M. J. Oct. Arsenault, Gérant provincial pour la "Mutual Life of Canada"

## "THE MUTUAL LIFE ASSURANCE CO. OF CANADA"

M. JOSEPH OCTAVE ARSENAULT, GERANT POUR

L'ILE DU PRINCE EDOUARD

M. Jcs. Oct. Arsenault, qui pendant plusieurs années, fut inspecteur des écoles françaises dans cette province, est maintenant le gérant provincial pour la "Mutual Life Assurance Company of Canada", compagnie qui, pendant les cinq dernières années a fait plus d'affaires dans la Puissance du Canada qu'aucune autre compagnie et a son bureau central à Waterloo, Ontario.

Dans sa carrière comme professeur et inspecteur, M. Arsenault a toujours su se gagner la confiance de ses semblables, par ses aptitudes et son intégrité, et en le nommant gérant, la "Mutual Life Assurance Co. of Canada" a fait preuve qu'elle sait discerner les hommes de mérite et de confiance.

La "Mutual Life Assurance Co." comme on peut le constater par l'annonce dans nos colonnes, aujourd'hui, est une des meilleures compagnies du Canada et offre de grands avantages à ceux qui veulent s'assurer. Pour 10 cts. par jour on a une dotation de \$1,000 c-à-d., on est assuré pour \$1,000 et on les reçoit au bout de vingt ans. On peut se faire assurer aussi pour 5 cts. par jour pour \$1,000 pour vingt ans. La compagnie offre une centaine de plans : il y en a pour convenir à toutes les conditions, riches ou pauvres. Ces dotations sont le plus sûr

moyen de sauver et d'obtenir \$1,000 ou plus si on le veut.

*It is coined wisdom*

Tout homme pauvre ou riche, devrait pourvoir aux besoins de sa famille et l'assurance est le plus sûr moyen d'y arriver.

Nous aimons aussi à attirer l'attention de nos lecteurs sur le fait que M. Arsenault est Acadien, ce qui démontre que parmi les nôtres il y a aussi des hommes d'affaires et de confiance.

M. Arsenault se fera toujours un plaisir de répondre, soit par lettre ou autrement, à toutes les demandes qui lui seront faites sur la question de l'assurance.

Il ne faut jamais perdre de vue que l'assurance est le secours de la veuve et de l'orphelin.

Nous croyons rendre un service à nos compatriotes en leur disant : assurez votre vie dans la "Mutual Life Assurance Co. of Canada" dont M. Arsenault est le gérant dans cette province.

Nous félicitons M. Arsenault sur la position honorable qu'il occupe, et aussi la "Mutual Life Assurance Co. of Canada" d'avoir obtenu les services d'un gérant aussi compétent que l'est M. Arsenault.

M. Arsenault à son bureau dans la bâtisse Y. M. C. A., Charlottetown.

### The Delineator for November

In the November issue The Delineator sustains its recognized position as the foremost fashion publication and one of the high-class literary magazines. Excellent reading and refined art supplement the display of Winter fashions, which are more charming than at any previous time. In fiction there is the second installment of The Evolution of a Club Woman, the bold narrative of a woman's experiences in clubdom, purporting to be fact; a clever short story by William MacLeod Raine, entitled An Unpremeditated Engagement; An Interrupted Honey-

moon, by Lillie Hamilton French, a pathetic incident of a little Yorkshire terrier; and a Western story by Minna C. Smith. In the second of his remarkable photographic articles, J. C. Hemment relates some of his thrilling adventures with the camera. N. Hudson Moore has a strikingly-illustrated paper on Chrysanthemums, and in the "Miladi" paper Clara E. Laughlin writes of Conflicting Tendencies in early married life. A House Small but Artistic is pictured and described by Alice M. Kellogg, and in "Carlotta and I" Miles Bradford tells the story of an old-fashioned Thanksgiving. For the children, there is a Firelight Story, by Livingston B. Morse;

Are you contemplating going South or investing money there?

We advise any of our readers who contemplate going South for the winter and want to rent a furnished cottage or secure board in hotel, boarding house or private family, or are desirous of investing money down there, to first write Mr. John T. Patrick, Pinebluff, N. C. Mr. Patrick has made a specialty of furnishing information to Northern people who want to find winter homes or to those who desire to loan money down there on mortgages. He is a man that can be relied upon to give honest information, and to protect the interests of those who trust their money to his care. Recently one of our abders asked Mr. Patrick to give reference as to his character and business ability, and he furnished the names of the Chief Justice of his state, Judge Walter Clark, Raleigh, N. C., and the Editor of the leading daily in the state, the News & Observer, Mr. Josephus Daniels, Raleigh, and the Editor-in-Chief of the Boston Transcript, Mr. E. H. Clement, and these men said in reply that whatever Mr. Patrick said could be relied upon. Therefore it will pay you to write Mr. Patrick before you locate, and if you have money to loan, secure his assistance to get the highest rate of interest on good first-class mortgage down South where the people pay more interest than is paid up here.

COULD SCARCELY EAT.

TWO BOXES OF

MILBURN'S  
HEART and NERVE  
PILLS

Cured Mrs. Edmond Brown, Inwood, Ont., when she had almost given up hope of ever getting well again.

She writes: "I was so run down that I was not able to do my work, was short of breath, had a sour stomach every night and could scarcely eat. My heart palpitated, I had faint and dizzy spells and felt weak and nervous all the time. My husband got me a box of Milburn's Heart and Nerve Pills but I told him it was no use, that I had given up hope of ever being cured. He however persuaded me to take them and before I had used half the box I began to feel better. Two boxes made a new woman of me and I have been well and have been able to do my work ever since."

Milburn's Heart and Nerve Pills are 50 cts. box, or 3 for \$1.25, all dealers or
