# Johnson introduces the 28 to take big-motor boating out of the high priced class

Johnson has added a 28 hp motor to this year's line for people who want the power of a big motor without a big motor price tag. The 28 has power enough to pull two skiers in a hurry and is the ideal companion to power a wide variety of family-size boats. No other power class gives you such a choice. And, since it's a Johnson, the 28 is a motor you can depend on. With a bare minimum of care, it will always start in an instant and run like a clock till you shut it off. Before leaving the factory, every 28 is tank-tested, checked and re-checked to be sure the Johnson
