N. Y. Stocks

NEW YORK, (AP) — Defence stocks were in the forefront of the market's advance Monday. Aircrafts were heavily purchased at higher prices. That buoyancy accompanied reports that the Chinese Reds were building up their air strength opposite Formosa.

The defence issues, however, were joined by motors, railroads, oils, airlines and some chemicals and utilities, plus a long list of individual issues.

Gains ran to around 6 points at the best in key sections. Losses of 2 to 3 points were found at the outside.

The Associated Press average of 60 stocks was up $1.20 at $166.00, a historic high point. Volume was good at 3,080,000 shares.

Avco Corp. was the day's most active issue up ¼ at 8⅛, followed by New York Central up 1⅝ at 42⅛ and Chrysler up 2⅜ at 82⅜.

Coca-Cola International made by far the best advance of the day—up 128½ at 990 on a 10-share transaction. The stock is seldom traded. Du Pont on an earnings increase was up 2¾ at 178½.

Canadian issues were mostly lower. McIntyre lost ¾, Distillers Seagram fell ⅜ and International Nickel slipped ¼. Canadian Pacific added ¼ and Dome Mines and Hiram Walker both remained unchanged.

Lake Shore, Canadian issue on the American stock exchange, added ⅛. Giant Yellowknife and Royalite Oil both remained unchanged.

TORONTO (CP)—Prices in all major sections moved higher at the stock market Monday amid active trading.

Industrials continued their upward trend moving to a little more than one point from their record index high of 386.77, hit March 8.
