NO AMOUNT of brilliant advertising will make a fraud finally successful. Men are fools to try it. As for us we merely tell a tame truth and say Adamson's Botanic Balsam is splendid for coughs, 25c all druggists.

DIPLOMATIC DIFFERENCES

The Russian Proposals and German Ultimatum

[SPECIAL TO THE EXAMINER.]

WASHINGTON, Sept. 21.—It now appears that Russia had put forth proposals for the punishment of the leaders of the Chinese uprising. This was in a paper offering a general programme for conducting peace negotiations.

The first item on the programme was the punishment of the Chinese offenders.

The proposal came some time ago, prior to the German Note, and seems to have been concurred in by France and some of the other powers. Although it did not receive such general concurrence as to amount to an agreement.

The German Note now takes up this first item of the Russian programme and makes it indispensable and prerequisite to any negotiation. It materially differs from the Russian proposal in that the latter made the punishment a part of the negotiations while the German proposes to make punishment precede negotiations.

IN THE STORM

Four Men Drowned From One Schooner

[SPECIAL TO THE EXAMINER.]

BOYTON, Sept. 21.—The schooner Mary A. Whalen reached here last evening with her flag at half-mast, four of her men having perished in the furious gale which battered the shipping off Cape Cod on Tuesday last.

CHINESE FORTS CAPTURED

Peace Negotiations—A German Condition.

[SPECIAL TO THE EXAMINER.]

BERLIN, Sept. 21.—A despatch from Shanghai says: "The allies have captured Pei Tang and Lu Tai forts with great losses." It is reported that Germany will insist upon the destruction of the Chinese coast defences and the Tang Ten forts as a condition of her entering upon peace negotiations.

HALIFAX EXHIBITION.

The Deficit Reduced—Result of Races—a Challenge.

[SPECIAL TO THE EXAMINER.]

HALIFAX, Sept. 21.—The exhibition deficit this year is about six thousand dollars.

Lina Belle was the winner of the Free-for-all at the exhibition, and the Fearon noise that took second place has been matched for \$1,000 a side to trot at Amherst October 8th, best three heats out of five.

Rhodes and the Chinamen.

LONDON, Sept. 20.—Hon. Cecil Rhodes, according to the Cape Town correspondent of the Mail, denies that he is in favor of importing Chinese labor into Rhodesia.

DUKE OF YORK'S TOUR.

Chamberlain Was the Man Who Suggested it.

New York, Sept. 20.—The London correspondent of the Tribune says: Lord Salisbury receives credit for recommending the royal journey of the Duke and Duchess of York to Australia, to open the first Parliament of the new Confederation, but there is no doubt that Mr Chamberlain has inspired the policy. He has lost interest in old age pensions and other socialistic experiments, and is rounding out his career as the greatest of English Imperialists, and displaying his ingenuity in emphasizing in every possible way the world-wide interests which have been involved in the war with South Africa, and in the settlement brought about with the loyal support of the colonies.

AWFUL CRIME BY RUSSIANS.

Five Thousand Massacred

FORCED INTO RIVER AMUR AND DROWNED.

Awful Barbarity of Russian Soldiers

[SPECIAL TO THE EXAMINER.]

LONDON, Sept. 21.—"Authentic accounts have been received here," says the Moscow correspondent of the Standard, "of a horrible massacre at Blagonestchensk, which was undoubtedly carried out under a direct order from the Russian authorities, and which then let loose the tide of slaughter through the Amur district."

The Chinese population of 5,000 souls was escorted out of the town to a spot five miles up the Amur, and then being led in batches of a few hundred to the river bank were ordered to cross over to the Chinese side. No boats were provided and the river is a mile wide.

The Chinese were flung alive into the stream and were stabbed or shot at the least resistance, while Russian soldiers who lined the banks clubbed or shot any who attempted to land.

BRITISH ELECTIONS.

Issues to be Submitted

LONDON, Sept. 20.—Mr. Joseph Chamberlain, Secretary of State for the Colonies, in a letter to a Unionist candidate for Parliament, says:

"In my opinion the issues of the general election are the war in South Africa, and the nature of the settlement which is to insure us against any danger to our possessions in South Africa."

More Wreckage.

HALIFAX, Sept. 20.—The St. Pierre, Miquelon, fishing fleet suffered heavily by the gales of last week, and the damage will amount to thousands of dollars. Over forty schooners put in from the fishing grounds, more or less damaged. The storm was one of the worst in years, and came up very suddenly. Sails, spars and rigging were torn and snapped as if they were straw.

Dangerously Ill.

MONTREAL, Sept. 20.—The Star's London cable says: The War Office announces Private L. Smith, 62nd St. John Fusiliers, is still dangerously ill at Cape Town.

Unfair Play Exposed.

TORONTO, Sept. 20.—The Liberals apparently cannot run a clean election among themselves. In West Elgin yesterday, a convention was held to select a candidate. Geo. E. Casser, M. P., and A. D. McGuigan were nominated. There was a rush to catch the train and in the hurry the convention got mixed up, and when the ballots were counted it was found that ten more had been cast than there were accredited delegates. The convention subsequently adjourned without choosing a candidate.
