New York Stocks

NEW YORK (AP)—The stock market pursued its inconclusive way Thursday without creating much of interest.
Railroads were higher, as they were Wednesday when they led a late rally. Also up were a few chemicals, aircrafts and rubbers. Coppers, strong Wednesday on a price increase for the metal, were down today in profit-taking in some cases.
The Associated Press average of 60 stocks was down 10 cents at \$170.90, but there were more winners than losers in the list. That situation was the reverse of Wednesday when the average was up but the losers predominated.
Unwired Corp. was up 1½ at 39 as directors declared a dividend of 50 cents against 25 cents in previous quarters.
Canadian stocks were mixed. International Nickel gained 2 to 81, McIntyre dropped ¾, Dome Mines and Distillers Seagram each advanced ¼ and Canadian Pacific lost ½.
