HEALTH RESTORED

By using Mrs. M. N. Gardner's Indian Balsam of Liverwort and Hoarhound.

THIS Balsam is composed of Liverwort and Hoarhound, combined with about twenty other different Herbs, and entirely a vegetable compound. It is compounded in a truly scientific manner, and according strictly with rules of Pharmacy, retaining all the medicinal qualities of each article in its original strength, and being concentrated in the form of a Balsam that is agreeable to the taste and wonderfully quick and efficacious in its action on the Lungs and Bronchial Tubes, it exceeds anything in medical science that has ever been offered.

and those dreadful and appalling enemies to our race and country, CONSUMPTION AND LIVER COMPLAINT.

It is unrivaled, and when it has once been sold it has gained a reputation for itself, without the aid of lengthy advertisements, and it now has the confidence, and is recommended by many high-minded men, and some of our first physicians; and we particularly ask the attention of this class of the community who are afflicted with any complaints of the Throat, Chest or Lungs, to this article, and to PUBLIC SPEAKERS.

who are troubled with Bronchitis or any Bronchial affections caused by over exertion, we can say with all confidence, use MRS. GARDNER'S INDIAN BALSAM OF LIVERWORT AND HOARHOUND.

It is an excellent remedy for BOWEL COMPLAINTS, although we do not claim for it such high encomiums as some others claim for their preparations, particularly adapted to diseases of this nature. We have many valuable certificates in our possession in favor of this medicine, from men of high standing, and whose popularity extends throughout America. We have liberty to use the names of a few persons well known in our community, who have been cured or otherwise benefited by the use of this Balsam.

Messrs. WEEKS & POTTER, 134 Washington Street, Boston are Proprietors, and for sale by all Druggists. Be sure and ask for Mrs. M. N. Gardner's Indian Balsam of Liverwort and Hoarhound, and take no other, for there are numbers of spurious articles in the market. The genuine has a blue wrapper and red label round each bottle. An Astonishing Remedy.

HOLLOWAY'S OINTMENT.

IT EXPELS DISEASE. It is said that all productions of human skill have their day, and are superseded by new inventions or discoveries. Not so with this remedy. "It is not for a day, but for all time, and in all countries." And why? Because it strikes at the general root of all diseases in the blood, and medical art can accomplish nothing beyond that. The Ointment, penetrating through flesh and fibre, like water through a porous substance, reaches the germ or disease such as scrofula, erysipelas, cancer, tumor, and all eruptive and ulcerous discharges in the circulation, and eradicates the taint at once and for ever in this climate.

BAD LEGS. This Ointment will cure any case of Bad Leg even if of twenty years standing, or however hard or discolored the flesh may be, or if swollen the size of a person's body, providing that the Ointment is well rubbed into the whole of the parts effected twice a day in large quantities, and the parts kept covered with linen rags thickly spread with the Ointment; from this mode of treatment, a plentiful discharge of unhealthy humor will follow, until the wounds are all healed on the leg, or other parts assumes its natural appearance.

OLD WOUNDS, SORES, AND ULCERS. The most inveterate cases of bad legs, scrofulous, or other sores, are cured, if of 20 years standing, by the joint use of the Ointment and Pills. The effect of this unrivaled remedy upon virulent ulcers and sores, is almost miraculous. It first discharges the poison which produces suppurating and proud flesh, and thus the cure which its healing properties afterwards complete, is as safe as well as permanent. It has a wonderful effect in the cure of sores occasioned by mosquitoes, sandflies, or gizzards.

PILES. This Ointment will cure the worst cases of Piles if used according to the printed directions even if of 20 years standing.

ERUPTION OF THE SKIN. Blotches, pimples, dry eruptions, and all irritations of the skin, fade and disappear after a few applications of Holloway's Ointment. In these cases brisk friction is indispensable. Many of the ordinary eruptions are caused by suppressed perspiration, and as this penetrating unguent at once opens the pores and invigorates the absorbents, it dissipates the inflammation by a double process. Ladies whose faces or arms are disfigured by cutaneous diseases, may readily remove the blemish and restore to the skin its natural tint, flexibility, and softness, by the use of this safe but powerful counter-irritant.

Both the Ointment and Pills should be used in the following cases—Bad legs, Chiepo-foot, Fistulas, Sor-roots, Bad Breasts, Chilblains, Gout, Skn-disease, Burns, Chapped hands, Glandular Swellings, Scurvey, Bunions, Corns (Soft), Lumbago, Sore-heads, Bite of Mos-citoes, Cancers, Piles, Tumours, Sandflies, Contracted and Rheumatism, Ulcers, Coco-bay, Stiff Joints, Scalds, Wounds, Elephantiasis, Sore Nipples, Yaws.

Sold at the Establishments of Professor Holloway, 244, Strand, (near Temple Bar) London, and 80, Maiden Lane, New York, also by all respectable Druggists and Dealers in Medicines throughout the civilized world, at the following prices:—1s 3d, 3s 3d, and 5s each Pot. There is a considerable saving by taking the larger sizes. N. B.—Directions for the guidance of patients in every disorder are affixed to each Pot.

R. R. R. HEALTH will, in all cases, follow the use of Radway's R. R. Remedies. There are none so sick or diseased, so weak, feeble, or crippled with pain or infirmities, but that Radway's Ready Relief, Renovating Resolvent, or Regulators, as the nature of the disease or sickness may require, will quickly and rapidly cure. These remedies consist of Radway's Ready Relief; Radway's Renovating Resolvent; Radway's Regulators. Each of these remedies possesses special curative powers over certain diseases. Yet there are other diseases wherein their combined medicinal properties are required; and when thus used, if there is sufficient life and strength within the diseased or dying body to sustain their action, the patient will live and be restored to health.

CONSTITUTIONAL DISEASES. Many diseases that afflict humanity are inherited as heir-loom from the diseased bodies of sickly sires. Scrofula, Consumption, Syphilis and Fits, are among the most common of constitutional diseases. Now, we care not how many generations the seeds of these diseases may have been established in the system, corrupting the blood—Radway's Renovating Resolvent will eradicate from the bodies of the afflicted every particle of diseased deposits, and fill the veins with new, pure and healthy blood.

CHILDREN'S DISEASES. Radway's Renovating Resolvent should be hailed as a blessing by every mother throughout the land, whose infants are afflicted with Sore, Humors, etc. These breakings out (thus early) are evidences of disease transmitted from the parent stock. A few doses of the Renovating Resolvent will eradicate every vestige of the disease and insure the child a sound and healthy body.

R. R. R.—Radway's Ready Relief for Headaches, whether sick or nervous; Rheumatism, Diarrhea, Dysentery, Cholera, Morsus, Cramps, Influenza, Bloody Flux, Paralysis, Lumbago, Gout, Neuralgia, Tooth-ache, Small Pox, Fevers, Swollen Joints, Kidney Complaints, Scarlet Fever, Pains around the Liver, Pleurisy, Measles, Heartburn, and Pains of all kinds. Radway's Ready Relief will, in a few minutes, change the miseries you suffer to joys of pleasure.

R. R. R.—Radway's Renovating Resolvent, for the cure of chronic diseases—such as Scrofulous and Syphilitic complaints, Consumptive and other affections of the Lungs and Throat, Induration and Enlargements of parts, Eruptive and other diseases of the Skin, Nodes, Tumors, Ulcers, Dysentery, and all other diseases arising from an impure state of the Blood.

R. R. R.—Radway's Regulators will cure, effectively and speedily, Costiveness, Indigestion, Painter's Cholic, Lead Diseases, Inflammation of the Bowels, Dyspepsia, Liver Complaint, Diseases of the Heart and Kidneys, Female Complaints, Small Pox, Fevers, Measles, etc.

etc. Whenever the system is out of order, or the blood impure, a dose of Radway's Regulators will restore it to regularity, and purify and cleanse the blood. No female should be without them.

THIS philanthropist has spent the greater part of his life in traveling, having visited Europe, Asia, and Africa, as well as North America—has spent three years among the Indians of our Western country—it was in this way that the Indian Root Pills were first discovered. Dr. Morse was the first man to establish the fact that all diseases arise from IMPURITY OF THE BLOOD—that our strength, health, and life depended upon the purity of the blood, and do not act in perfect harmony with the different functions of the body, the blood loses its action, becomes thick, corrupted and diseased; thus causing all pains, sickness and distress of every name; our strength is exhausted, our health we are deprived of, and if nature is not assisted in throwing off the stagnant humors, the blood will become choked and cease to act, and then our light of life will forever be extinguished. How important then that we should keep the various passages of the body free and open. And how pleasant to us that we have it in our power to put a medicine in your reach, namely, Morse's Indian Root Pills, manufactured from plants and roots which grow around the mountainous cliffs in Nature's garden, for the health and recovery of diseased man. One of the roots from which these Pills are made is a Sudorific which opens the pores of the skin, and assists Nature in throwing out the finer parts of the corruption within. The second is a plant which is an Expectant, that opens and enlarges the passage to the lungs, and thus, in a soothing manner, performs its duty by throwing off phlegm, and other humors from the lungs by copious spitting. The third is a Diuretic, which gives ease and double strength to the kidneys; thus encouraged, they draw large amounts of impurity from the blood, which is then thrown out by the urinary or water passage, and which could not have been discharged in any other way. The fourth is a Cathartic, and accompanies the other properties of the Pills while engaged in purifying the blood; the coarser particles of impurity which cannot pass by the other outlets, are thus taken up and conveyed off in great quantities to the bowels.

From the above, it is shown that Dr. Morse's Indian Root Pills not only enter the stomach, but become united with the blood, for they find way to every part, and completely root out and cleanse the system from all impurity, and the life of the body, which is the blood, becomes perfectly healthy; consequently all sickness and pain is driven from the system, for they cannot remain when the body becomes so pure and clear. The reason why people are so distressed when sick, and why so many die, is because they do not get a medicine which will pass to the afflicted parts, and which will open the natural passages for the disease to be cast out; hence, a large quantity of food and other matter is lodged, and whose feeble frames have been scorched by the burning elements of raging fever, and who have been brought, as it were, within a step of the silent grave, now stand ready to testify that they would have been numbered with the dead had it not been for this great and wonderful medicine, Morse's Indian Root Pills. After one or two doses had been taken, they were astonished, and absolutely surprised, in witnessing their charming effects. Not only do they give immediate ease and strength, and take away all sickness, pain and anguish, but they at once go to work at the foundation of the disease, which is the blood. Therefore, it will be shown, especially by those who use these Pills, that they will so cleanse and purify, that disease—that deadly enemy—will take its flight, and the flush of youth and beauty will again return, and the prospect of a long and happy life will cherish and brighten your days.

AYER'S CHERRY PECTORAL, FOR THE RAPID CURE OF Colds, Coughs, and Hoarseness.

PREPARED BY DR. J. C. AYER, Lowell, Mass., 20th Dec, 1856. Dr. J. C. AYER, I do not hesitate to say the best remedy I have ever found for Coughs, Hoarseness, Influenza, and the concomitant symptoms of a Cold, is your CHERRY PECTORAL. It is constant use in my practice and my family for the last ten years has shown it to possess superior virtues for the treatment of these complaints. EBEN KNIGHT, M. D. A. B. MORTLEY, Esq., of Utica, N. Y., writes: "I have used your Pectoral myself and in my family ever since you invented it, and believe it the best medicine for its purpose ever put out. With a bad cold I should sooner pay twenty-five dollars for a bottle than do without it, or take any other remedy."

Croup, Whooping Cough, Influenza. BROTHEN AYER: I will cheerfully certify your Pectoral is the best remedy we possess for the cure of whooping cough, croup, and the chest disease of children. We are of your fraternity in the South appreciate your skill, and commend your medicine to our people. HIRSHAM CONKLIN, M. D.

AMOS LEE, Esq., of Worcester, Pa., writes, 3d Jan., 1856: "I had a tedious Influenza, which confined me in bed six weeks; took many medicines without relief; finally tried your Pectoral by the advice of our clergyman. The first dose relieved the soreness in my throat and lungs; less than one half the bottle made me completely well. Your medicine is the cheapest as well as the best we can buy, and we esteem you, Doctor, and your medicine, as the poor man's friend."

Asthma or Phtisis, and Bronchitis. WEST MANCHESTER, Pa., Feb. 4, 1856. Sir: Your Cherry Pectoral is performing marvellous cures in this section. It has relieved me from alarming symptoms of consumption, and is now curing a man who has labored under an affection of the lungs for the last forty years. HENRY H. FARRIS, Merchant.

A. A. RAMSEY, M. D. of Adams, Monroe Co., Iowa, writes, Sept. 6, 1855: "During my practice of many years I have found nothing equal to your Cherry Pectoral for relieving acute and chronic affections of the throat and lungs; such as are curable."

We might add volumes of evidence, but the most convincing proof of the virtues of this remedy is found in the effects upon trial.

Consumption. Probably no one remedy has been known which cured so many and such dangerous cases as this. Hence no human aid can reach; but even to those the Cherry Pectoral affords relief and comfort. AFRON HOUSE, New York City, March 5, 1856.

DOCTOR AYER, Lowell: I feel it a duty and a pleasure to inform you what your Cherry Pectoral has done for my wife. She had been five months laboring under the dangerous symptoms of Consumption, from which no aid we could procure gave her any relief. She was confined to bed, until Dr. Strong, of this city, where we have come for advice, recommended a trial of your medicine. We bless his kindness, as we do your wisdom, for it has cured her, but is free from her cough, and calls her well. Yours with gratitude and esteem, ORLANDO SHELLEY, of NEWELLVILLE.

Consumption, do not despair till you have tried AYER'S CHERRY PECTORAL. It is made by one of the best medical chemists in the world, and its cure all around us bespeak the high merits of its virtues.—Philadelphia Ledger.

Ayer's Cathartic Pills.

THE sciences of Chemistry and Medicine have been taxed their utmost to produce this best, most perfect purgative which is known to man. Innumerable proofs are shown that these PILLS have virtues which surpass in excellence the ordinary medicines; and that they are unprecedentedly upon the esteem of all men. They are safe and pleasant to take, but powerful to cure. Their penetrating properties stimulate the vital activities of the body, remove the obstructions of its organs, purify the blood, and expel disease. They purify the blood, cleanse the bowels, and grow distemper, stimulate sluggish or diseased organs into their natural action, and impart healthy tone with strength to the whole system. Not only do they cure the every-day complaints of every body, but also formidable and dangerous diseases that have baffled the best of human skill. While they produce powerful effects, they are at the same time so mild, so safe, so pleasant, and best physic that can be employed for children. Being sugar-coated, they are pleasant to take; and being purely vegetable, are free from any risk of harm. Cures have been made which surpass belief were they not substantiated by men of such exalted position and character as to forbid the suspicion of fraud. Many eminent clergymen and physicians have lent their names to certify to the public the reliability of my remedies, while others are sent me the assurance of their conviction that my preparations contribute immensely to the relief of my afflicted, suffering fellow-men.

The Agent below named is pleased to furnish gratis my American Almanac, containing directions for their use and certificates of their cures, of the following complaints:—Costiveness, Bilious Complaints, Rheumatism, Dropsy, Heartburn, Headache arising from a full stomach, Nausea, Indigestion, Morbid Inaction of the Bowels and Pain arising therefrom, Flatulency, Loss of Appetite, all Ulcerous and Cutaneous Diseases which require an evacuant medicine, Scrofula or King's Evil. They also, by purifying the blood and stimulating the system, cure many complaints which it would be impossible to certify to, such as Deafness, Partial Blindness, Neuralgia and Nervous Irritability, Derangements of the Liver and Kidneys, Gout, and other kindred complaints arising from a low state of the body or obstruction of its functions.

Do not be put off by unprincipled dealers with some other pill they make more profit on. Ask for AYER'S PILLS, and take nothing else. No other can give you compare with this in its intrinsic value or curative power. The sick want the best aid there is for them, and they should have it.

Prepared by Dr. J. C. AYER, Practical and Analytical Chemist, Lowell, Mass. PRICE 25 CTS. PER BOX. FIVE BOXES FOR \$1.

FORTY-EIGHT FROM ONE!

St. John, N. B., March, 1856. Messrs. Fellows & Co. Gents: I cannot forbear letting you know of the effects produced by your wonderful Worm Lozenges. I gave my son, 12 years old, two doses, and in a short time he passed six large worms. My daughter, 10 years old, took four Lozenges, and in a few hours she passed sixteen; and subsequently I gave her more, and the worms continued to come from her until Forty-Eight Large Worms were passed. Strange to say, they acted in a similar way on two grown persons in my house. I am of opinion that very many children die annually from the effects of worms, who are treated for other diseases. I am, sirs, your obt' servant, JAMES GILMOUR, St. Andrews Street.

FELLOWS' WORM LOZENGES ARE SOLD BY ALL APOTHECARIES.
