

N.B. Wins Inter-Maritime Rifle Shoot Amassing Record Breaking Score Of 808

New Brunswick won the Inter-Maritime Rifle Shoot for 1955 at Squaw Point ranges Saturday with a new record for the match of 808. The previous record was 804, made by New Brunswick at Bedford, Nova Scotia in 1937.

The day was fine with a fairly steady wind blowing from 2 o'clock, this together with the eight best riflemen New Brunswick could produce, and the coaching of J. D. O'Connell made the record possible. Nova Scotia was second with 791 followed by the Island team with 782. Some excellent scores were fired by the Nova Scotian and Island teams, but not good enough to hold down the strong New Brunswick contingent. Individual high scores for the day were fired by A. S. Emery, former Bisley shot and Bill Beatty, each with 103 out of a possible 105.

Saturday evening the Island team were hosts to the visiting teams at a banquet under the chairmanship of Brig. W. W. Reid, president of the P. E. I. Rifle Association, when the trophy, which has been in annual competition with the exception of the war years, since 1886, was presented along with souvenir to each member of the team, by Hon. B. Earle MacDonald, who was representing the Premier. Lt. Col. Dodge, Captain of the N. B. team, accepted the trophy, and expressed his appreciation of the hospitality of the Island team. Lt. Col. R. L. Simmonds and Lt. G. J. Rogers also extended congratulations to the N. B. team on behalf of their respective teams.

ona Defeats Braves 14-13

Iona nipped the Centennial Braves 14-13 in a softball game played at Iona on Sunday. Bill Wright went the distance for the Braves and suffered his first loss. Leo Mooney was the winning pitcher. Longest hits were Scantlebury's triple and Dunn's homer.

Purcell And MacLeod Lead Stars To 9-3 Victory

Tom MacFarlane's Stars took over sole possession of first place in the city baseball league by manhandling the Flyers 9-3 at Memorial Field yesterday afternoon.

Led in their ten hit attack by home runs by Billy Purcell and Dave MacLeod the Stars sent the Flyers down to their second defeat. Purcell's homer came in the first inning with LeClair riding the sacks and cleared the left center field fence with plenty to spare. MacLeod caught a Perry curve on the nose in the top of the ninth and drove it far away over the outstretched hands of the Flyers center fielder into right center.

Earl MacKinnon went the distance for the Stars giving up only six hits, which were good for a run in the seventh and two in the eighth. Lefty Perry also went the route.

Joe Coyle clouted a run scoring triple in the fifth for the Stars and singled in the first giving him a two for five day at the plate. Jack Cairns and Lorne McGuisan of the Stars each had two singles in four trips.

Merlin Devine led the losers at

the plate with a pair of one base hits.

"Kip" Ready, Flyers second baseman was tossed out of the game in the ninth by first base judge, Urban Blanchard, when he protested a call at second too strenuously.

New Marks, Big Pays, Large Crowd At Races Saturday

It was a night of record breaking miles, big pays, a large crowd and perfect weather at the Charlottetown Driving Park on Saturday evening.

Four horses set marks or bettered their old ones while two others paced the fastest miles seen on a Maritime track this year. On top of that the daily double paid \$86.25 and Miss Donna Mae, who won the fourth dash rewarded her supporters with \$99.30 for a combination ticket across the board.

Dale B. was good second. Suffolk Chief won the seventh dash leading all the way to set a new record of 2.14. Little Delbert placed second.

The other dash on Saturday was won by Don Seaman's Waymark who went away on top and stayed there although hard pressed by Real Fingo.

Driver Roach MacGregor had Yuta in top form. She went away Continued on page 15

But perhaps the most popular win of the evening was that of Pet Hanover reined by her owner Col. D. A. MacKinnon, the Dean of Maritime Horsemen.

Col. Dan drove a great race and the Pet responded to his every action as she led the field all the way and won by about two lengths over the improving Real Fingo.

The biggest upset was that recorded by Miss Donna Mae who finished the mile with a brilliant burst from the seventh eighth pole.

The betters almost counted Miss Donna Mae out of blues chip circle but they reckoned without driver Bernard and the Mae. Only six persons among the fans picked Miss Donna Mae to win.

Sleepy Sam set the pace for the first three quarters followed by Dale B. Miss Commando and Miss Donna Mae. On the upper turn Miss Donna Mae started to move and paced past the leaders on the stretch to win by a length.

In This Corner

All parents who wish their children to play little league baseball should remind them that registration day is this coming Saturday. The children can sign up for little league ball just by dropping into the Clover Club sometime during the morning and leaving their names with one of the three gentlemen who will be there for that purpose. Parents can phone the names in if their youngsters cannot get there at that time but calls from children will not be accepted.

Little league baseball was organized in Williamsport, Pennsylvania in 1939 by a public spirited citizen by the name of Carl E. Stotz. He realized that children under 12 desired, more than anything else, to compete in their own age group with the field and other equipment trimmed down to their size. Stotz had seen too many youngsters sit on the sidelines unable to get into the game because they were too small or too young.

He had been a very real part of the "heartbreak" as a kid and, as a man he had watched the disappointment so often that he decided to do something about it, and he organized little league baseball for the boys in that age group. His first move was to interest friends, then he approached several business men and he watched his long-time dream of baseball for young boys come into reality. The start in Williamsport was a three team league with twelve uniformed players on each team, and the games were played on a diamond two-thirds the size of a regulation diamond.

That was in 1939. The idea was

Play gets under way today at two o'clock for the first round of the Longworth Trophy. The draw is as follows:
Mrs. Wood vs. Mrs. Cerry, Mrs. Farber vs. Mrs. Brown, Mrs. De-Blais vs. Mrs. Johnston vs. Mrs. Byles, Mrs. Beer vs. Mrs. Mustard, Mrs. MacMillan vs. Mrs. Baker, Mrs. Norman vs. Mrs. Cannon vs. Mrs. Sedgewick, Mrs. MacKenzie vs. Mrs. Stewart, Mrs. Buntain vs. Mrs. Lively, Mrs. Wilson vs. Mrs. MacNeil vs. Mrs. Weir, Mrs. Horne vs. Mrs. Gillis vs. Mrs. Howatt.

an immediate success and the growth of little league baseball has been phenomenal. The 1953 season showed 2,285 leagues, or 11,837 teams with approximately 178,000 boys 12 years and under on the roster of regular "first teams". In addition to this, well over 80,000 boys have found places on "farm teams". Little Leagues are now franchised in 46 states, Alaska, Hawaii, Canada, Canal Zone, Philippines and Korea.

Sport Lodge Match Begins

The first round of the Sport Lodge Match was played Saturday at the golf club and the forty-six entries have been reduced to twenty-three.

The winners of the low net and the silver spoons for the mixed foursome held in the evening were Elaine Mutch and Don Sedgewick. Low gross was tied for by G. Hutchinson and Joyce Beer and Harry Simmonds and Doris MacDonal.

The winners of the sweepstake held in conjunction with the match were Bill Beer with 78 for low gross and Chris Gallant with 67 for low net.

He's Through

SAN FRANCISCO (AP)—Jack Fleck, an obscure young professional from the Iowa corn belt, crushed Ben Hogan's bid for a fifth National open golf championship Sunday, and the mighty Hogan announced: "I am through. I'll never play any more serious competitive golf."

Jack Fleck Wins U. S. Open Title

By WILL GRIMSLEY
SAN FRANCISCO (AP)—Jack Fleck crushed Ben Hogan's bid for his fifth title Sunday in an 18-hole playoff which brought a Cinderella climax to the 55th National Open golf championship.

Fleck carved out a one-under par 69 over the rugged Olympia club course while Hogan, finishing tragically with a double bogey six, was three strokes behind at 72. He was never in the fight. It was an unbelievable sequel to Saturday's electrifying finish when Fleck, who has never won a tournament of consequence, came sweeping out of nowhere on a wave of birdies to a 67 to tie Hogan for the championship at 287.

There will be a softball practice this evening for all girls wishing to play in the City League.

He's helping make aviation history!

Squadron Leader Joseph Riva, 35, is an RCAF Officer whose initiative and application has resulted in another important Canadian contribution to the advance of aviation operations.

A native of Canmore, Alberta, he joined the RCAF in 1941. After serving in the Middle East and the United Kingdom, he returned to Canada in 1945. Over the next five years—on numerous mercy flights and northern exercises—he noted that no simple method existed for "pinpoint" dropping of paratroopers and para-borne supplies.

With official encouragement, he tackled the problem in 1950, and shortly developed a PARADROP method that produced "on target" landings every time. But another problem remained—to develop a PARADROP COMPUTER to speed up required calculations. After considerable research this problem was solved and perfected too. In 1953 the computer was ready—and it worked.

The Canadian (Riva) Method has been adopted both by the Royal Canadian Air Force and by the United States Air Force.

As a result of Observer Riva's thinking and perseverance, the pilot of a transport aircraft can now assume full responsibility for the accurate delivery of para-dropped supplies or troops—under any set of conditions. S/L Joseph Riva is helping make aviation history!

EVER WANT TO GO TO A Jamboree?

You'll find many a Boy Scout who does. He's longing to join thousands of fellow Scouts at the 8th World Jamboree to be held in August at Niagara-on-the-Lake.

But he may be disappointed. Transportation, for instance, may be just too great an expense. It is to help such a Scout that The Bank of Nova Scotia is co-operating with The Boy Scout Association to set up 50 all-expense-paid Jamboree Journeys for deserving Scouts.

Scouts are invited to write a short essay on the theme "What It Means To Be A Scout." On the basis of these essays a total of 50 winners will be selected in co-operation with the Boy Scout Association. The Bank of Nova Scotia will meet the costs of travel and of ten glorious days at the Jamboree for these 50 lads.

The Bank of Nova Scotia's Jamboree Journey Essay Contest is another example of the Bank's policy of working with Young Canada. The Bank is their partner, as it is yours, in the great and many-sided enterprise of helping Canada grow.
