, but what other town has anything to equal it in beauty, with its fine roadway fronting on a landlocked harbour, a splendid setting for Government House which adds so much to its approach. At the other end of our Town we have the Charlottetown Driving Park, constantly being improved and now recognized as one of the best racing plants in all Canada."

Wonderful Expansion

After referring in complimentary terms to the local newspapers, His Worship continued: "Along with the growth in population, great strides have been made in many directions. A wonderful expansion in hospital facilities has taken place. Anyone passing the Charlottetown Hospital cannot fail to notice this structure and rate it as a credit to any city. We can point with equal pride to the two great institutions, the Prince Edward Island Hospital and the Sanatorium. I doubt if any city is better served than we are in this respect; nor must I fail to mention the new Health Centre on Prince Street.

"The City school population has almost doubled in recent years as has also enrollments at the colleges. Mention must be made of the new Vocational School. How many cities of the size of Charlottetown have a Vocational School? There are not more than two others in the Maritime Provinces.

"Do we realize what a great asset the Maritime Central Airways and our airport are to Charlottetown? No purely civilian airport in a city of similar sizes in Canada has better facilities, nor can it boast that it is the headquarters of an Airway Company. There is a great empire of iron and other minerals wealth to the north of us. When large centres spring up in Labrador, as they will, our airport may well be the hub of a boundless development. When the day comes and it is almost inevitable, that farm produce will be largely moved into Labrador and Newfoundland by cheap and fast air transport, our airport will be recognized as one of our greatest assets.

"And now, may I take a few minutes of your time to speak of the City Corporation in particular. Perhaps you do not recall it, but in 1764 Capt. Holland of His Majesty's Navy, who was also Surveyor General for new land, selected Charlottetown, Princeton and Georgetown as the County towns in Queens County, Prince County and Kings County. Charlottetown received its name in honor of George III's consort, Queen Charlotte, whose picture adorns the wall of my office in City Hall. The actual survey of Charlottetown was done by a surveyor by the name of Charles Morris.

"In the year 1855 Charlottetown was incorporated as a city, and the administration of its fiscal, prudential and municipal affairs and the government of the City were and still are invested in the

Mayor and eight Councillors. The Mayor is elected at large, the Council by wards. The Mayor's salary at the time of the passing of the Act in 1855 was \$325.00 and on May 17, 1951, there has been no increase and the Mayor's annual salary is still \$325.00.

"As you all know, there are three forms of Government in Canada. Municipal, Provincial and Dominion. Our Municipal Government differs from the others in that the head of a Municipal Government is not a direct representative of His Majesty (Lt. Governor T. W. L. Prowse and Lord Alexander of Tunis), consequently before municipal laws, or as we term them "by-laws" can be enacted, we must obtain authority from a sovereign body. Possibly if this were not so, we might make our own laws or amend our Act of Incorporation so that the Mayor or his Councillors could be members of the Legislative Assembly.

"By our Act of Incorporation, civic elections are held every two years on the second Wednesday in February. Also by our Act, monthly meetings must be held and these are set down by statute to be held on the second Monday of each month.

Account Committees

At these meetings the monthly business is transacted and the policy of the City determined. As there are eight Councillors, there are eight Committees called Standing Committees of the Council, each Councillor being a chairman of a committee, namely, Finance, Streets, Public Property, Market, Police, Fire, Light, Tender.

"At the monthly meetings each chairman reports on the activities as carried out in his particular department. "At all Council meetings the majority of the members present at such meetings shall determine all questions and matters submitted to or under the consideration of the said Council provided that five Councillors with the Mayor or in the absence of the Mayor six Councillors, one of whom shall act as Chairman shall constitute a quorum.

"All these committees spend money, even the tender committee, so the next thing we must get is the wherewithal. A civic employee called the Assessor goes out and puts a value on property both real and personal. Values brought in January, 1951, were approximately 12 million. Your Committees meet and each draws up an estimate of the money needed to finance their particular department. It is no trouble for them to raise the required amount - simply a sum in arithmetic. The answer to this sum is the tax rate for the ensuing year. Municipalities cannot budget for either a deficit or a surplus.

There has been criticism about the collection of poll tax. Well, poll tax certainly can be assessed accurately because everyone living in the City between the ages of 21 and 69 years must pay it, if at all possible. In 1951 in the group there are some 3400 eligible to pay poll tax. This would mean \$17,000 in revenue if 100% were collected. This \$17,000 is a very small part of 1951 revenue which is estimated at \$554,000. It works out, I believe at 3%. Then if it were not collected at all, we would be only 3% short of our objective. Some are even in favour of working it out, but as we collect say, 60% in this particular field of taxation, we will continue to try. Perhaps we will do even better this year. There are 3400

people eligible to pay, but if, of these 3400 people 1,200 are registered unemployed, how can we collect from them? You cannot take blood from a stone!

Taxpayers' Viewpoint

"Gentlemen, I have learned much of Civic administration. I have also appreciated the taxpayers point of view.

I entered the City Council on the second Wednesday in February 1940, the first year following the completion of the External audit done so capably by Morell & Co. in association with Mr. D. F. Archibald. I was there only a short while when I realized that not only was the audit a much needed reform but that the new system of municipal bookkeeping and City financing as set up by these experts was the most efficient we could procure.

"The financial statements of the City Corporation of Charlottetown and the accounting terminology was identical with the Manual of Instructions as required by the Dominion Bureau of Statistics for municipal corporations. In other words, the accounting of the monies received and the records of expenditures made are as modern and up-to-date as in any municipality in Canada.

"I noticed in reading a paper given at the chartered accountants' convention held here last summer that one of the recommendations was that municipalities should follow the manual of instruction as sent out by the Department of Statistics. I felt proud that Charlottetown was and is following this very pattern. It showed me that your Civic government administration is as modern as the latest manual, in other words we are abreast of the times.

"We all realize that to run a city its citizens must pay taxes. For taxes paid, services must be given and for services given, materials must be purchased and wages paid. Councils are elected not only for the purpose of supervising the receiving and spending of the citizens' money but also to determine the policy to be followed in the best interests of all."

"HOEDOWN" AT THE CAPITOL THEATRE

Eddy Arnold, the Tennessee Plowboy, whose homespun singing style has made him one of the country's top radio and recording stars, will be seen in "Hoedown," his second movie for Columbia Pictures, starting today at the Capitol Theatre. Among the stars seen in "Hoedown" are Jeff Donnell, Jack O'Mahoney, Guinn "Big Boy" Williams, Carolina Cotton, The Pied Piper and The Oklahoma Wranglers. Eddy's latest screen hit, which follows his initial screen success, "Feudin' Rhythm," offers a

FOR SALE

No 1 registered and treated Laurentian purple top turnip seed. Highest quality at \$1.50 per pound. Also buying pulpwood in carload lots. Abegweit Co-operative, Carleton Siding

AUCTION SALE

I am instructed by Mrs. Sadie Gunning, administratrix of the estate of the late Dougald S. Gunning to sell at public auction on the premises of the late Dougald S. Gunning at Sherbrooke on Saturday next, the 19th of May, 1951, at 1:30 p.m. the farm, stock and machinery of the late Dougald S. Gunning, consisting of the following:

6 top grade milk cows, 3 horses, harrows, ploughs, hay mower, driving wagon, farm wagon, jaunting sleigh, wood sleigh, hay rake, 1/2 interest in binder and fertilizer sower, and other articles.

The farm of the late Dougald S. Gunning consisting of 57 acres and buildings is now offered for sale, and if not sold by private sale previous to the auction sale, will be offered for sale at auction May 19th next.

Enquiries regarding the farm may be made to Mrs. Sadie Gunning at Sherbrooke, or to Mr. D. O. Stewart, solicitor, Summerside. HUGH MORRISON, Auctioneer.

Search Continues For Missing S'side Plane

With three days of intensive searching completed, there is still no trace of a missing Dakota aircraft with four men aboard which last reported on Monday afternoon over Goose Bay heading back for Summerside, its home base.

Officials at the Summerside station, which is search headquarters for the southern area, reported last evening that 18 sorties had been flown during the day over the Gulf of St. Lawrence and Gaspe without result. Information from Goose Bay, search headquarters for the northern area, was meagre because reports from there would go to Training Command headquarters at Trenton, Ont.

However, it was felt at Summerside that if they had found anything word to that effect would have been received. Six Dakota aircraft left this Prince Edward Island station yesterday for Goose Bay where they will take part in the intensive search which is being carried on over the land area of Labrador and Eastern Quebec for the next several days. Last night regular navigation training flights from the Summerside Air Navigation School were being made over the Gulf area so that a watch may be kept for flares while training is being carried on. This policy of having training flights over the search area will continue for some days.

In addition, some aircraft flying out of Summerside will continue to have specific searching duties but concentration will be on the Goose Bay area from now on.-S.

Former Islander Dies In Edmonton

The news of the death of Mrs. J. H. Sayers, the former Laura Hammill, Central Bedeque, was received April 29th by the members of her family and numerous friends throughout the Province with deepest sorrow and regret. Mrs. Sayers passed away very suddenly following an extensive cerebral hemorrhage.

The late Mrs. Sayers was well and favourably known as a successful teacher here before going to Western Canada in 1918 when the West faced a teacher shortage. She with several other Island teachers decided to go West and help relieve the situation. This they did, with great credit to themselves, and proved a benefit to the communities where they taught in Saskatchewan and Alberta. It was in Edmonton she met and married J. H. Sayers in 1923.

She took a very active part in all activities of church and community, holding different offices on the executive of the Catholic Women's League, Ladies Aid of her parish church, and the Liberal Women's Club. She had recently received the appointment of census supervisor for East Edmonton.

Mrs. Sayers leaves to mourn her husband, J. H. Sayers; two sons, Francis in Edmonton; Russell in Regina; and one daughter, Elaine, Mrs. Don Brooks, Edmonton; also two grandchildren, Arthur Sayers and David Brooks; one brother, Thomas W. Hammill, of Central Bedeque, and two sisters, Mrs. R. J. MacDonald, Charlottetown, and Mrs. C. W. Croken, Edmonton, as well as many relatives and friends who are deeply grieved at her untimely death.

The funeral was held at 10 a.m. May 2nd at St. Alphonse Church where Requiem Mass was celebrated by Very Rev. Father Cunningham, rector. The large congregation who attended, as well as the two hundred Mass cards, thirty-five floral wreaths and many messages of sympathy, were a silent testimony to the esteem in which Mrs. Sayers was held by all who knew her.

swingly, tuneful picture full of thrills and romance. The singing favorite is heard in a group of songs in the style that has made him famous, including his sensational "Bouquet of Roses," outstanding number in "Hoedown," and "Just a Little Lovin' Will Go a Long, Long Way." "I'm Throwing Rice at the Girl I Love" and "I Betcha I Getcha."
