

RUGBY, Eng. (AP)—The naked body of an 18-year-old sailor was found in a tightly fastened plastic clothes case aboard a speeding Blackpool - to - London train. The dead youth, John Barber, was discovered Tuesday in a washroom by the conductor, who noticed that the compartment had been engaged for more than an hour. The conductor forced the door, slumped

on the floor, with the semi-transparent travelling wardrobe fitted around him like a glove, was the young seaman. His clothing lay strewn on the floor. The train was stopped here and a doctor called. He gave the cause of death as suffocation. Police said they had no reason to suspect foul play. The lad seemed to have breathed all the air inside the plastic cover-

SEVEN MILE BAY C. W. L.

On June 6 the monthly C. W. L. meeting of St. Peter's Sub-division, Seven Mile Bay was held in the parish hall with 35 members present.

Diocesan President, Mrs. Lorne Noonan, Charlottetown, was the special guest. The meeting opened with the League prayer by the Director, Rev. Fr. Reginald McDonald.

It was decided that the church be cleaned on Tuesday preceding First Communion. It was also decided that a message of sympathy be sent the relatives of His Excellency, The late Bishop Boyle, also a high mass for the repose of his soul. The hymn, "Our Lady of Good Council" was beautifully rendered by Mrs. Alban Keough, assisted on the piano by Miss Florrie Green.

The president then introduced Mrs. Noonan, who gave a very inspiring talk on C. W. L. activities, its benefits and responsibilities. She strongly urged the councillors to enlist the membership of both old and young in their respective districts, to help increase the membership in C. W. L. and to uphold the motto of the League, "For God and Canada". She presented the new president's handbook, also by-law books and prayer leaflets.

She spoke of regional meetings being a great benefit of members and clergy. Study clubs were proposed for different districts to help members get together.
