

ISLAND WINGS:

The Natural History Society of Prince Edward Island produces and sells the colouring book *Island Wings*. The following excerpt of the Canada Goose will be winging its way to you via post or hand delivery as the birds arrive back on the Island, hopefully in large numbers. If you wish to acquire a copy of *Island Wings* as a gift or wish to obtain multiple copies as a fund raiser for a community group or company, please contact the Society at our mailing address or contact Dan McAskill at 902-569-4351.

Canada Goose

Note: Reproduction at 70% of actual size.
