Local and Other Items.

CITY SCHOOLS.—The City Schools re-open on Monday next.

IMPORTANT.—Taxpayers have only six days more to pay their city taxes and save expenses. Read the City Collector's notice.

MUSICAL.—Attention is directed to the advertisement of Mr. Logan in another column. He is prepared to teach the young idea how to play the piano.

THE REGATTA.—The regatta committee will meet at Mr. H. V. Palmer's office, on Monday evening, at 7.30, to complete arrangements. A full attendance is requested.

EXCURSION.—A large number of excursionists came to the city in the Heather Belle this morning and returned this afternoon. The sail was very pleasant and the visitors enjoyed themselves well while in the city.

SCOTT ACT.—One new summons for third offence was served yesterday evening. It is returnable on Tuesday next.

One of the defendants upon whom sentence was passed some days ago, was taken down to jail last evening.

ODDFELLOWS FUNERAL.—A number of Oddfellows left this city at noon to attend the funeral of their late Brother, Jas. D. Robertson, of St. Peter's Road, which took place at two o'clock, and was largely attended. Mr. Robertson was interred with all the honors of the Order.

POTATOES.—An exchange reports that potatoes are very plentiful in the Bangor market at present, and have been selling this week on the street for 40 cents per bushel. The crop in Aroostook is very promising, and unless something happens that is now unforseen, the yield will be large. The acreage planted is much larger this year than last.—*Times.*

PECULIAR TREATMENT.—The people of Norfolk, Conn., have got a jewel for a chief of police. In making an arrest a few days ago he clubbed the prisoner, then tied him by the heels to the rear of the wagon, and dragged him to the lock-up, half a mile away, with his head bumping on the paving stones. After he put him in the lock-up he set a bulldog on him.

PRESS ASSOCIATION.—The Halifax *Herald* says it is proposed that the meeting of the Press Association of the Maritime Provinces will be held at Moncton on Tuesday, the 18th of September. It is probable that a jolly excursion party will be organized from Moncton to Chatham; thence across the country to Woodstock and Fredericton, by rail; thence down to St. John by river.

AN ISLANDER HURT WHILE COUPLING CARS.—Brakeman Joseph Ahern, belonging to Tignish, P. E. I., had his right arm badly injured on Wednesday, while coupling cars on Conductor M. W. Thompson's I. C. R. working train, at Big River ballast pit. He was taken to Bathurst, where Dr. G. M. Duncan was quickly in attendance and dressed the arm. The injured man is doing well.—*Moncton Times.*

A GOOD DAY'S SPORT.—While the S. S. Acadia was lying at Georgetown, on Thursday, the 23rd inst., her Chief Engineer, and First Officer undertook a shooting expedition to Panmure Island, where their perseverance was rewarded by finding game very plentiful. They succeeded in bagging nine brace of plover, besides several birds of different descriptions. They returned in the evening well pleased with the day's sport.

THE LYCEUM.—Last night the Zera combination had a good house and gave another capital performance. George White captured the gold watch, and Mr. Ledwick the tea set; the silver watch was won by a girl whose name we did not learn. In addition to the above-mentioned prizes, several other valuable articles were given away. The Company gave a matinee this afternoon, and give their closing performance in this city this evening. The entertainment is a very pleasing one, and those who have not yet attended should go to-night.

CONTAGIOUS DISEASES.—It may be interesting to know that if a child who has been exposed to some contagious disease passes the longest time mentioned below, it will with very few exceptions escape disease:—

Scarlet fever, twelve hours of seven days.
Measles, nine of twelve days.
Small-pox, twelve of fourteen days.
Chicken-pox, two out of eight days.
Diphtheria, two out of eight days.
Whooping-cough, four out of fourteen days.
Mumps, eight out of twenty-two days.

In most cases the sooner the disease is developed, the severer will be the type of the attack.

TOO SLEEPY TO MARRY.—A New York despatch says:—A breach of promise suit for $10,000 is the pleasant prospect before Charles Dullon, the son of a wealthy farmer of Stony Brook, L. I. Miss Annie Dalton says that Dullon proposed marriage to her and was accepted. July 22 last was the day set for the ceremony. Rev. Dr. Little, of Seatauket, was to have performed the ceremony, but was two hours late. In the meantime Charles grew drowsy and was fast asleep when the minister arrived. He could not be aroused, and the minister went away. After that Dullon was not so loving toward Miss Dalton. Accordingly she has brought a suit in the supreme court of King's county for breach of promise.

FROM PRINCE EDWARD ISLAND TO BOSTON ON SATURDAYS.—Owing to the increased demand for passage on the Saturday evening steamboat of the International Steamship Co. from St. John, it has been decided to have the steamer State of Maine make this Saturday trip between the dates of Aug. 25th and Sept. 15th, inclusive. Thus passengers from Prince Edward Island may leave any point on the railway Saturday morning, reach St. John the same afternoon, and Boston early Sunday afternoon. This Saturday trip, combined with the regular three trips per week from St. John, enables the International Line to accommodate on its steamers the large returning travel. Passengers for Boston should bear in mind that tickets are issued at low rates from all P. E. I. Stations, via these steamers.

SERVICES TO-MORROW.—Rev. J. T. Blades, of Brocton, Mass., will preach in the Zion Church, to-morrow morning and evening at the usual hours.

Remember the Young Men's Meeting in the Y. M. C. A. parlor, to-morrow afternoon, at 4 o'clock.

Baptist Church services on Sunday, (tomorrow) in the Y. M. C. A. Hall,—Rev. Mr. Scott will preach in the morning, and Rev. Mr. Burgess in the evening; hours as usual, 11 and 6.30 o'clock.

Prof. W. K. Burr, M. A., Ph. D., will preach his farewell sermon to-morrow morning, at 11 o'clock, at the Cross Roads, Lot 48. In the evening, at 6.30, he will preach for the last time, in the Christian Church, Upper Great George St.

Remember the Railway Gospel Meeting, held every Sunday afternoon, at 4 o'clock, in McLeod's Hall. Strangers always welcome. Lesson for to-morrow, Proverbs, 3-14; The Merchandise of Wisdom.

THE FISHERIES QUESTION.

The President's Message.

HOW IT IS RECEIVED.

TORONTO, Aug. 24.

Everywhere here, to-day, the all absorbing topic of conversation was President Cleveland's message, and the probability of retaliation becoming an actual fact. It is regarded as a tactic whose object will have been fulfilled when the Presidential campaign is over. The dry goods importers do not seem to feel at all disturbed. Vessel owners say that the result of excluding Canadian vessels from American ports would be practically to ruin Canadian shipping interest, as without American trade the present vessels could not secure sufficient traffic.

LONDON, Aug. 24.

The St. James' *Gazette*, commenting on Cleveland's message, says:—The position is awkward and unpleasant to both countries. The retaliation threatened is so illogical and unreasonable that it is difficult to understand the precise cause and meaning. Two plausible explanations occur. It may have been intended to influence votes or merely to bluff Canada into granting the American demands. There is no doubt the matter is a serious one for Canada. Not merely local affairs are concerned, but Imperial interests are also involved. England must and will supply proper safeguards for her Canadian interests. It is difficult to suppose the matter will be allowed to end otherwise than in a perfectly friendly manner.

The *Pall Mall Gazette* suspends opinion upon the real significance of Cleveland's message; but says it looks ugly.

Another Drowning Accident.

PARRSBORO, N. N., Aug. 24.

Two young men, Robt. McNudge and Fred. Canning, were drowned yesterday afternoon at Diligent River, while taking provisions out to a wood scow. A squall struck the boat, which capsized. The man on the scow saw the accident, but having no small boat, was unable to render assistance. The boat was picked up this morning. It contained McNudge's body. Canning's body has not yet been recovered.

The Rifle.

OTTAWA, Aug, 24.

The Dominion Rifle Association will hold its annual meeting here, beginning on September 3rd, and lasting till the following Friday. The prize list will amount to $7158, being an increase of $520 over last year. This year the Rideau match will be fired by Martini rifles instead of Sniders. For the British challenge shield, open to battalion teams, the teams are reduced from five to four, but each battalion may send two teams.

LETTERS TO THE EDITOR.

City Schools.

SIR,—I had the pleasure of being present at the midsummer examination of the Upper Prince Street School, at the close of which addresses were made to the children by the Lieutenant-Governor, the Mayor, Rev. Mr. Lloyd, Dr. McLeod and the Chairman of the School Board, all speaking in complimentary terms of both teachers and children; and well do I remember this last named gentleman, in a short, happy speech, telling the children that he had something to say to them which he was sure they would be delighted to hear, namely, that they would have a week's extra holidays, and the school would not open until Monday, the 3rd of September.

This announcement from the Chairman of the School Board was responded to by a loud clapping of hands from the children, and smiles of joy from both teachers and children.

In consequence of the announcement, some of the teachers and many of the children had made arrangements to spend the latter part of their vacation off the Island, or away from home, therefore imagine their disappointment to find a notice in the papers signed by the Secretary of the School Board notifying them that the schools would re-open the 27th day of August, just one week earlier than the time promised.

I do not, sir, object to the holidays being eight weeks only instead of nine, as the former time is quite long enough for vacations, but I do object to disappointing teachers and children at so late a date after all their arrangements had been made. However,

Their's not to reason why,
Their's but to go and cry,
"Someone has blundered."

Yours, &c.,
A PARENT.
