It's All Over

TORONTO Maple Leafs proved they had what it takes when the going gets tough Saturday night as they captured their 10th Stanley Cup by handing Detroit Red Wings a surprising, but convincing 4-0 setback in Maple Leaf Gardens.

Led by the sparkling goaltending of ancient Johnny Bower, the Leafs came off the mat to win this one. — The way anyone would want to win a championship.

Out-skated, out-shot and just out-gunned in the all important third period, Red Wings ran out of steam. Delvecchio, Ullman and MacGregor, who led the Detroit attack, couldn't battle around Brewer and an inspired Bobby Baun in the third period, let alone think of beating Bower. Gordie Howe should have stayed home. — He couldn't get clear of the injured but determined Red Kelly.

Some of the younger Wings, especially Joyal and Henderson, gave the Leafs all they had in the closing stages of the game, but by that time the 3-0 edge was too much.

Gordie Howe, the guy who had more ice time this season than anyone but the goalies, wasn't the same Howe who set up the winning goal in the Wings 4-3 overtime victory two weeks ago. Averageing more than 30 minutes per game all season, he had played more than 35 minutes in all of the 13 playoff games up to Saturday. He threatened Bower on five occasions.

Bathgate Pays Off

CONTROVERSIAL Andy Bathgate payed off for the Leafs in the final two games of the series, scoring the first goal on a great breakaway effort in the first period Saturday night, and counting on a blistering 'half slapshot' Thursday night to tie the score 3-3 before Toronto won it in overtime. Yes, the Leafs big late season trade probably won them the Stanley Cup.

Two Leafs who almost missed the game with painful injuries, Bob Baun and Red Kelly, played key roles in Saturday night's win. — Taking second rating only to the performance of Bower.

Kelly picked up the back-breaking third Leafs' goal in the sixth minute of the third period, and as we mentioned before, made Gordie Howe look like the two were playing lead circle in a three ring circus.

On defence Baun turned 'killer style' again. — The Bobby Baun of old. He handed out three or four stiff body blows in the first period, and by the beginning of the second period all the Leafs were throwing their weight around.

In the background, for the third successive time, is 'Punch' Imlach. A guy who is superstitious, Imlach tried everything he could think of to get the Leafs to play good hockey this season. On many occassions his efforts ended in frustration. As usual however, they won the games they had to win.

Through The Infield

SOME ROOKIES worth keeping an eye on in the early going on the major league ball season includes **SAM BOWENS**, Baltimore; Tom Kelly, Cleveland; Willie Horton, Detroit; George Angel, Washington; Billy Cowan, Cubs; Rico Catry, Milwaukee; **RON LOCKE**, Mets; Gene Alley, Pirates; and **JAY ALOU**, Giants. Baltimore's Bowens is rated a hot prospect to stick in left field. He hit 22 homers and .287 at Rochester last season before moving up to the Birds for a .333 average in 15 games. The Mets hope they have a find in 24-year-old lefty Ron Loche, who posted an 18-8 record at Auburn last year. A pitcher who hasn't faced many big bats yet, but who has pitched three seasons in the low minors. **GEORGE ANGEL**, is getting a close look from Washington Senators. He's only 20 years old and throws from the right side with plenty of speed.

A graduate of the former Nova Scotian H and D League, **DERON JOHSON**, has finally received some big league attention and is battling for a first base position with Cincinnati Reds. He runs the 100-yd. dash in less than 10 seconds, and when we lived in Kentville in the mid-1950's, he was playing outfield for the Wildcats. Always a streak hitter as we remember him, he has apparently carried his mannerisms to the big leagues. Says one scout: "When Johnson's hot, there isn't a finner looking hitter in baseball." The property of the Yankees until last season, they wouldn't keep him because of too few good days and too many bad days. Last season he played in the Pacific Coast League with San Diego. He rapped 33 homers, 77 RBI's, and had a .277 average.

Island Tourney Staged At BHS

Birchwood High School was the scheme of the Island badminton championship on Saturday. The series of games commenced at 1 p.m. and continued through until 10 p.m. The tournament was under the guidence of Jack Turner of Charlottetown and under the sponsorship of the department of physical education and alcoholic education for the province of P.E.I.

Charles Landry captured the Men's singles champions. In the process he eliminated Jack Blanchard, Charlottetown, 15-9, 11-15, and 15-0 and then defeated Colin Campbell, Summerside, 15-10 and 15-12 in the finals.

Margaret Cook, Summerside, defeated Margaret Jardine, Charlottetown 11-2 and 11-1 in the ladies singles finals.

In the ladies doubles competition the Summerside team of B. Schurman and M. Cook defeated the Charlottetown team of M. Jardine and M. MacDonald 15-11, 15-11.

Jack Blanchard and Ivo Cudmore, defending champs, captured the Men's doubles as they defeated Colin Campbell and Dick Crozier, Summerside, 15-6, 8-15, 15-10.

Jack Turner and Marion MacDonald, Charlottetown, captured the mixed doubles by ousting Jack Blanchard and Margaret Jardine, Charlottetown, 15-10, 15-8.

FOR WINTER

Dyson Suggests Portable Track

(Ed. Note — Meet Geoffrey Dyson, the coach and the man behind the coach, in an article in this Wednesday's edition of The Evening Patriot).

SUMMERSIDE — "Prince Edward Island needs a portable running track, that can be moved into the two main arenas with ease in the winter months", the speaker said. "In fact, such a track just might be the big push that track and field needs in this province."

Geoffrey Dyson, director of the Royal Canadian Legion sports training plan, was commenting following the completion of a weekend track and field coaches clinic held at Athena Regional High School, Summerside.

The portable track, being used more often in other areas of Canada with the pasing of each winter, would cost in the vicinity of $20,000, Dyson said. It could be placed on top of the ice surface in either the Charlottetown Forum or Civic Stadium for the holding of meets.

WEATHER DISADVANTAGE

"The way the weather is in this part of Canada", Dyson said, "you have to call your competitive training program off at the end of September, and can't begin again until mid-April. That gives you less than six months of even the poorest outdoor training conditions.

Dyson, who for 14 years was chief coach of England's nationally-dominating Athletic Association, said he realized athletes in P.E.I. must be discouraged with such a short outdoor training program. Other areas of Canada and the U.S.A. with similar climatic conditions have made teriffic strides in track and field because of the use of the indoor portable track, he said.

NOT READY YET

David Boswell, Island director of physical education said the portable track would certainly be worth considering in a couple of years, "but with track and field as it is on the Island presently, there would be little advantage in having winter facilities of this extent. There just aren't enough athletes competing."

"If the recent surge in the sport continues in the next two or three years as it has in the past, the winter track however, would be of great advantage to us," said Boswell.

Clinic director for the three day Summerside meet, which concluded last night, Dyson gave impressive, exact lectures to the Island's top 50 physical education directors and students. The clinic was held in co-operation with the division of physical education of the Dept. of Education and the Summerside Branch, Royal Canadian Legion.

CHAMPAGNE IN THE SHOWERS

The Champagne flows like water and the water flows all over Toronto Maple Leaf president Stafford Smythe. Defenceman Carl Brewer interrupts the flow long enough for his boss to lift the overflowing champagne glass in a toast to his team's victory. The Leafs whooped it up in traditional style after winning championships in Toronto Saturday night. They defeated Detroit Red Wings 4-0 in the seventh game of the series. It was the Leaf's third consecu tive cup win. (CP Wirephoto)

Dodgers Shutout Braves; Senators Down Athletics

By THE ASSOCIATED PRESS

Crippled by injuries to Sandy Koufax and Johnny Podres, Los Angeles Dodgers' pitching staff got a big lift Sunday from lanky Phil Ortega who shut out Milwaukee Braves 1-0 on four hits.

Orega, making his fourth attempt to stick with the Dodgers, got the only run he needed in the first inning when Frank Howard's sacrifice fly delivered Maury Wills, who had singled and moved up on a walk and a sacrifice.

It was the first major league victory for the 24 - year - old righthander who received a $60,000 bonus in 1959. Bob Sadowski was the loser.

The National League-leading Philadelphia Phillies unloaded three homers accounting for all their runs in a 5-1 victory over Chicago. Gus Triandos and Tony Taylor poked solo shots and Bobby Wine connected with two on for the Phillies.

Roberto Clemente bounced a bases-loaded single through the drawn up New York Mets' infield in the bottom of the ninth to give Pittsburgh Pirates a 4-3 victory in the first game of a doubleheader. The Mets had tied it with a walk and two hits after two were out in the top half of the ninth.

WIN SECOND GAME

In the second game, the Mets survived a two-run ninth inning rally and hung on for a 3-2 victory. Tracy Stallard was the winner retiring 19 in a row before tiring.

Houston Colts scored two runs in the eighth and relief pitcher Hal Woodeshick put out a St. Louis rally as the Colts whipped the Cardinals 6-4. Bob Aspromonte's single and Rusty Staub's sacrifice fly produced the winning runs.

At Cincinnati, a doubleheader between the Reds and San Francisco Giants was postponed because of rain.

Rookie Frank Kruetzer turned in a sparkling relief job and doubled home the winning run as Chicago White Sox nipped the Boston Red Sox 2-1 in the American League.

Kruetzer came on with the bases loaded and one out in the second and retired Carl Yastrzemski and Frank Malzone. After that he limited Boston to three hits until leaving for a pinih-hitter in the seventh. He also doubled home Joe Cunningham in the fifth.

Baltimore catcher John Orsino couldn't handle one of Harvey haddix' pitches in the eighth inning and his passed ball allowed New York Yankees to push across the winning run and nip the Orioles 5-4. It was the third unearned run of the day for the defending American League champs.

Jerry Lumpe's wild throw let in the winning run for Minnesota as the Twins edged Detroit Trigers 3-2 in 11 innings. The Twins' first two runs came on successive homers in the first inning by Jimme Hall and Bob Allison. Jim Katt went all the way to win it.

Los Angeles got six-hit pitching from Fred Newman and blanked Cleveland Indians 7-0. The Angels, who stopped a five - game Indian winning streak, slugged 12 hits including three by Tom Satriano who drove in three runs.

Two home runs by Don Zimmer and another by Bill Skowron eased the way for Washington Senators as they whipped Kansas City 7-4. Manny Jimenez, Rocky Colavito and Jim Gentile homered for the Athletics.

Victory Delights Pearson

TORONTO (CP) — Prime Minister Pearson leaped and shouted like a schoolboy Saturday night when Red Kelly scored to put Toronto Maple Leafs ahead 3-0 in the third period of their Stanley Cup showdown with Detroit Red Wings. Leafs won 4-0 and captured the cup.

Mr. Pearson, a Toronto native and a Leaf fan "from way back," flew here from a Montreal political meeting Sturday afternoon to attend the game. On the plane he made a small wager with one of the reporters in his party.

Mr. Pearson, accompanied by his wife, his daughter, Mrs. Patricia Hannah of Toronto, and grandson Paul Hannah, 9, watched the game from a second-row box seat.

Along with 14,000 other fans at Maple Leaf Gardens, he bit his lip, wiped his brow and bounced anxiously on the edge of his seat as Leafs battled to a 1-0 lead early in the game.

He cheered lustily when Dave Keon scored the second Leaf goal in the third period, then jumped to his feet and waved his program wildly when Kelly, the Liberal MP for York West, made it 3-0 and salted away the game.

Leafs Smother Red Wings In Capturing Stanley Cup

By TOM WILLIAMS

TORONTO (CP) — Toronto Maple Leafs shrugged off their injuries and won their third straight Stanley Cup championship Saturday night, overwhelming the fading Detroit Red Wings 4-0 in the seventh game of the National Hockey League final.

With three key players playing with leg injuries frozen with injections of pain killer, the Leafs blasted the Wings in the most decisive victory of the series. The six other games were decided by goals in the dying stages, with two of them going to sudden death overtime.

Andy Bathgate gave the Leafs a 1-0 lead early in the first period. The Wings battled gamely in an effort to tie but couldn't beat 39-year-old Johnny Bower in the Toronto nets. Then the Detroit club ran out of gas and Dave Keon, Red Kelly and captain George Armstrong completed the rout with goals in the third period.

Kelly, a former Red Wing great, was outstanding in his 142nd Stanley Cup playoff game—a record—although he was a doubtful starter until the opening whistle because of a severely wrenched knee picked up in the sixth game. With the knee frozen, he played a solid two-way game, especially in keeping Detroit leader Gord Howe in check.

Hardrock Bob Baun required a similar needle to deaden the pain of a suspected broken bone in his lower right leg, but played a crashing game on Leafs' defence. His partner, Carl Brewer, also shone, with needles numbing rib and leg injuries.

MCKENNEY OUT

Leftwinger Don McKenney, sidelined by a knee injury in the fifth game, was missing from the Toronto lineup. Detroit got only brief service from defenceman Doug Barkley, hobbled by a painful groin injury.

Armstrong accepted the Stanley Cup from NHL president Clarence Campbell in a centre ice ceremony immediately after the game, as 14,571 fans roared approval.

Each full-share member of the Leafs receives $4,000 for the victory—$2,000 for winning the cup and the rest for the club's third-place finish in the regular season and semi-final victory over first - place Montreal Canadiens.

Each Wings player receives $2,750—$1,000 as a member of the finalist and the rest for finishing fourth and eliminating second - place Chicago in the other semi-final.

The Leafs have won the historic trophy 10 times, second only to Montreal Canadiens, who have won it 12 times—11 since the formation of the NHL in 1917.

HOWE FAGGED

The Wings lacked Howe's leadership in the climatic game as the big right winger, obviously bone-tired from playing close to 40 minutes in each of the 13 previous playoff games, could muster only a half-dozen dangerous rushes.

Wings' younger players, notably Ed Joyal, Paul Henderson and Andre Pronovost, tried to take up the slack but they were no match for the fired-up Leafs, or for Bower, who played one of his steadiest games of the playoffs.

Bower handled 33 shots in posting the shutout. Many were from long range, but he made some excellent saves, including two each on Howe and Norm Ullman. Ullman and Bruce MacGregor were victims when shots that appeared to have beaten Bower grazed goalposts.

Detroit goalkeeper Terry Sawchuk also stopped 33 shots, most of them more difficult than the ones that tested Bower. He robbed Keon on six occasions when the fleet centre appeared to have sure goals.

ANDY BATHGATE

JOHNNY BOWER

Bathgate's opening goal came after the Wings had charged into the Toronto zone looking for a quick counter. A pass back to the Leafs' blueline hopped over the stick of Detroit defenceman Al Langlois as he tried to slap a shot, and Bathgate jumped into the clear.

He skated in to beat Sawchuk from close range with a high, hard shot to the corner on the goaltender's glove side at 3:04.

KEON SCORES

The goal stood until 4:26 of the third period, when Keon counted on a lead pass from Harris. He cruised in on defenceman Marcel Pronovost and let fly with a 25-foot slap shot beat Sawchuk cleanly to the lower left corner.

Kelly made it 3-0 just 87 seconds later, driving a shot between the feet of defenceman Bill Gadsby and through Sawchuk's legs after Frank Mahovlich had beaten Langlois on the right boards to set up the play.

Mahovlich also started the play for Armstrong's wind-up goal at 15:26, firing a shot wide of the Wings net, then digging it out of the corner of the rink and passing to Armstrong. The Chief's partially-screened shot whizzed into the top left corner past Sawchuk's glove.

Wings got their last chances when Toronto defenceman Tim Horton and Brewer took penalties at 15:36 and 18:44, respectively. Detroit mustered a mild rally, but Bower turned it away, making good saves on Howe and Alex Delvecchio.

The Wings couldn't maintain the pressure and Sawchuk had to be sharp to stop Keon on two consecutive break-away shots near the end.

Play was rugged all the way, with Baun, Brewer and Stanley handing out stiff checks at the Leafs blueline and Garsby and both Pronovosts — Marcel and Andre—jarring a couple of Toronto players.

Referee John Ashley called nine minor penalties—five to Toronto. None figured in the scoring.

Howe finished as high scorer in the playoffs with nine goals and 10 assists for 19 points. Ullman was second with eight goals and 10 assists, while Mahovlich was tops for Leafs with four goals and 11 assists for third place.

First period — 1. Toronto, Bathgate (5) 3:04. **Penalties**—Horton 5:05; Joyal 6:34; Gadsby 8:51; Harris 8:51.

Second period — No scoring. **Penalties** — Harris 4:00, MacMillan 15:29.

Third period — 2. Toronto, Keon (7) (Harris) 4:26; 3. Toronto, Kelly (4) (Mahovlich, Stanley) 5:53; 4. Toronto, Armstrong (5) (Mahovlich) 15:26. **Penalties**—A. Pronovost 11:41; Horton 15:36; Brewer 18:44.

Saves:

Marlboros Wallop Monarchs

MONTREAL (CP) — Toronto Marlboros opened their best-of-five Eastern Canadian Memorial Cup series with a 7-2 victory over Montreal NDG Monarchs Sunday night.

Brit Selby and Rod Seiling stood out for the Marlies, scoring two goals each. Barry Watson, Gary Dineen and Wayne Carleton scored the other Toronto goals. Selby assisted Watson and Carleton.

NDG seemed doomed to a shutout until the third period when Andre Lageux tallied twice.

The second game of the series will be played here Tuesday night.

Though the Marlies were missing players through injuries and school examinations and the NDG club had exercized its right to pick up players from other teams in its Montreal Metropolitan League, Toronto's superior strength was clear throughout.

SUMMARY

First period — 1. Toronto, Selby 8:52; 2. Toronto, Carleton (Walton, Selby) 9:12. **Penalties**—Champagne minor and misconduct 5:19, Vadnais 7:41, Madore 8:52, Seiling 12:36, Chipchase 13:03.

Boston Celtics Capture Ch'ship

BOSTON (AP)—Boston Celtics, spurred by Bill Russell, mustered all their defence and teamwork for a rough 105-99 victory over San Francisco Warriors and an unprecedented sixth straight National Basketball Association championship Sunday night.

The Warriors aggressively battled to the wire before the Celtics could climax a year of dedication by wrapping up in five games the final NBA playoff series.

Russell rebounded a Tom Heinsohn miss and dunked it in with 12 seconds left for the clincher. A parade to the foul line had enabled San Francisco to close to 101-99 at the 19-second mark.
