Cocktail Boots

The picture shown here scarcely begins to depict the exciting new styles that make up our 63 "cocktail range". It is an outstanding collection in every respect—in fineness of line, in attentive detail, in all round fashion flare. This new group features a wider variety of heel types, patterns that are different, and has many interesting new trims and materials—leather included. They fit superbly, comfortably, smartly, and they're waterproof, of course. See the entire collection soon.
