New Trotting Mark For Montague

Heatherbell Displaces Own Former Mark In Winning 2.15 Class; Fast Times Made

Lowering skies and light mists of rain could not keep away upwards of 1,200 race fans who gathered at Montague track yesterday afternoon to witness the events postponed from Wednesday. Almost up until the moment the first heat was called heavy clouds hung over the track and seemed to presage a deluge, but they gradually drifted away and when the first heat was on the sun was "smilin' thru."

It was a good-humored and enthusiastic crowd who had been drawn by the magnet of fast horses with clever and experienced drivers. Some of the best steeds in the Maritimes were to strut their stuff, including horses that had recently won in the fastest company, such as McElwyn the Great, 2:09 1-2, Star G. 2:09, and Hanover Courier, 2:09. These were pitted together with four other pacers and a trotter—Heatherbell 2:10, in three of the most thrilling heats seen on a local speedway for some years.

The 2:15 trot with seven well-matched horses was a pretty event to watch, and as Lusty Frisco crossed the line each trip with a little to spare he was greeted with great applause.

The 2:24 trot and pace was conceded to Peter Onward 2:13 3-4, and he came through the first two trips in the third acted badly and Soviet 2:12 1-2, won out with Leta Kalmuck right on his heels.

The highlight of the day, however, was the performance of the trotter Heatherbell, making his first start under new ownership. It also marked the re-appearance in a professional race of owner-driver Colonel Dan MacKinnon. Three years ago he retired from the turf, but last fall succumbed to temptation when Heatherbell was set up at auction. Heatherbell and owner made history yesterday, staging a trotting performance that will be talked of for a long time.

In the first heat getting away in the back tier he had to make up a lot of territory, but mowed down his opponent after opponent until finally he got in the lead, finishing the mile in a great drive, winning from McElwyn the Great in 2:11-4, a new track record, displacing the 2:11 1-2 made by Heatherbell September 24th, 1932.

In the second heat the fight was carried to Heatherbell by Ross K. who put up a great contest and forced Heatherbell to again lower the record to 2:11 flat. In the third heat Star G. got away flying, grabbed the pole and held the lead past the quarter, then Heatherbell raced to the front, but in the last end of the mile Star G. was coming very fast and finished on his pad, time 2:10 3-4, again lowering the track record.

McElwyn the Great came out from behind Ross K. and made up ground rapidly on Heatherbell, finishing very fast and forcing him to a new track record. Hanover Courier went a dandy heat and was a very close third, Ross K. fourth, Star G., who had not got away too good fifth, Catherine C. sixth, and Winnie Winkle seventh. Billy Cope showed plenty of speed, being with the leaders almost to the half, but had not sufficient work to keep up the clip.

Second heat. The horses got away on the fourth score with Ross K. and Heatherbell stepping away from the others. In the back stretch Ross K. took back and trailed Heatherbell, sticking there until the finish and being very close on the leader, forcing him to again reduce the track record to 2:11. Hanover Courier went another good mile, being a bang-up third with Star G. a very close fourth, Winnie Winkle improved her position to fifth, Catherine C. sixth and McElwyn the Great, who made a break, seventh.

Third heat. There was another broken sulky before this heat got under way and some minor repairs to harness and equipment that delayed things, but really very few spectators. On the "Go" Star G. grabbed the pole from Heatherbell and held it, both going away very fast. On the back stretch Heatherbell pulled out from behind Star G. and they raced down to the first turn when Heatherbell went around the Halifax pacer. Cummings placed Star G. in behind Heatherbell and kept quiet there until the stretch was reached, when he made a masterly drive to beat the trotter, but the old war horse was equal to the occasion and won with a few feet to spare, again setting up a new track record of 2:10 3-4. Ross K., who went a highly creditable race throughout, was a very close third in this heat, and McElwyn the Great a close fourth, Hanover Courier fifth, Catherine C. sixth and Winnie Winkle seventh.

2:15 trot. This was a hard field to get away and Starter Acorn used a lot of patience in trying to give them a decent go. When they got straightened away High Toby was in the clear with Lusty Frisco second, Hackfast, Calumet Bee and Oh Boy Fischer bumped. At the three-quarter pole Lusty Frisco pulled out and quickly opened up a lead which he held to the finish, closely pressed by High Toby, Hackfast, who had to make up quite a bit of ground, pulled out in the stretch and made a drive for it with Cameron behind Lusty Frisco. High Toby could not quite connect and Fred looked back with a smile of victory on his face as they crossed the wire. Hackfast showed a lot of steam in this heat and was a very close third, Helen D. fourth, Oh Boy Fischer and Calumet Bee, who made a very bad losing break sixth, and Mae West seventh.

Third heat. This was a rattling good heat with Lusty Frisco out in the lead closely pressed by High Toby, Hackfast and Calumet Bee. Only a few yards separated all four horses and it was a very prettily run quarter. Calumet Bee looked real good but was in a pocket and could not get out. The finish between Lusty Frisco and High Toby was about as close as could well be and both drivers were at the bat. Calumet Bee was third trailing Lusty's good fifth, Mae West sixth and Oh Boy Fischer seventh.

The time in the first heat, 2:12 3-4, was the fastest.

2:24 Trot and Pace. Seven horses faced the music; more than seven others decided that discretion was the better part of valor and scratched their entries. The presence of such heavyweights as Peter Onward and Soviet, both winners at Alberton a week ago, had much to do with that decision. Peter Onward was looked on as a sure winner with Soviet second choice and that is the way it worked out. In the first heat Peter was fourth horse until the last quarter when his driver pulled him out and he mowed down the three leaders and won off by himself, Soviet a good second, Leona, who went a corking heat and race third, Leta Kalmuck fourth, the trotter Jollyset fifth and Baronet, who made breaks, sixth, Rosebud seventh.

Second heat. Peter Onward had too much class for the others in this, but Baronet was the surprise, pacing like a streak and finishing fast topped second place from Leta Kalmuck and Soviet who were third and fourth, Leona fifth, Rosebud sixth.

Third heat. Peter Onward acted badly at the score and the starter, after several attempts, scored by Soviet. When the Go was given Soviet was well out in the clear with Leta Kalmuck second and Leona third, Baronet fourth. They retained these positions right up to the finish, Leta Kalmuck closing up quite a bit on Soviet and finishing at his wheel in a last trip. Leona again third, having paced better than 2:15.

TUXIS TEAM CHALK UP 2ND STRAIGHT

SUMMERSIDE, P. E. I., July 16.—The Presbyterian Tuxis took a strangle hold on the second section of the Junior League last night by nosing out the faltering C. Y. M. L. nine by an 8-5 score for their second straight victory, seemingly a different team altogether than that which played in the first section. The Tuxis slugged out a 7-0 win over the league leaders, Jack's Juniors, on Monday and came right back to nose out the highly touted C. Y. M. L. squad last night.

Ray Arsenault, lanky pitcher for the Tuxis, was the star of the game, he struck out 9 batters, allowed 5 runs with the double and triple in 5 trips to the plate. In only two innings did any more than 3 batters face him the fifth and sixth when the C. Y. M. L. awoke momentarily from their lethargy to score 5 runs on 4 singles, a triple, a dead ball and 3 costly errors by the Tuxis infield. The Tuxis made their big inning the second when they scored 5 runs on the strength of 3 singles, a double, a walk and 2 C. Y. M. L. errors, "Spec" Phillips, Tuxis shortstop, drove out 3 singles in 5 attempts to bat in 3 runs.

This evening the intermediates will stage a practice in preparation for an anticipated game with the Dodgers next week, this week's fixture having been rained out. As many as possible are requested to turn out.

All In Readiness For The Big Heavy Battle Between Biggar & Leslie

The stage is set and tonight at 8:30 o'clock the cry will be "on with the show" with George Leslie of Souris and Stan Biggar of Charlottetown playing the leading roles in what promises to be a gruelling close battle for heavyweight boxing honors of Prince Edward Island. The bout is scheduled for 15 rounds or less and much emphasis lately is being placed on the "less" part.

Not for a long time have two such big and evenly matched men met in an Island ring. Tape measurements show very little difference in their physical makeups and their condition is on a par. Both came out of their training grinds with a high degree and both are determined on ending the battle as quickly as possible. Odds are even and the outcome is so uncertain that very little money is being displayed by the backers of either man. But despite this the fight has Island boxing followers enthused to a high degree and with the advance sale of 3 singles, a double, a walk and 2 C. Y. M. L. errors, "Spec" Phillips, Tuxis shortstop, drove out 3 singles in 5 attempts to bat in 3 runs.

So fans, there is the setup. Thrills should come at a dime a dozen when the two big boys, weighing over 400 pounds between them, start throwing punches at each other. From this corner it appears as if the result will hinge entirely on what boy can hit the hardest. In every other respect they are even and even in punching there seems very little difference. Leslie packed plenty of power when he watched him working Wednesday and yesterday morning Biggar displayed a wicked right cross that is said to cause fireworks if it lands on the button.

Anyway, tonight will tell the tale. The fighters have done everything in their power to be in A-1 condition for the encounter. Both are

How They Compare

LESLIE	Age	BIGGAR

Canadian Team Finishes Second In Shoot For MacKinnon Challenge Cup

(By Thomas T. Champion Canadian Press Staff Writer)

BISLEY CAMP, Surrey, July 16.—Canada's marksmen today failed in their bid to recapture the MacKinnon Challenge Cup and placed behind shots from other parts of the Empire in the Duke of Gloucester's prize and the Daily Telegraph.

South Africa's team of 12 took the MacKinnon Cup with a score of 1062, a splendid shooting performance. The Canadians, who held the trophy in 1934 and lost it last year to England, finished second with 1042.

Scores of the other six entrants in this service rifle event were: Wales, 1036; England, 1030; Scotland, 1024; India 1019; Guernsey, 994; Ireland, 961.

The scores were considered by old timers at the National Rifle Association Bisley meet to be good. Shooting at a smaller target to win last year, the South Africans made 19 points more than England in their 1935 victory.

Winner of the valuable Duke of Gloucester prize was an old country marksman, Lieut. J. W. Jackson, of the Durham Light Infantry. Major T. Spittal of Montreal placed second with a 68, two short of perfect and one point behind Jackson.

Three shots tied with possible 35's in the Daily Telegraph, fired at 300 yards. The trio, who will shoot off to determine the winner, are Warrant-officer Laban of the Royal Navy; Lieut. Evans of the Malay States; and Sergt. D. E. Lewis of the 5th Welsh Regiment.

Trailing them by a single point were three Canadians, Capt. S. W. Graham, Major R. S. Harrison and regimental sergt.-major Jim Kiddie, all of Toronto. Major Harrison was ranked 112th.

Best of the Canadians in the MacKinnon was R. S. M. Kiddie who had a perfect score of 50 at the first distance—900 yards—and followed with a 45 at the longer range of 1,000 yards.

The Duke of Gloucester's prize takes the place of the Prince of Wales prize, competed for in previous years. The Duke of Gloucester and the Northland, which is for marksmen not qualified to shoot in the former, were fired concurrently at distances of 300 and 600 yards.

Lieut. H. Parker of Yarmouth, N. S., finished third in the Glouster and won 45. Other Canadians who ranked were Company Sergt.-Major H. Burns of Ottawa, 12th, Lieut. P. J. Martinson of La Tuque, Que., 15th, and Sergt. J. S. Douglas, Verdun, Que., 24th.

Lady Shot Eliminated

The 1930 winner of the King's prize, Miss M. E. Foster attached to the women's legion of motor drivers, was eliminated in a shoot-off today to determine the last 19 among the 300 qualifiers for the second stage.

Only one woman represented when the second stage is fired tomorrow will be Miss F. Babcock, partner of Miss Foster. They run a chicken farm.

The Canadians looked forward hopefully tonight to the second stage of the King's Prize to win more laurels, cheered by having won the bronze medal for the first stage for the third year in succession. Sergt. P. J. Martinson (now a Lieutenant) of La Tuque, Que., won the bronze medal in 1934; Sergt. M. Penman took it in 1935, and yesterday Guardsman D. S. Fraser of Ottawa won it. Lieut. Martinson is a member of the team again this year.

The major team event of the meet—the Rajah of Kolapore's Imperial Challenge Cup—also is scheduled for tomorrow. Canada hopes to recapture this trophy which she won in 1934 and lost last year by the margin of a single point to India.

CARDINALS FALLING BEHIND

NEW YORK, July 16—(AP)—Dizzy Dean faltered today, so did the Cardinals, and the Phillies won 6-2 for their second straight victory in this series at St. Louis.

The Cardinal pitcher was making his first start since a line drive hit him on the head and knocked him unconscious last Saturday.

He showed he was not yet ready for duty as he gave up seven hits in the five innings he toiled, including Leo Norris' fourth inning home run which drove in three runs and put Philadelphia ahead.

Out the Hero

Mel Ott stepped up in an eighth inning pinch at Pittsburgh with a mate on base and blasted out his 17th homer to give New York Giants a 7-6 decision over Pittsburgh Pirates in a free hitting battle.

Eight pitchers were called into service—five by the Giants and three by the Pirates. Harry Gumbert, the New York starter, and Cy Rowton, first hurler for the Bucs, were belted out early. Dick Cuffman, third Giant pitcher, took credit for the win.

Warneke Blanks Bees 1-0

Lon Warneke pitched a 10-inning shutout at home to give the first-place Cubs a 1 to 0 victory over Boston Bees and Chicago its fourth consecutive triumph.

Warneke bested Ben Cantwell, yielding but four hits while the Cubs made seven. It was the second straight shutout credited to the Cubs and gave their pitchers a record of having allowed but one run in the last 28 innings against the Bees and Giants.

Yankees Clip Tigers Again To Increase Lead As Detroiters Slip Back

(A.P. By Guardian's Special Wire) NEW YORK, July 16—New York Yankees overcame the Tiger threat for the second straight day today, coming through with a 5-2 decision to increase their circuit lead to ten games and oust the Detroiters back into third place in the American league.

Johnny Broaca limited the Tigers to eight hits as the Yanks made it two out of three over the world's champions, through timely hitting of ommy Bridges.

With Cleveland defeating Philadelphia, the Tigers were shoved back into third place by hal' a game, as the Indians took over the runner-up berth.

ALLEN BEATS A'S

At Philadelphia, Johnny Allen pitched the Indians into second place, shutting out the Athletics with five hits, 7-0.

Allen was in trouble only in the third and the eighth, but fast fielding pulled him through. In the third he issued two of his three bases on balls and Moses beat out a punt to fill the bases with two out. Averill went far back to nab Pucocinelli's drive for the third out. In the eighth, Dean doubled, but was thrown out at the plate.

GROVE DEFEATED

After blowing a 3-0 lead behind "Lefty" Grove to drop the first game, 6-1, the Red Sox put on a successful ninth inning rally against Browns at St. Louis and won the nightcap, 5-4.

Jimmy Foxx drove out his 25th and 26th homers of the season during the doubleheader.

The Browns pounded on Grove for 12 hits while beating him for the third time this season. They spotted the Sox three runs during the first two innings but then gave right-hander Earl Caldwell airtight support and plenty of hitting.

SENATORS DEFEATED

At Washington although outhit, Chicago White Sox made the most of their blows to defeat Washington 9 to 7 for their second straight victory.

Chicago was off to a four run lead in the second inning when they knocked Pete Appleton out of the box. A big splurge in the fifth and sixth inning brought Washington seven runs and sent the Senators into the lead, but Chicago came back in the seventh to score two runs.

ROVERS ARE BEATEN BY 8TH BATTERY

Displaying the hitting power that marked their games last year 8th Battery softball team last night defeated By. McNeill's youthful band of Rovers 28 to 10 in a City League encounter.

Pounding two opposing hurlers for a barrage of base hits, including six home runs the winners had their heavy artillery hitting the target in 100% 28, McNeill's c. J. Whitlock 28, McNeill's c. Vessey r. Garnham if, Curley p.

SCORE BY INNINGS

Rovers	132 002 101—10
Battery	341 922 61x—28

LOUIS WANTS ANOTHER BOUT WITH BAER

(By Charles Dunkley, Associated Press Sports Writer)

CHICAGO, July 16—(AP)—Joe Louis wants to start his come back campaign in September with Max Baer as his opponent and Soldier Field, Chicago, as the proving ground.

The co-managers of the Brown Bomber, Julian Black and John Roxborough definitely made this decision today. They urged Mike Jacobs, head of the Twentieth Century Sporting Club, to capture Baer if possible.

"We want Baer!" Black said. "There is nobody else on our mind. Louis feels the same way about it. We won't have any trouble about the terms. There is only one place for the fight. That is Chicago. Chicago fans have never seen Louis in a major match, and they have never seen Baer in a bad one."

Baer roared out of retirement showing defiance at Louis, no sooner than Schmeling had knocked out the negro heavyweight in 12 rounds. Since then, however, the Livermore Adonis has been neglecting the Louis intelligence corps and little has been heard from him. He is said to have expressed the opinion that he would like to fight Braddock or anybody else instead of Louis.

Draegermen Meet Hawks Tonight

Draegermen face Hawks this evening at 8:15 in a regular scheduled game of Holy Redeemer Parish's Softball League. The following Hawks are expected to be on hand: J. Duffy (Capt.), P. LeClair, Doc Innis, I. Monaghan, C. Campbell, A. Burke, J. Turner, J. McCourt, H. Bruce, M. Diamond, G. McMahon.

Hawks Suffer First Defeat

Maples defeated Brighton Hawks 8-6 last evening in a scheduled game of Holy Redeemer Parish's Softball League. The defeat was the first suffered by Hawks in this league thus far.

This race uncovered a lot of speed and gave evidence that there is a crop of slow class pacers around that will be much heard of in the future.

The officials were: Starter, E. F. Acorn. Judges, Milton Reeves, Sydney, Byron Brown, James Arbing, Charlottetown.

Timers, Dr. F. C. Dougan, W. B. McArthur.

Summary:

2:15 Trot and Pace, Purse \$300

Heatherbell, 2:10 (MacKinnon)	1	1
Ross K. 2:08 1-2 (Mathieu)	4	2
