each succeeding contest. For the past several years he has been chairman of the City's Finance Committee deemed the most important in the civic administrative set-up.
The defeated candidate for the post of Charlottetown's

Chief Magistrate first entered civic politics in 1952 and, except for the past year, was chairman of the important committee supervising the street department.
Mr. McCormac led the voting 41 Ward One by 60, Ward Two by 37, but fell behind in Wards Three, Four and Five by respectively 23, 210, and 386 votes.
The turnout calculated to be 80 per cent of the eligible voters,

was termed "most satisfactory" by Henry MacWilliam, chairman of the Junior Board of Trade committee which conducted out a "Get-out-the-vote" campaign prior to the election.
He attributed the large vote to the high calibre of the candidates, good press coverage, fine weather, and perhaps, he added, to the efforts of the Jaycees to interest the citizens in civic affairs.
ONE BETTER TURNOUT
He had heard of only one better turnout he said. In 1946, he was told, a similar campaign by the Junior Board resulted in a 94 per cent vote.
The growth of Charlottetown's elective body is well illustrated by comparing the total votes polled yesterday by Wards with those polled in the 1954 contest. This shows as follows with those polled in brackets: Ward One—349 (no contest); Ward Two—276 (250); Ward Three—313 (212); Ward Four—1,325 (1,126); Ward Five—4,876 (3,330). Also in yesterday's election the vote for Water Commissioners was 2,694 greater than the 1954 total, when six candidates battled for the three seats on the Board.
Following are the results of yesterday's vote tabulated by Wards:

CITY AND CENTRAL

CARD PARTY Community Centre Thursday 8:30 p. m.
WALLPAPER, room lots, half price. Firestone Home and Auto.
WE TREAT the sick well. Gagey's Pharmacy, open 8:30 a. m. to 8 p. m.

Born in Aberdeenshire, Scotland, Mrs. Mutch came to Prince Edward Island in March 1946 with her Canadian soldier husband. Mrs. Mutch was educated in

Theme Of Talk Is Development Of Electricity

The Centennial Y's Men's Club had as their guest speaker at a regular weekly supper meeting last night, Jack Kirby, Provincial Electrical Inspector, who told the interesting story of the development of electricity as applied to modern industry and the home.
The theme of his talk naturally centred around the inventions of Thomas A. Edison whose name is being honoured throughout the United States and Canada this week. Hundreds of electrical appliances and the application of that energy to turning the wheels of industry, have been a major factor in world development, Mr. Kirby said.
A demonstration of the comparative efficiency of obsolete and modern electric lamps and minor electrical equipment was watched with deep interest and clearly indicated the great forward steps which have been made in the electrical industry. Miller MacLean assisted Mr. Kirby in the demonstrations.
The speaker was introduced by chairman Clarence McInnis and thanked by co-chairman Brian Cudmore.
The announcement was made that the Regional Director, Harry Powell, would officially visit a joint meeting of Charlottetown Y's Men's Clubs next Wednesday.

Reports Nfld. House Likely To Adjourn

ST. JOHN'S, Nfld. (CP) — Finance Minister Spencer said Wednesday the Newfoundland legislature will likely adjourn, not prorogue as expected, around the end of the month. A budget would be brought down when sessions resume in May.
Mr. Spencer and Premier Smallwood said they will give the government time to learn how much money the federal government plans to grant the province under the terms of union with Canada.
As provided in clause 29, a three-man royal commission headed by Chief Justice J. B. McNair of New Brunswick spent two weeks here last summer investigating the financial consequences of Confederation to Newfoundland. Their sessions were held in Ottawa.
Newfoundland asked the commission for an annual grant of \$17,000,000 to keep public services at their present "low" level. The commission's recommendations are expected to be presented to the federal government "early in May," the premier said.
MUST STUDY CASE
Regardless of which party is in power then, Mr. Smallwood said, it would have to consider Newfoundland's case. Once details of the report were made known the provincial government would be in a position to bring down a budget.
Meanwhile, a bill to give the government \$15,545,000 to defray expenses over the next three months received first reading. Introduced by Mr. Spencer, it provides funds for 16 departments.

Husbands! Wives! Get Pep, Vim; Feel Younger
Thousands of couples are weak, worn-out, exhausted just because they lack iron. For new younger feeling after 40, try Oxtrex Tonic Tablets. Contain iron for pep; supplement doses vitamin B. "Get-acquainted" size costs little. Be wise, get pep quick, thrifty now. Try Oxtrex today. At all druggists.

Liberal Women's Federation President To Visit City

Mrs. Jessie Caldwell, Saskatchewan, a woman who devotes all of her time to her task as president of the National Federation of Liberal Women, is coming to Charlottetown this week where she will speak at the Queens County Liberals at their nominating convention on Saturday afternoon.
A woman who is dedicated to her task, Mrs. Caldwell feels that while non-partisan work is important in its place, women can make the greatest impression on Canada through politics and working for good government.
Her aim is to bring the women's federation to a place where it will play an integral part in the party, and to stimulate further interest in public affairs and politics.
Mrs. Caldwell has had a great deal of experience in various organizations. She was a Canadian delegate to the United Nations General Assembly in 1953 and at home she has been the president of the Saskatoon City Liberal constituency. She has a Bachelor of Science degree from the University of Saskatchewan, is a member of the Canadian Institute of International Affairs, the University Women's Club and the National Council of Women.

MRS. CALDWELL
University of Saskatchewan, is a member of the Canadian Institute of International Affairs, the University Women's Club and the National Council of Women.

Pictures Of Queen Presented To Central Royalty School

The regular meeting of the Central Royalty Home and School Association was held at the school Tuesday evening with Mrs. A. M. Johnston presiding. The highlight of the evening was the presentation of ten pictures of the Queen, one for each classroom, by Mrs. Ian Burnett, on behalf of the Royal Edward Chapter of the I.O.D.E. Mrs. Marjorie Dover expressed the appreciation of the school to Mrs. Burnett and the I.O.D.E. for their generous donation.
A letter was received from Miss Estelle Bowness, Secretary of Education Week Committee in which she urged parents to visit their schools and acquaint themselves with the teacher and her working conditions during Education Week which is being observed March 2 to 8 inclusive. The Provincial Slogan for 1958 is "Know Your Schools."
Mr. Gorman voiced the appreciation of the trustees for the excellent work done by Mr. Gordon Roper and other members of his committee in improving the school grounds.
Mrs. William Powers, treasurer, reported that the cake sale had been very successful and a substantial balance was on hand.
New business brought before the meeting included the providing of a library for the school. A sum of money was voted to aid in this project. It was also decided to hold a book night at the next meeting. Members are asked to bring any used books in good condition which they would like to donate to the library.
The program for the evening was a film entitled "Who is Sylvia". Mrs. John MacAleer introduced the film which is the first in a series of three on teenagers and their problems. Following the film, members divided into buzz groups and discussed the following questions: (1) Do you feel that Sylvia's parents could have offered more understanding? (If so in what way?) (2) Compare parents reaction to teenagers party and Sylvia's dream of how she would like her mother to be. (3) Do you approve of unsupervised teenage parties? (4) What is your opinion of the film? The members felt that the film was very instructive and true to life. It was decided to continue with the films and buzz groups for the next two meetings.
Following adjournment lunch was served by Mrs. Hugh MacLeod and Mrs. Keith Taylor.

PEARKES ON TOUR
WINNIPEG (CP) — Defence Minister Pearkes will arrive here next Tuesday for a five-day visit to defence installations in Manitoba, the army announced Wednesday.
NOTICE
Island Auto Body Works will be closed Thursday and Friday, due to death in Family.

Cardigan Man Injured; Will Appear In Court

A resident of Cardigan will appear in City Police Court this morning charged with being drunk and incapable. He was picked up on Water Street following a call to City Police at approximately 8:15 last evening. When police arrived on the scene the man was bleeding profusely about the face apparently having fallen through Seaman's Beverages window.
Prior to being lodged in jail he was taken to the Charlottetown Hospital where seven stitches were required to close a large cut on his left ear.

Stolen Kiss Gets 3 Months

BUDAPEST (AP) — A stolen kiss, ruled a Budapest court, is a "violation of personal freedom" punishable by three months in prison.
The ruling was reported Wednesday—two days before Valentine's Day — in the newspaper Esti Hirlap.
The 27-year-old personnel officer of a Budapest factory was brought into court accused of stealing a kiss from "one of the pretty young women from the wage-calculation department," the paper said.
He had summoned the girl to his office, "locked the door, embraced her and kissed her." The girl broke from the embrace and pounded with her fists on the door until another worker came to her rescue.
The personnel officer was fired, but the court suspended his three-month sentence.
