SPORTS—In the list of entries published yesterday the name of H. H. Brown was omitted in 1/2, 1/4 mile and 2 and 5 mile bicycle races. Mr. Brown is the plucky young rider who woke some of them up at the electric light sports here last fall.

LOW FARES—Special notice should be made by people outside of Charlottetown of the low fares which obtain both on the special and regular trains on Dominion Day. In Charlottetown the sports will be the great attraction, and everyone who possibly can should arrange to attend them.

THE KINDERGARTEN—The closing exercises of the Kindergarten took place this forenoon in Kindergarten Hall. The attendance of parents of pupils and friends of the institution was very large. The manner in which the little ones acquitted themselves was in the highest degree creditable and spoke eloquently of the ability of Miss Sayre and the ladies associated with her on the teaching staff.

Alfred A. Taylor, of Margaree says: One bottle of MINARD'S LINIMENT cured a swelling of the gambel joint, and saved a horse worth \$140.00.

CAN THIS BE TRUE?—An exchange says: Horatio L. Ramsay, a native of P. E. Island, who keeps a boarding house at Millbridge, Me., was shot, probably fatally, by George H. Garrison, one of his boarders, last Saturday night. Ramsay was jealous of Garrison and was breaking into Garrison's room to "have his heart's blood" when the shot was fired.

CONFIRMATION—Confirmation was held in St. Peter's Cathedral last evening by Bishop Courtney. There was a large congregation present. Fourteen candidates, five boys and nine women and girls, received the apostolic rite. The bishop's address was on the senses, bodily and spiritual. AN OLD AND WELL TRIED REMEDY—Mrs. Winslow's Soothing Syrup has been used for over fifty years by millions of mothers for their children while teething, with perfect success. Twenty-five cents a bottle. Its value is calculable. Be sure and ask for Mrs Winslow's Soothing Syrup.

GET ON DE TRAIN—In the seventies, when the Northern division of the I. C. Railway was opened for traffic, a French conductor was given charge of one of the trains and was instructed in every case to call out, "All on board" before the train started. When the morning came on which he was to run his first passenger train, he was early on hand, seeing that everything was in order. At last the time came for the train to leave, but in the excitement of the moment he forgot his instruction, and waving his arms about his head, ran up and down the platform, yelling, "Get on de train, get on de train." So say we; but the train we want you to get on will leave Charlottetown station on the morning of July 6th, for Freetown, with Zion Church picnic on board. Full particulars in ad. this week. Watch this paper.

A Lady Is Judged

By the task displayed in the choice of a perfume as much as on her choice of dress

If a loud, offensive, cheap odor is used; you at once put the person down as possessing the same characteristics.

While if a choice French odor, such as Vera Violette, Cedrela, Girofle, Royal Heliotrope, or French Carnation Pink, is used, you at once class the user as a modest lady of the upper class. We sell all the odors mentioned above.
