"What a boon it would be to the Medical Profession if some reliable Chemist would bring out an Extract of Malt in combination with a well digested or Peptonized Beef, giving us the elements of Beef, and the Stimulating and Nutritous portions of Ale." So wrote the late eminent Dr. J. MILNER FOTHERGILL.

PEPTONIZED

ALE AND BEEF

Is the Identical Article as suggested above. It is the only

NUTRIENT TONIC

of the kind, as all attempts to combine Ale, Beef and Pepsin have hitherto been unsuccessfull. Beef supplies the blood and muscle, and Pepsin aids digestion, and the Extract of Malt is nourishing and invigorating.

Keep the Works in good order.

NORMAN, Ont., January 15, 1890.

W. H. COMSTOCK, Brockville, Ont.

DEAR SIR,—Your "Dr. Morse's Indian Root Pills" are the best regulator for the system that humanity can use. Life is as the time-piece: frail and delicate are many of its works. A tiny particle of foreign substance adheres to the smallest wheel in the works, and what is the result?—at first only a slight difference is perceptible in its time-keeping, but wait you; as the obstruction grows, the irregularity becomes greater, until at last, what could have been rectified with little trouble, in the beginning, will now require much care in thoroughly cleansing the entire works. So it is in human life—a slight derangement is neglected, it grows and increases, imperceptibly at first, then rapidly, until what could, in the beginning, have been cured with little trouble, becomes almost fatal. To prevent this, I advise all to purify the system frequently, by the use of Morse's Pills, and so preserve vigor and vitality.

Yours faithfully,
H. F. ATWELL.

DEAR SIR,—For many years, I have been a firm believer in your "Dr. Morse's Indian Root Pills." Not with a blind faith, but a confidence wrought by an actual personal experience of their value and merit. My business is such that I spend much of my time away from home, and I would not consider my travelling outfit complete without a box of Morse's Pills.
