

Manitoba And Alberta In Playoff For Curling Title

When The Guardian sport page went to press this morning Alberta was leading Manitoba 6-3 at the end of seven ends in the playoff round.

By ERWIN FRICKE
Canadian Press Staff Writer
VICTORIA (CP) — Manitoba and Alberta won final round matches Friday in the Canadian curling championship to force a playoff for the title.

Ontario, which went into the 11th round on even terms with them, was beaten 9-6 by Northern Ontario.

The victory this afternoon was the seventh straight for the Manitoba rink and the whizz kids skipped by 18-year-old Terry Braunstein seem to be curling better as they go along. Braunstein has probably curled the most consistent game of any of the 44 curlers in this year's competition.

Their two losses were to Alberta and British Columbia, both last-rock contests. In the match with Alberta, Braunstein had Baldwin down 6-0 after two ends, but lost 13-11.

Ontario, with left-handed skip Murray Roberts performing in solid fashion, helped manufacture the playoff prospect with an upset 10-6 victory over Alberta in the 10th round.

STILL IN RACE
Manitoba kept abreast of the pace with a 10-7 win over Nova Scotia. But Don Bauld's boys didn't go down without a fight. They had three good rocks in the house when Braunstein, leading 9-7, came to make his last shot. And the 18-year-old skip made it like a veteran, drawing into the four-foot ring for the winner.

Canada Downs Fighting Czech Hockey Team 6-0

Canada didn't play, were beaten 10-2 Thursday by the Canadian Whitby team.

WIDE GOAL MARGIN
In case of a tournament tie, the championship will go to the team with the greatest goalspread—a department in which Canada has an extraordinarily comfortable margin. The Canadians have scored 66 and allowed only three goals.

Whitby's defeat of the Czechs—their first in five games—just about ruined their chances for tournament championship.

But they gave Canada a gallant battle, Whitby's toughest to date.

Whitby's performance against the Czechs was considered keenly significant since it gave a basis of comparison how the favored Canadians and the Russians stacked up against a team with toughness and hockey savvy. The

Saints To Play New Brunswick

St. Dunstan's University basketball squad, out of the Maritime Intercollegiate picture for the rest of this season, warm up this weekend for the Maritime Senior "B" playoffs with a pair of exhibition games against two New Brunswick teams.

At eight o'clock tonight in the University gym the Saints take on a quintet from Minto, N. B., and on Sunday afternoon the Red and White play hosts to the Moncton Movers. Both New Brunswick teams are appearing here for the first time this season, and Father McGuigan's S.D.U. five expect that the games against them will go a long way in getting the team in shape for the coming Maritime playoffs.

As yet it is not definite when the local collegians will start their Senior "B" playoffs, but when they do the semi-final series will be with Stadacona Sailors of Halifax. St. Dunstan's recently eliminated the highly rated Shelburne Red Raiders, a team composed solely of American naval personnel stationed at the Nova Scotia seaport, to win the Nova Scotia title.

The Saints prepare for their Maritime playoffs on a note of optimism. Already this year they downed the Sailors in an exhibition contest played earlier in the season at Halifax, and they see no reason why they can't do it again.

HUNTERS CORNER

Huns Are Making Fine Comeback Despite Weather

The severe spell of winter weather recently cleared up a controversial point if nothing else. It takes a period of deep, sleet incrusting snow, to bring our Huns out of seclusion. They need grit and there is no better place to secure it than on our highways. Snow ploughs are continually turning up sod and gravel from the shoulders of our roads and the practice of filling in valleys with gravel has benefited our Huns. The Trans-Canada Highway is a real life savior as a grit grusher.

U.S. TROTTING ASSN
The annual meeting of the United States Trotting Association was held at the Park Sheraton Hotel, New York, early this week. Practically all the directors were present, including F. C. McCurdy, Truro, N.S.; J. Henry DeWitt, Woodstock, N.B., and the writer. Quite a lot of business was transacted, and the annual reports showed the Association in a very strong position.

Mr. Lawrence B. Sheppard, who has been president for several years, decided not to run for office and in the election that was held for president, Walter J. Michael, proprietor of the noted Pickwick Farms, Bucyrus, Ohio, was elected. Mr. Michael is

a very clever businessman who is engaged in a lot of enterprises and is a large stockholder in two raceways. Harness racing and the breeding of trotters and pacers are his hobbies and he enjoys watching a good race as much as anybody. His sound judgment through the years, as a director, and his consideration for others holding opposite opinions have given him a reputation for fairness, honesty, and high character that will make him popular with all branches of the harness racing sport.

Springfield Nips Rustico 2 To 1
Springfield Royals eliminated Rustico in the semi-finals of the Farmers League last night winning 2-1 in a close game at Kensington rink.

Springfield won the best three out of five series in three straight games. Scoring for Springfield were Elsworth, Mann, Ewen Sinclair; for Rustico Aubrey Doucette scored the only tally.

Fred Semple and Eustace Reeves were the referees.

Kings College Beats P.W.C.
Kings College defeated Prince of Wales College 5-3 in a return hockey contest that marked the annual P. W. C. Day. When the college from Charlottetown played Kings in their first meeting they came out on the short end of a 3-2 score.

Lodge, Balderson and Lund scored for Prince of Wales.

Queen Square In Close Victory

Queen Square School defeated Queen Charlotte High School 5-4 in a close action-packed hockey match, played at the Sports Arena last night. The game provided everything possible in the way of exciting action as the two teams battled all the way through.

Queen Charlotte opened the scoring early in the first period with David Rogers scoring on a shot taken right in front of the Queen Square net. Both teams pressed at different times during the remaining minutes of the period but brilliant work on the part of both goalies prevented any further scoring.

In the second period the Queen Square boys broke into the scoring with Wayne MacDonald getting credit for the goal. Freddie Burke playing a great game carried the puck all the way from front in his own zone up to in front of the Queen Charlotte net where he got the high school goalie out of position before passing the puck over to MacDonald.

A few seconds later Burke was called off on a penalty but before leaving the ice mixed it up with David, one of Queen Charlotte's players, the referees and others.

Earlier this week the annual meeting of the Dominion Curling Association passed a recommendation to exclude schoolboys below the university level from competing in provincial championships.

No reason was given for the association's action.

Abbie Juniors Will Play At Campbellton Tonight

This morning Abegweit Juniors, a smart group of hockey players sponsored by Charlottetown's grand old Abegweit Amateur Athletic Association, start by car on the trip to Campbellton, N. B. Tonight they play the N. B. champion Campbellton Tigers in the opening game for the N. B. — P. E. I. junior title.

This year's junior team is a star-studded squad, packed with experience and talent. Coached by a veteran of many hockey wars, Jack (Hurry) Kane, the team is made up of three players from Summerside, one from Kensington, Cherry Valley and Montague and the other 12 from Charlottetown.

This is the first time for a long while that various centres in the Province have combined to form a real Island amateur team under the name Abegweit and wearing the much-feared and well-known red and black colors. The colors

The first period went scoreless, but Hampshire scored twice in the middle stanza while Milton picked up a lone tally.

Ramblers Beat Rangers 11-4
AMHERST (CP) — A dazzling display led by veterans Shermie White forced a fifth game in the Maritime Senior Hockey Finals Friday night as Amherst dumped New Glasgow Rangers 11-4.

The Amherst crowd roared with glee as the Ramblers went on a scoring spree that left rangers hanging on the ropes.

A first line centred by White with Boss and Gaudet on the wings counted for eight Amherst markers. White started the scoring with a goal after only 44 seconds of the game.

The game was rough with 19 penalties handed out, one a misconduct. The fifth of the best-of-seven series is slated for Amherst tonight.

Glance Bay Wins Championship
NORTH SYDNEY, N.S. (CP) — Glance Bay Miners won a berth in the Cape Breton Senior Hockey League finals Friday night with a close 2-1 victory over Sydney Millionaires, defending champions.

The game was played here before 3,536 fans after a dispute developed over the site for the 10th game of the scheduled best of nine series. The 10th game was necessary after the teams fought to a tie in Glance Bay.

Fred Courtney scored the winning goal for Miners in the second period after playing coach Neil Amadio opened the scoring. Robert McNeill, Sydney's high-scoring defenceman who polled winning goals in four previous contests, got Millionaires' only tally.

A big cause in the victory for Miners was goalie Art McIntyre, who pulled off sensational saves in the third period when Mills applied the pressure.

Miners now will meet Northside Combines for the league championship.

Charlottetown Royals In 7-5 Victory Over S' side

Charlottetown Royals beat the home town Aces at Civic Stadium last night by the score of 7-5, making it three straight in the best-of-nine series for the Island Senior Hockey Championship. In the usual pattern established by Hogan's boys, the Aces led by the score of 3-1 early in the second period, but couldn't hold the edge. Willie Dunn, Allie Carver and Merrill Pineau each got a pair of goals for the winners, Billy Hughes counting two for the Aces. Ralph Josey picked up a major and three minors to lead the parade to the sin bin.

The Aces started the scoring at 6:35, Hughes going over the blue line alone through what looked at this stage like a porous defence. Royals evened it up 10 minutes later when Dunn coasting in from right wing flipped a partly screened shot which Mann failed to gauge. Bonny Howatt retired from play after the first period, Coke Grady taking his place. The Aces got two quick goals 35 seconds apart early in the second period, Hughes potting his second on a pass from Lorne Hennessey at 1:30 and Harris firing a beautiful slap shot past Doyle at 2:05. Two minutes later Allie Carver fired a high shot that seemed to flip by Mann's shoulder. Pineau tied it up with a nice drive at 6:21. Royals kept the Aces bottled behind their line a lot during the game, and after one of these prolonged sieges Dunn's shot finally beat Mann from close range. The Aces got back on even terms at the 15 minute mark when Hennessey snapped into the twines a puck lying loose in the crease after a hard left wing shot by Grant Grady. Two minutes later Pineau and Kip Ready went over the Ace blue line with a dazzling passing but which made the Ace defence look bad. Pineau triggered the shot and the period ended 5-4 in favor of the visitors.

Buck Whitlock picked his spot after 5 minutes of play in the final frame to make it 6-4. At the half way mark the Aces drew to within one goal of the Royals, Cutcliffe firing home a pass from Grant Grady in the corner. The Aces fought hard for the equalizer and came close a few times, but Allie Carver's goal with two minutes left snuffed out their last hope. A crowd of almost 800 spectators watched the game.
