Pour renseignements et formulaires de demande d'admission, veuillez vous adresser le plus tôt possible à :

Patrick Maltais
Responsable des programmes spéciaux
Faculté des sciences et de génie
Université de Moncton
Moncton, N.-B.
E1A 3E9
Téléphone : (506) 858-4500

REMARQUES : Tous les candidats et candidates francophones de l'Île-du-Prince-Édouard doivent passer obligatoirement par nos bureaux si ils ou elles désirent étudier dans une de ces disciplines au Québec. Les formulaires de demande d'admission dûment remplis doivent être retournés à l'adresse indiquée ci-dessus avant le 7 février 1990. Le Comité acheminera les dossiers vers l'université concernée où la sélection sera faite.

Memorial

MBA with a winning tradition

The Faculty of Business Administration at Memorial University of Newfoundland offers a 'user-friendly' and 'user-useful' Master of Business Administration degree in a challenging and supportive learning environment with a winning tradition.

Inquiries/applications are now being encouraged (for full-time studies beginning September 1990 and part-time studies beginning either May or September 1990) from well-qualified women and men who hold, or will receive, baccalaureate degrees in business/management, engineering, liberal arts, nursing, the sciences, social work and other disciplines. Called one of Canada's prominent business schools, we offer small classes, new facilities and microcomputer lab, internationally-trained faculty, a semester at our Harlow campus in England, an applied orientation based on a blend of teaching approaches, close links with the management communities, and more. The annual tuition fee is \$1,245. If you are interested in joining our highly-motivated group of MBAs (43% women, 57% men), write or phone: MBA Program, Faculty of Business Administration, Memorial University of Newfoundland, St. John's, NF, A1B-3X5; telephone (709) 737-8522.
