Well, the Ladies' Wear of Holman's in Summerside and the Ladies' Shop of Holman's in Charlottetown have exactly what you want in the way of smart home dressing comfort! A darling of a NYLON DUSTER — made on loose lines of sculptured nylon in lovely light colors. Don't let me hear you say "Nylon is cold and clammy". . . . This isn't because the completely throughout lining is of softly quilted nylon too, which will give you cloud-light weight that is warm as toast! Dainty as you please is the style with buttoned to the throat front. The neat little collar is frilled and there is a frill on the melon sleeves too. The Duster sizes are from 12 to 16 and the price is 16.95. Now, should you prefer a warm wool Housecoat in floor length, we have these in a finely woven all wool flannel — solid colors and tailored style with a sash tie belt. Sizes are 14 to 20 and the price is 14.95. Come shopping for wearables absolutely perfect for comfortable leisure at home in Holman's Ladies' Wear, Summerside and Holman's Ladies Shop in Charlottetown.
