Important to the Citizens of
Prince Edward Island.

The Continental
LIFE INSURANCE CO.
OF NEW YORK.
Has decided on establishing branches in this Place, thus completing its line of branches from California to P. E. Island.

As the reputation of the CONTINENTAL is now WORLD-WIDE, to adduce any argument in support of its ability, and of its claims to public confidence, would be a work of supererogation. The simple fact that it, last year, issued
12,537 POLICIES,
the largest number issued by any company in the world! is the best guaranty that can be offered of its ability and popularity, and of the public confidence.

The following are a few of the advantages offered by the Continental:
PERFECT SECURITY.—The assets of the Company are
\$5,475,850!
securely invested.

ONE-THIRD THE PREMIUM may remain unpaid, as a loan on the Policy, (without Note), until cancelled by the dividend or otherwise.
THE COMPANY BEING PURELY MUTUAL all the profits of the business are annually divided among the Policy-holders.
THIRTY DAYS' GRACE allowed on the payments of premiums, and the Policy does good during that time.
SHOULD ANY POLICYHOLDER desire to discontinue his Policy, after two years, the Company will take it off his hands, and give a paid-up Policy for the entire amount paid.

ALL POLICIES NON-FORFEITING. No Charge for Policy, Medical Examination, or Stamp.
ALL CLAIMS IN PRINCE EDWARD ISLAND paid in the Island without the claimant having to go to New York.
EVERY POLICY-HOLDER is entitled to vote at the Annual Election of Officers, and all are eligible to office.

As the great importance of Life Insurance TO ALL, whether rich or poor, is now universally admitted, any arguments to point out its advantages would be superfluous. The patronage of the Public of P. E. Island is therefore respectfully solicited.
J. P. ROBERTSON, Secretary.
WANTED.—Competent and reliable gentlemen as Agents, at Summerside and Georgetown.—Also a few intelligent and energetic men as Solicitors in this place, with whom liberal arrangements will be made.

CLOTHING EMPORIUM,
BROADWAY,
CHAPTER III.

To the Gentlemen of P. E. Island, Greeting:
GENTLEMEN;
THE summer of peace and plenty, of clouds and sunshine, of pure and muggy roads and streets, are next coming out on nature's programme, independent of the Road Commissioner or City Corporation. Next, Winter, grim king Winter, with his frosts and snows, will blow his Arctic breath across our little Isle, freeze the Straits of Northumberland, and complete the isolation of P. E. Island. Notwithstanding that your yards, barns, granaries, cellars, green-houses and dairies are stocked, stuffed, filled, stored, crammed, crocked and firkin'd with the fat of the land, the fruits of the vine and products of your stock, you call this "the winter of your discontent" While you have plenty to eat and drink, your discontent comes from "wherever are you to be clothed." Come into Broadway and be a contented people.

NOW, GENTLEMEN, FOR THE RAILWAY!
I. D. H. MACKINNON, of Broadway, bear good will to you all, and malice toward none; and now demand the immediate commencement and speedy completion of the aforesaid Railroad for the benefit of the travelling public; and as passing events cast their shadows before, I am taking time by the forelock, and preparing for you all. Accordingly, as fast as our European goods arrive, we are busily making every kind of warm cloth into fashionable and comfortable garments, suitable for the season, good, cheap and durable, so that you may travel with comfort on the Railroad or in your own private conveyance, without fearing the frowns of grim king Winter, or any mortal man who might wish to make you afraid.

Remember BROADWAY has the following

Ayer's Sarsaparilla,
FOR PURIFYING THE BLOOD.
The reputation this excellent medicine enjoys, is derived from its cures, many of which are truly marvellous. It cures Scrophulous disease, where the system is so saturated with corruption, that the blood is so impure, that it is necessary to bleed the patient, and even then, it seems to breed infection throughout the body, and then, on some favorable occasion, rapidly develop into one or other of its hideous forms, either on the surface or among the vital. In the latter, tubercles may be seen, and in the former, eruptions or tumors formed in the liver, or it shows its presence by eruptions on the skin, or foul ulcers on some part of the body. Hence the occasional use of a bottle of this Sarsaparilla is advisable, even when no symptoms of the disease appear. Persons afflicted with the following complaints generally find immediate relief, and at length, cure, by the use of this Sarsaparilla:—**JAUNDICE, St. Anthony's Fire, Rose or Erysipelas, Itch, Salt Rheum, Scrophulous Swellings, Sore Eyes, Sore Ears, and other eruptions or visible forms of Scrophulous disease.** Also, in the more chronic cases, it is equally successful. Those who are Languid and listless, Dependent, Sleepless, and troubled with Nervous Debility, or any of the affections symptomatic of Weakness, will find immediate relief and convincing evidence of its restorative power upon trial.
