WHAT WILL THEY SAY IN ENGLAND.

What will they say in England?
When the story there is told,
Of deeds of might, on Alma's height,
Done by the Brave and Bold!
Of Russia, proud at noontide,
Humbled ere set of Sun,
They'll say—'twas like Old England,
They'll say 'twas nobly done!

What will they say in England?
When hushed in awe and dread,
Fond hearts thro' all our happy homes,
Think of the mighty Dead;
And muse in speechless anguish,
On Father, Brother, Son,
They'll say in dear Old England,
God's Holy will be done!

What will they say in England?
The matron and the maid,
Whose widow'd withered hearts have found,
The price that each has paid?
The gladness that their homes have lost,
For all the glory won!
They'll say in Christian England,
God's Holy will be done!

What will they say in England?
Our names both night and day,
Are in their hearts, and on their lips,
When they laugh, or weep, or pray;
They watch on Earth, they plead with Heav'n—
Then forward to the fight!
Who droops and fears! when England cheers,
And God defends the Right!

SOMETHING LIKE A COMPLIMENT.—As a lady of the Fortescue family who possessed great personal beauty, was walking along a narrow lane, she perceived just behind her a hawker of earthenware, driving an ass with two panniers, laden with his stock in trade. To give the animal and his master room to pass, the lady suddenly stepped aside, which so frightened the donkey that he ran away, and had not proceeded far when he fell, and a great part of the crockery was broken. The lady, in her turn, became alarmed lest the man should load her with abuse, if not offer to insult her; but he merely exclaimed, "Never mind, madam; Balaam's ass was frightened by an angel."

A little fellow, weeping most piteously, was suddenly interrupted by some amusing occurrence. He hushed his cries for a moment; there was a struggle between smiles and tears; the train of thought was broken. "Ma," said he, resuming his snuffle, and wishing to have his cry out, "Ma—ugh! ugh! ugh! *what was I crying about just now?*"

OLD BAILEY TO WIT.—If Bluebeard were tried now-a-days for the murder of his eight wives, it is a great judicial question whether he would not be "strongly recommended to mercy." We ourselves are positive that he would, and our conviction arises not so much "*de facto*," as "*de jury*."

DINNER AND BREAKFAST INVITATIONS.—Mrs Stowe, in her "Sunny Memories of Foreign Lands," records a conversation with Mr. Macaulay. "He said dinner parties are mere formalities. You invite a man to dinner because you *must* invite him; because you are acquainted with his grandfather, as it is proper you should; but you invite a man to breakfast because you want to see him. Yes, depend upon it, if a man is a bore he never gets an invitation to breakfast."

It is not generally known that the leaves of geraniums are an excellent application for cuts, where the skin is rubbed off, and other wounds of that kind. One or two leaves must be bruised and applied on linen to the part, and the wound will become cicatrized in a very short time.

LOOKING FOR THE HARVEST.—It is not reasonable to suppose that, when a young lady offers to hem cambric handkerchiefs for a rich bachelor, she means to sew in order that she may reap!

Dr. Paley could imagine nothing more insipid than a man and wife living together more than thirty years, without a single conjugal quarrel.

A PRIZE CITY—WHEN THEY GET IT.—Menschikoff has promised his troops, that if he once gets Constantinople he will instantly deliver it up to Cossack and rapine.

A young widow with $80,000, in New York, advertises for a husband not over five feet ten inches in height. Nothing is said about breadth.

The Far-famed Medicine!

HOLLOWAY'S PILLS.

SURPRISING CURE OF A CONFIRMED ASTHMA, AFTER FIVE YEARS' SUFFERING.

The following testimonial has been sent to Professor Holloway, by a gentleman named Middleton, of Scotland Road, Liverpool.

Sir,—Your Pills have been the means, under Providence, of restoring me to sound health, after five years of severe affliction. During the whole of that period, I have suffered the most dreadful attacks of Asthma, frequently of several weeks' duration, attended with a violent cough, and continual spitting of phlegm intermixed with blood. This so shook my constitution that I was unfitted for any of the active duties of life. I was attended by some of the most eminent medical men of this town, but they failed to give me the slightest relief. As a last remedy, I tried your Pills, and in about three months they effected a perfect cure of the disease, totally eradicated the cough, and restored tone and vigor to the chest and digestive organs.

I am, Sir, your obedient Servant,
Signed H. MIDDLETON.

Dated Jan. 1st, 1853.

A PERMANENT CURE OF A DISEASED LIVER, OF MANY YEARS' DURATION.

Copy of a Letter from Mr. Gamis Chemist, Yeovil, to Professor Holloway.

Dear Sir,—In this district your Pills command a more extensive sale than any other proprietary medicine before the public. As a proof of their efficacy in Liver and Bilious complaints, I may mention the following case: A lady of this town, with whom I am personally acquainted for years, was a severe sufferer from disease of the Liver and digestive organs; her medical attendant assured her that he could do nothing to relieve her sufferings, and it was not likely she could survive many months. This announcement naturally caused great alarm among her friends and relations, and they induced her to make a trial of your Pills, which so improved her general health that she was induced to continue them until she received a perfect cure. This is twelve months ago, and she has not experienced any symptoms of relapse, and often declares that your Pills have been the means of saving her life.

I remain, Dear Sir, yours truly,
Signed J. GAMIS.

AN ASTONISHING CURE OF CHRONIC RHEUMATISM, AFTER BEING DISCHARGED FROM THE HOSPITAL INCURABLE.

Copy of a Letter from Mr. W. Moon, of the Square, Winchester.

To Professor HOLLOWAY,

Sir,—I beg to inform you that for years I was a sufferer from Chronic Rheumatism, and was often laid up for weeks together by its severe and painful attacks. I tried everything that was recommended, and was attended by one of the most eminent surgeons in this town, but obtained no relief whatever; and fearing that my health would be entirely broken up, I was induced to go into our County Hospital, where I had the best medical treatment the Institution afforded, all of which proved of no avail, and I came out no better than I went in. I was then advised to try your Pills, and after persevering with them was perfectly cured, and enabled to resume my occupation, and although a considerable period has elapsed, I have felt no return whatever of the complaint. a

I am, Sir, your obliged Servant,
Signed W. MOON.

Elkington & Co's. Patent Electroplate.

HAS now been before the public since 1841, and after the most severe test of wear, in the vessels of the Royal Mail Steam Packet Company, the Peninsular and Oriental Company, the General Screw Steam Ship Company, the Pacific Steam Navigation Company, and numerous Club Houses, Hotels, and Private Houses, in every part of the world, continues to give the most unqualified satisfaction, supplying as it does all the advantages of silver in utility and beauty of effect; and it will be found that the interest of money upon the cost of silver Goods for a period of seven years, is alone sufficient to purchase Electro Plate, and this, with the now established fact of its extreme durability, makes it a matter of great importance to all purchasers of such articles. It must be evident that the wear of all articles depends on the thickness of the deposit, and the Patentees refer with great satisfaction to the award made by the Royal Commission of the Great Exhibition, 1851, OF THE FIRST CLASS OR COUNCIL MEDAL for these productions.

A large assortment of the above Goods has just arrived per Cicely, direct from the manufacturers, and is now ready for sale.

WILLIAM HEARD.

Patent Lacteal or Artificial Breast.

THIS article is intended to take the place of the common Nursing Bottle, to which there are many objections, as mothers and nurses are well aware. With most children, there is usually great difficulty in teaching them the use of the bottle, and with many it is altogether impracticable. The Lacteal, by its peculiar form and adaptation, enables the child to feel in the natural position, thus inducing it to think that it derives its nourishment from the mother. Besides being far preferable as to form and convenience of application, it combines the utility of all kinds of nurse bottles now in use, for the mouth of the Lacteal can be fitted with a cork, and the common ivory or silver tube.

DOCTOR HOOFLAND'S CELEBRATED GERMAN BITTERS,

prepared by DR. C. M. JACKSON,
German Medicine Store,
No. 120 Arch St., one door below Sixth Philada.

Their power over the above diseases is not excelled, if equalled, by any other preparation in the United States, as the cures attest, in many cases after skilful physicians had failed.

These Bitters are worthy the attention of Invalids. Possessing great virtues in the rectification of the liver and lesser glands, exercising the most searching power in weakness and affections of the digestive organs, they are withal safe, certain, and pleasant.

Testimony from Maine.

CAPT. DANIEL ABBOTT, Brooklyn, Maine, July 16, 1853, says: "I was taken sick one year ago, last April, upon my passage from Havanna to Charleston, S. C. At the latter place I took medicine and procured a physician, but for ten days could obtain no relief, no sleep or appetite. At last taking up a newspaper having your advertisement of "Hoofland's German Bitters" in it, I sent for some immediately, this was about 10 o'clock, at 11 o'clock I took the first dose, and another at 6 o'clock. The effect was so rapid on me, that I had a good appetite for supper, and rested well that night, and the next day found me a well man. I have not been without your medicine since, having been sailing between Baltimore, Charleston and the West India Islands ever since. I have now given up going to sea, and reside in this place, where I intend to open an agency, as you could sell large quantities of it."

JOS. B. HALL & Co., Presque Isle, Aroostook Co., Maine, April 24, 1854, say: "We herewith send you a certificate of a cure performed by the use of *only one bottle* of the German Bitters, we think Mr. Clark to be a man of veracity, and have no doubt of the truth of his story."

Messrs. JOS. B. Hall & Co.—Gentlemen—In answer to your inquiries, I will state that my daughter, aged about 16 years, had been complaining of a pain in her side, for six or seven years, and about the first January last, was taken down and confined to her bed. The pain in her side was very severe, besides being troubled with pain in her breast between her shoulders and in her breast. From reading a number of cures performed by "Hoofland's German Bitters" I was induced to try it in her case, and sent to your store and purchased one bottle. She had taken it but a few days when she began to improve, and now, after taking *only one* bottle, she is enjoying better health than she has for years. She feels no pain in her side or in any part of her body, and attributes her cure *entirely* to the German Bitters. WILLIAM CLARK,

Salmon Brook, Aroostook Co., Me.

You should bear in mind that these Bitters are ENTIRELY VEGETABLE, thereby possessing advantages over most of the preparations recommended for similar diseases.
