

Souris Brownies And Guides Hold Thinking Day

A MOTHER and daughter luncheon was held by the Souris Sea Ranger company as part of its "Thinking Day" program. Shown above attending the function are, left to right, Mrs. John MacCormack, Capt. Loretta Perry and Petty Officer Lynn Ann Roach.

AS PART of the "Thinking Day" program of Souris Brownies and Guides was an induction ceremony for Brownies. Shown above are, left to right, commissioner Mrs. Stewart MacAslay, Joanne MacKensie (being inducted), Rosemary Rogers, Mrs. Winston Fudge and Mrs. Donald Osborne.

Rights Of Labor Is Subject At Labor Relations Course

The guest speaker at the second meeting of the labor relations course, held at St. Dunstan's University Monday, was Rev. Wendell MacIntyre. He dealt with the rights of labor and told about the right to life and happiness and the means of maintaining a reasonably happy and satisfactory living.

He also dealt with the right of control and proved from both biblical and profane history that man, because of faculties of intelligence and free will was intended from the very beginning to exercise some form of control in living his life where there is an individual or a member of the labor force.

"The fact that he has intelligence and free will and is supposed to live his life by laboring would seem to indicate that his power of choice in his occupation and in the conditions of his occupation would be reasonable to be expected of him," Father MacIntyre pointed out.

"Therefore, the right to happiness, the right to association and the right to control, all find their best expression in a system where men are free to exercise their right to circumstances and conditions, which best produce a standard of living typical of an average citizen in his society."

Last night's course was attended by upwards of 80 persons. The third course in the series will be held next Monday night when the topic will be "The Duties of the Worker."

Several Island Ayrshires Qualify As Good Producers

A number of P.E.I. cattle have qualified with good production totals in record of performance tests reported in the current issue of the Canadian Ayrshire Review.

Charlottetown Royalty Jo produced 13,023 pounds milk, 594 butterfat for breed class averages of 148 and 150 in the mature class for the Experimental Farm which had three other quality.

Charlottetown Misty Karla produced 11,689 milk, 467 fat for BCAs of 137 and 139 as a senior two-year-old for W.E. Prowse, Brockley Point Road.

Charlottetown Super Milkmaid produced 10,154 milk, 460 fat for BCAs of 130 and 145 as a senior three-year-old and Charlottetown We'll Natalie had 8,490 milk, 369 fat for BCAs of 121 and 135 as a junior two-year-old.

East River Patricia produced 11,710 milk, 444 fat for BCAs of 138 and 125 in the mature class for Almon, Wood and Son, Little York.

Rivermere We'll See's Pride produced 10,715 milk, 485 fat for BCAs of 123 in both milk and fat in the mature class for D. Fred MacRae, Hunter River R.R.

Bethune Betty produced 10,496 milk, 423 fat for BCAs of 123 and 129 as a mature cow for Earle MacRae, New Wilshire and Lundale Princess produced 10,618 milk, 433 fat for BCAs of 123 in milk and fat as a mature cow for E. Lund and Sons, Mt. Herbert.

Greenfield Alma produced 10,597 milk, 418 fat for BCAs of

Commissioner To Australia Is Appointed

OTTAWA (CP)—Appointment of Evan W. T. Gill as Canadian high commissioner to Australia was announced in the Commons by External Affairs Minister Green.

Mr. Gill, 59, now an assistant undersecretary of state and a former high commissioner to South Africa and Ghana, will succeed T. W. L. MacDermot in the Canberra post in the spring. Mr. MacDermot is retiring.

Mr. Gill is "eminently qualified," Mr. Green said. A lieutenant-colonel in the Second World War, Mr. Gill later served as secretary to the Joint Chiefs of Staff and secretary to the Cabinet Defence Committee.

He was a councillor at Canada House in London in 1950 and 1951, and was appointed Canadian high commissioner to South Africa in 1954. In 1957, he was named as Canada's first high commissioner to Ghana and was appointed an undersecretary of state in April, 1959.

Montague Ice Frolics Are Highly Successful

MONTAGUE — A successful adult ice frolics drew one of the larger crowds of the year last night to the Montague rink.

The assorted program of skits, obstacles, pranks, clowns and broom ball kept the large crowd shouting and clapping their hands throughout the program.

A highlight of the evening was when William Hennigar and Mrs. William Dewar, two of the older members on the program, took a few rounds on the rink together. Mr. Hennigar, who is very agile for his 74 years, continued skating throughout the evening. Mrs. Dewar, lady like, did not give her age.

In the broom ball game the fire department won over the town council by a score of a 2-1 in overtime.

The winners of the wheelbarrow race were Athol Dewar and Joey Fraser. The backward race was won by Bert Brydon and Roma Shaw won the scrub-woman's race while "Dix" Wightman got the boobie.

In the bicycle race with all its thrills and spills Gilbert Clements came first. In the ball and chain race, J. Stewart with Mrs. Leona Sinclair came first.

In the oldtimers race which included such oldsters as H.L. MacGregor, J.S. Stewart, Cecil Beck, Billy Hennigar, Calvin Hicks, J.A. Anner and Fulton Campbell who was the winner.

In the teachers' school bag relay the team of Mrs. Foch MacDonald, Miss Beattie Martin, Mrs. A.G.J. Steeves and Mrs. Ina Hicks were winners. The obstacle race was won by Gilbert Clements, Barty Nelson, Ken Clements and Les Hennigar.

The success of this gala night reflects credit on the organizers Mrs. Ralph Beck and her energetic committee, Mrs. F. MacDonald, Mr. and Mrs. David Clarkson, Arthur Sullivan, Peter Sinclair and Ralph Beck.

The event was sponsored by the Montague Home and School Association with the cooperation of town's people, the sportsmanship of the participants, many of whom had not donned the blades in years, the excellent work by the Boy Scouts and Cst. Hender, scout master, all combined to make the event a huge success.

HORSE KILLED IN COLLISION NEAR LYNDALE

MONTAGUE—One horse is dead and an oil truck extensively damaged as the result of an accident yesterday morning near Lyndale.

The accident occurred when the horse took fright and crashed into an oncoming oil truck driven by Lowell Poole, Montague.

The horse, four years of age, newly broken to harness, was driven by Mr. Bruce, the mail courier for the area.

The accident occurred on a slight grade near the gate of Carlie Bruce, Lyndale.

The animal was instantly killed and a rough estimate of damage to the oil truck was given as approximately \$400.

Drive Opens On Gambling

MONTREAL (CP) — Montreal and Quebec provincial police said Tuesday they have launched a combined assault against the city's social clubs which they describe as "covers" for illegal gambling.

Montreal Police Director J. Adrien Robert said he has made "strong recommendations" to the executive committee that charters of a number of the clubs be revoked.

"The clubs operate under provincial and federal charters and all efforts in the past to close them down have been blocked for political and other reasons," he said.

The director said one social club with a charter had opened six branches, all operating as gambling houses.

Director General Joseph Brunet of the QPP said he hopes this latest move by police would "eliminate the last headache" caused by gamblers in Montreal and other parts of Quebec province.

Fulton Comments On Lottery Query

OTTAWA (CP) — Justice Minister Fulton said Tuesday in the Commons all provinces would have to be consulted on any amendment to the Criminal Code to make provincial lotteries possible.

He also said he was surprised that Premier Lesage of Quebec had disclosed Monday that Quebec was consulting with the federal government on the necessary amendments contingent to a provincial lottery.

He said in reply to Florent Dubois (PC — Richmond-Wolfe) that Mr. Lesage's letters to him on the subject were marked personal.

The minister said his department is considering the problems raised by the Quebec proposal.

Canadian Leads Italian Orchestra

MILAN, Italy (AP) — Boris Brott, 17, founder of the Montreal Philharmonic Youth Orchestra and the son of one of Canada's leading conductors and composers, Alexander Brott, conducted the Milan Symphony Orchestra of the Italian radio Tuesday.

The concert was part of a prize contest for young conductors organized by Italian radio.

Brott was one of five competitors who entered the contest which is called My First Concert.

It was tape recorded and will be broadcast on Italy's national radio network next April.

The winner of the contest will conduct a public concert at the Academy of Music of Milan as a prize.

Truckers Seeking Special Courses

QUEBEC (CP) — The Trucking Association of Quebec Tuesday decided to ask Quebec universities for the opportunity of setting up chairs on transportation problems.

Delegates at the association's annual meeting also decided to divide its annual gifts to universities, with half of the money going to students specializing in the economics of road transport. The other half would go to the universities.

Science Now Shrinks Piles Without Pain Or Discomfort

Toronto, Ont. (Special)—For the first time science has found a new healing substance with the ability to shrink hemorrhoids and to relieve pain and itching. Thousands have been relieved with this inexpensive substance right in the privacy of their own home without any discomfort or inconvenience.

In one hemorrhoid case after another, "very striking improvement" was reported and verified by doctors' observations.

Pain was promptly relieved, and while gently relieving pain, actual reduction or retraction (shrinking) took place.

And most amazing of all—this improvement was maintained in cases where doctors' observations were continued over a period of many months!

In fact, results were so thorough

SEAL WANDERS SEVEN MILES

Even the seals have a hard time finding where the sea ends and the land begins. Several have been reported coming ashore at various points in Prince Edward Island in the last few weeks. This one shown at Grandview is seven miles from the nearest salt water. Shown above as they arrived too late to rescue the seal are, left to right, Merrill Wight, Cst. William Stephens of the RCMP Montague detachment, and Bobby MacLeod.

ISLAND NEWS PAGE

Montague, Souris, Kings County

Kings County Chairmen Seek Canvassers For Red Cross

Sharing the responsibility for the success of the 1962 Red Cross campaign in Kings County are co-chairmen Cyrus A. Shaw, representative of Hyndman & Co. at Montague, and M.B. Fitzpatrick, manager of the Canadian Imperial Bank of Commerce at Souris. Mr. Shaw has the supervision of 61 districts in southern Kings County, while Mr. Fitzpatrick has 69 districts in eastern Kings County to oversee.

In the 1961 campaign there were 18 districts in southern Kings County, and 17 in the eastern section in which there were no canvassers at work. As the result of this lack of collectors, the objective of \$3,500 set for Kings County of the \$28,000 overall quota for the province, was short by some \$400 in the 1961 campaign.

There Kings County chairmen are now making every effort to secure canvassers for each and every district in their areas in order that there will be 100 per cent coverage for the 1962

appeal which officially get underway on March 1.

GEORGETOWN

Mr. and Mrs. Gordon Stewart and family Charlottetown visited Mr. Stewart's parents, Mayar and Mrs. A. H. Stewart recently.

Rev. Reginald MacDonald, Borden and Seven Mile Bay visited his brother, Mr. Aeneas MacDonald and Mrs. MacDonald, Georgetown recently.

Miss Carol Walker, RN, recently returned to Tatamagouche, N.B., after visiting her parents, Mr. and Mrs. Spurgeon Walker.

Seaman Bruce MacLean, RCN, left to join the HMCS St. Croix at Halifax following a visit with his parents, Mr. and Mrs. Malcolm MacLean.

Harry Yorston recently visited Mr. William McGillivray and Mrs. Bessie McGillivray Malpeque. Mr. Yorston also attended Puccini's opera "La Boheme" presented at Prince of Wales College in Charlottetown.

Donnie MacLean and daughter Debbie, Charlottetown were recent guests of Mr. MacLean's parents, Mr. and Mrs. Malcolm MacLean.

Robert Dorgan left last week for Wilmington, Del., where he Dr. and Mrs. Ralph E. Foss

motored from Peabody, Mass., to attend the funeral of Mrs. Foss's brother, the late A. E. Jenkins.

Seal Appears At L. Sands

LITTLE SANDS — Seals seem to be appearing in unusual places these days. One decided to try the road here for a change, and ambled along the highway and fields.

The animal was about four feet long, brown and muddy yellow in color, with a dark stripe down its back.

Apparently Mr. Seal was in no hurry to get back to the sea, or perhaps those who were guiding him to the shore interfered with his fun, sliding over snow banks, for he barked at anyone who attempted to hurry him along by shaking a switch at him. It was finally guided back to the sea.

Power Meeting May Come Soon

OTTAWA (CP) — A premiers' conference on the federal government's proposed establishment of a national power grid may be held in Ottawa before Easter, it was learned here.

The date would depend on agreement by the provinces.

Prime Minister Diefenbaker said before weekend adjournment of the House of Commons that eight provinces have accepted invitations to discuss integrating power facilities across Canada.

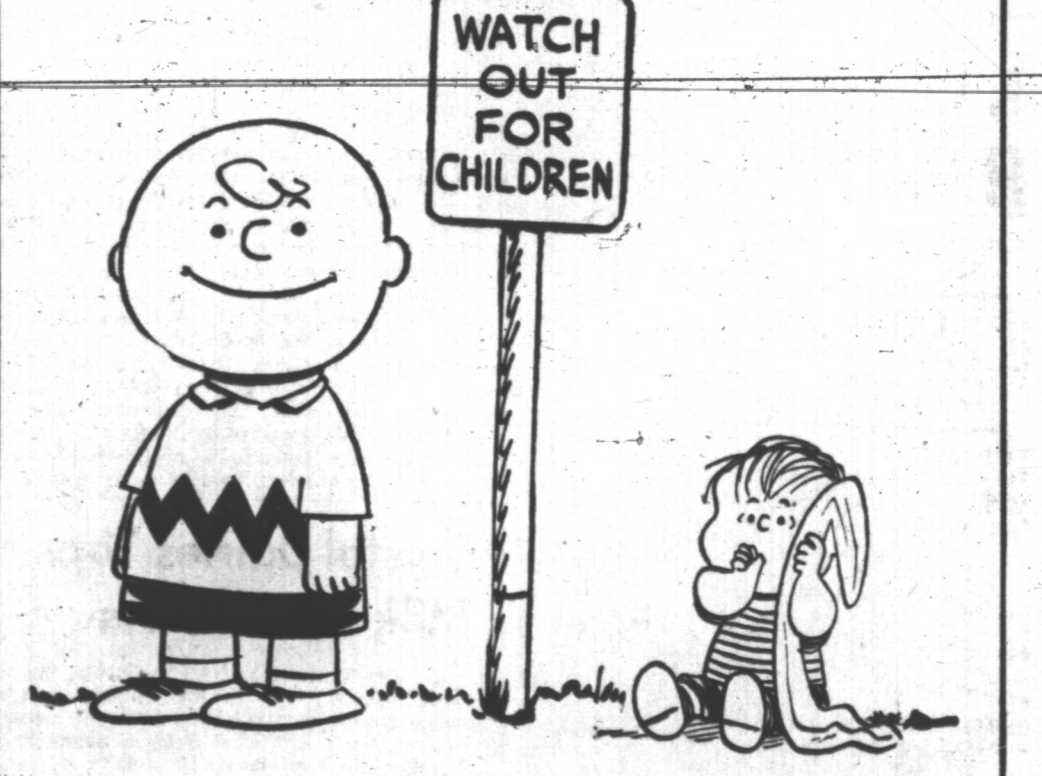

Earlier Friday, Mr. Diefenbaker told the House nine provinces — Quebec excluded—had accepted, but later he said he has received no answer from Newfoundland.

Frost Is Named Bank Director

MONTREAL (CP) — Leslie M. Frost, premier of Ontario from 1949 to 1961, Tuesday was elected a director of the Bank of Montreal.

ALARM WAS FALSE

OTTAWA (CP)—A defective alarm system Monday sent firemen from two stations rushing to the downtown National Gallery, home of Canada's most priceless paintings. Firemen said the building alarm was set off by a short circuit and there was no fire.
