Toronto Stocks

TORONTO (CP)—Stock market trading eased slightly Tuesday with little changes in major sections.

Volume was 10,660,000 shares, against Monday's 12,206,000. Exchange employees, hard pressed with huge volumes in recent sessions, welcomed the reduced pressure.

Speculative stocks continued in the spotlight, most issues suffering losses in profit-taking. Exceptions were Coulee and Headway which reached 1955 highs in heavy trading.

Base metals, led by Eastern Metals with a jump of 23 to $1.15 after touching a 1955 high of $1.18, gained narrowly. United Asbestos, Sherritt, and Roy Silver also advanced but Bathurst, Brilund, Consolidated Sudbury, Base Metals, Lake Cinch and Maritimes lost.

Home Oil led a weak western-25 to $9.25. Other down were Central Explorers, Canadian Homestead, Peruvian and Security.

Golds were also down, Lake Shore leading with a drop of 30 to $5.50. Lamaque and McMarmac Red Lake also suffered.

Changes in industrials were mostly less than $1. Foods, financial institutions and liquors were best. Others were mixed to lower.

There were 34 highs and 19 lows.

Index changes: Industrials down .19 to 380.96, golds down .55 to 83.28, base metals up .17 to 171.64 and western oils down .89 to 192.67.
